GREAT YEARS IN THE NATION'S HISTORY.

Interesting things have happened in 1926. Commander Byrd in a Fokker airplane circled the north pole. Photographs taken in Europe were transmitted on radio waves to America, and published in newspapers a few hours later. Gertrude Ederic, daughter of a New York butcher, swam the English channel one hour faster than any of the five men who had swum it before her.

Is anything interesting going to happen in 1927?

PARENTS' RESPONSIBILITY

The arrest this week of two of our young lads for alleged house-breaking calls attention to the question of public morals in our town. For some time past those in touch with conditions have marked a growing laxness in discipline and a disregard or contempt for moral restraint that augurs ill for the future, particularly of our young people. Evil practises, if unchecked, are infectious, and spread like a festering sore to others who may not be so inclined, but, as in this case, are easily led. It is to be hoped that a salutory lesson may be made of any cases of moral delinquency before it become general, for it is much easier to extinguish an incipient blaze than to quell a conflagration. Parents particularly should be awakened to a sense of their responsibility. Children are not given us simply to clothe and feed, and, when old enough, to chore for us; but to teach, to train, to counsel and guide for time and eternity. It is a solemn responsibility, with abundant rewards when duty is faithfully performed, but with disastrous consequences both here and hereafter if neglected. The parent who unconcernedly allows his child away from his care, to get what training he can pick up on the street is recreant to his trust and unworthy of the honor of parenthood. — Stayner Sun.

David Harrow Passed Away at Owen Sonnd

Mr. David Harrow, an old resident of Stone's line, Artemesia, passed away at his home in Owen Sound on Wednesday afternoon of last week, at the age of 82 years. He had not been in good health for some time. The deceased gentleman was born in Aberdeen, Scotland, and was the son of the late Mr. and Mrs. William Harrow. He came to Canada with his parents when he was only two years old, the family settling in Waterloo County, where farming operations were carried on. He continued to reside there until his marriage 46 years ago to Miss Rachel Hawk of Waterloo County, when they took up farming in Artemesia township, where he lived until a little more thon four years ago when the family moved to Owen Sound. Mr. Harrow was one of the most highly respected residents of Artemesia prior to his removal to Owen Sound, was a good neighbor and a successful farmer. He was of a retiring disposition and took no active part in public affairs, but was always interested in the welfare of the community in which he resided so long. He was a lifelong member of the former Methodist church, and attended the Westside Church in Owen Sound. He is survived by his widow and seven children—Mrs. W. A. Beaton, Flesherton; Misses Ethel and Minnie, Richmond, Virginia; Misses Agnes and Annie at home; Hunter, of Essex, and Frank, Hodgeville, Sask.; also one sister, Mrs. Annie Coote, Dorking, near Listowel. The funeral took place on Friday afternoon from his residence, 466 12th street west, Owen Sound, to Greenwood cemetery.

CARD OF THANKS

TO THE PEOPLE OF SOUTH-EAST GREY:

At last Ferguson has decided; the election is declared for December 1st. I am in the field as the candidate of the United Farmers of South-East Grey, and I am in the field to stay. I have not had, nor will I have, any agreement or compromise with either opposing candidates or their party. I have confidence in the people and I believe that their will should be obeyed. I have taken and will continue to take a strong stand for temperance. More later.

Sincerely,

—F. R. OLIVER.
