FINDING THE WAY

I can show papa the way, I know,
Out to the meadows and up the hill,
Over the fields where the daisies blow,
Off to the woodland so far and still,
I could show papa the way, if he
Cares to go visiting them with me.

I'd find the way, oh, I could, indeed,
Down through the paths where the squirrels play,
Over the pastures where cattle feed,
While the glad robin keeps holiday;
Under the cool of the shady trees,
Into the homes of the birds and bees.

But when we'd seen all the wonderland,
And we were ready at last to go,
I should be glad to take papa's hand;
For I'm afraid that I shouldn't know
Nearly so well, after all, as he,
Just what the safest way home would be.

—Frank Walcott Hutt.

MAKING THE PUNISHMENT FIT THE CRIME

Noticing one of her small boys nibbling at some luncheon in school one day, the teacher called the culprit to the desk.

"You know," she began sternly, "that you must not eat during lesson hours! Now as a punishment you must stand here in front of the class and eat every bit of it."

The small boy did as he was bid, a curious grin overspreading his face.

The teacher misunderstood that grin until the last scrap had disappeared, when, from the class, a small voice wailed in tearful accents:

"Please, Teacher, that wasn't his lunch he was eatin'; it was mine."

STIR THE LIVER UP BY THE USE OF

Milburn's Laxa-Liver Pills

If the Liver is Lazy, Slow or Torpid it is necessary to stimulate it by the use of a medicine that will clean away all the waste and poisonous matter from the system, and prevent, as well as cure Constipation, Sick Headache, Biliousness, Jaundice, Sour Stomach, Liver Complaint, and all sickness arising from a disordered condition of the Stomach, Liver and Bowels.

Milburn's Laxa-Liver Pills are a specific for all these troubles, and have been used for close on to twenty years by many people for these complaints.

Mr. Thomas Dussling, Waterford, Ont., writes:—"I was troubled with my stomach for twenty-five years. I doctored with doctors in Canada and Michigan, but got no relief. There was a friend in Michigan who advised me to try your Milburn's Laxa-Liver Pills, and I did so. I now feel like a new man, and I can't praise them enough to my fellow men."

Milburn's Laxa-Liver Pills are 25 cents per vial or 5 vials for $1.00. They are for sale at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

CATHOLICS AND PROHIBITION

To the Editor:

Roman Catholics have recently held a convention at Niagara Falls for the purpose of discussing how best to make united warfare against the liquor traffic. That is most encouraging as in the past our Catholic brethren have not been active in their opposition to the liquor traffic as the Protestants. They admit that themselves and are determined to lag behind no longer.

The call to the convention reads as follows: "The life of the liquor traffic is in the balance, and it behooves the many Catholics who are opposed to the saloon to form organizations of their own or to affiliate their efforts with the existing organizations pledged to the overthrow of the liquor traffic which is erecting its last and most formible ramparts where Catholics are most numerous. Already the many Catholics engaged in the nefarious business which fosters what Pope Pius X called "the terrible scourge, the deadly evil, sowing so much shame among the faithful" constitutes a mighty hindrance to the physical, intellectual and moral progress of the American people in general and of our poor immigrants in particular."

"Therefore we the undersigned, impelled by the urgent appeal of the Third Plenary Council of Baltimore to "all Catholics engaged in the sale of alcoholic beverages to quit the dangerous business" invited all Catholics who favor the removal of the saloon to meet in Conference August 4th, 1914, in Niagara Falls."

It should be remembered that in the Province of Quebec there are 904 municipalities under prohibition and only 286 under license. Judging the future by the past the downfall of this dreadful business is near at hand.

Had a Weak Heart and Bad Shaky Nerves for Years

Milburn's Heart and Nerve Pills Cured Him

Mr. H. Percy Turner, Marie Joseph, N.S., writes:—"I have had a weak heart and bad, shaky nerves for years, and have tried almost everything, but nothing did me any good till I was advised to try Milburn's Heart and Nerve Pills. I was surprised to find how one box helped me, so I tried two more and am now completely cured. You may use my letter as an aid to others suffering from heart or nerve troubles."

Milburn's Heart and Nerve Pills are a specific for all run-down men and women troubled with their heart or nerves.

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for $1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

WHY SUGAR HAS RISEN

War has been the active force in the great advance of prices of sugar during past two weeks. On August 1st the price of raw sugar was 3.29 cents and refined sold at 4.16 cents. That day saw war declared between Russia and Germany. By August 7th the price of raw sugar rose to 4.26 cents, and refined advanced to 4.90 cents. By August 10th the price of raw was 5 cents, and refined was 6 cents. By August 14th raw sold at 6.52 cents, and refined at 6.86 cents. In other words, the price of raw sugar has almost doubled, and refined was 65 per cent. higher in two weeks. Some of this advance was naturally due to interruption of ocean shipping; some of it, no doubt, was caused by desire of holders to take advantage of future possible or expected demand; some of it, again, based upon Great Britain's need of drawing sugar from some other source than that of its chief supplier, Germany. In this connection it may be worth noting that all the countries now at war, except Great Britain are producers of beet sugar, Germany, Austria and Russia especially so. The following table shows the production of beet sugar in the countries at war, the total production of beet sugar in Europe, and the total production of all kinds of sugar in the world:

1912-13	Tons
Austria-Hungary	1,889,000
Belgium	276,000
France	851,000
Germany	2,658,000
Russia	1,200,000
Servia	12,000
Total six countries	6,886,000
All Europe	7,806,000
All beet	9,438,000
Cane	9,545,000
Sugar crop	17,983,000

It will be seen that the six continental countries at war in Europe, in 1912-13, produced 87 per cent. of all the beet sugar of Europe's total sugar production, 81 per cent. of all the beet sugar of the world, and 38 per cent. of all the sugar in the world. This year's yield of beet sugar was expected to be larger than for the year mentioned. With Europe an armed camp, with millions of men withdrawn from agriculture and with the best sugar fields the scene of actual battle, the prospects of beet sugar production and prices are, to say the least, problematic.

Good Health Is Impossible Without a Healthy Action Of The Kidneys

When the kidneys begin to "act up" and fail to filter the blood through them, there passes into the system uric acid and other virulent poisons, which will cause some of the severest and most deadly diseases known to mankind.

On the first evidence of the approach of kidney trouble Doan's Kidney Pills should be used, and serious trouble avoided. Mr. Israel Drost, Bath, N.B., writes:—"I am sending you this testimonial telling you what a wonderful cure Doan's Kidney Pills made for me. My kidneys were so bad I was helpless for about two months. I used several kinds of pills, but none of them seemed to be doing me any good. At last I was advised to try a box of Doan's Kidney Pills. When I had taken the first box I found relief, and then I got another, and by the time I had taken it, I was completely cured."

Doan's Kidney Pills are 50 cents per box or 3 for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's."

HEARD IT ALL BEFORE

When Mark Twain was living in Hartford, Connecticut, where Dr. Doane, now Bishop of Albany, was rector of an Episcopal Church, he went to hear one of the clergyman's best sermons. After it was over Mark approached the Doctor and said politely:

"I have enjoyed your sermon this morning. I welcomed it as I would an old friend. I have a book at home in my library that contains every word of it."

"Why, that can't be, Mr. Clemens," replied the rector.

"All the same, it is so," said Twain.

"Well, I certainly should like to see that book," rejoined the rector with dignity.

"All right," replied Mark; "you shall have it," and the next morning Doctor Doane received with Mark Twain's compliments a dictionary.

A prime dressing for wounds.—In some factories and workshops carbolic acid is kept for use in cauterizing wounds and cuts sustained by the workmen. Far better to keep on hand a bottle of Dr. Thomas' Eclectric Oil. It is just as quick in action and does not sear the skin or burn the flesh. There is no other Oil that has its curative qualities.

But know not what's resisted.

IT NEARLY KILLED HIM

"Medicine won't help you any," the doctor told his patient. "What you need is a complete change of living. Get away to some quiet country place for a month. Go to bed early, eat more roast beef, drink plenty of good rich milk, and smoke just one cigar a day."

A month later the patient walked into the doctor's office. He looked like a new man, and the doctor told him so.

"Yes, Doctor, your advice certainly did the business. I went to bed early and did all the other things you told me. But say, Doctor, that one cigar a day almost killed me at first. It's no joke starting in to smoke at my time o' life."

MRS. MABEN WAS MADE WELL

By Lydia E. Pinkham's Vegetable Compound and Wants Other Suffering Women To Know It.

Murfreesboro, Tenn. — "I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was a sufferer from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good so I tried the Lydia E. Pinkham Remedies—Vegetable Compound and Sanative Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it."—Mrs. H. E. Maben, 211 E. Spring, St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Why Lose Hope.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Dread of Asthma makes countless thousands miserable. Night after night the attacks return and even when brief respite is given the mind is still in torment from continual anticipation. Dr. J. D. Kellogg's Asthma Remedy changes all this. Relief comes, and at once, while future attacks are warded off, leaving the afflicted one in a state of peace and happiness he once believed he could never enjoy. Inexpensive and sold almost everywhere.

Only those who are strong enough to mold public opinion dare ignore it.—Mr. Harrison Fowler.

Little Boy Was Not Expected to Live

Was taken Sick with Diarrhoea

They Were 18 Miles From a Doctor SO GOT DR. FOWLER'S Extract of WILD STRAWBERRY, Which Cured Him

Mrs. Fred Schopff, Fennant, Sask., writes:—"I used Dr. Fowler's Extract of Wild Strawberry when my little boy was not expected to live. We were thirty miles from a doctor, when the little fellow took sick with Diarrhoea. He at first would sleep nearly all day, and at night would be in pain, and would have a passage every five or ten minutes. This went on day and night until he began to pass blood. I gave him "Dr. Fowler's," but without any good effect at first, so I began to give him a larger dose, and soon he began to get relief. It was the only medicine I had in the house at the time, and I always keep it now for inside of three days my boy was out playing, and was as well as ever."

This grand remedy has been on the Canadian market for nearly seventy years, and is without a doubt, the best known remedy for all Bowel Complaints.

Refuse to take any other preparation when you ask for "Dr. Fowler's." There is nothing else that can be "JUST AS GOOD."
