Kimberley Won Debate

Defeated the Duncan Team in Markdale on Friday Evening Last

Kimberley debating team won the shield on Friday evening last which is given by the Young People's Leauge of the Grey Presbytery for the best debating team in the societies of the district and are holders of the shield during the coming year.

The winning team was composed of Miss Villa Ward and Miss Kathleen Hutchinson and the negative side was ably defended by Miss L. McKeown and Mr. Carl Humberstone.

The debate was between Duncan and Kimberley and was held in the Anesley United Church, Markdale, with a fair crowd in attendance. The subject for debate was resolved "that Wealth Causes Greater Unhappiness than Poverty," and Kimberley took the affirmative side. Both teams debated their points in fine merit and the decision was very close. A misunderstanding arose with the rules as those observed by the Duncan team as used on the northern circuit this year were quite different to those in use in this part. The mistake was greatly to be regretted as no doubt it resulted against Duncan to some extent when they were allowed to use as many points as they could secure withot debating them in full while the other side secured six points and brought out their discussion on these points. We believe the later way is the best, and the variance in rules was not known until the debate was about to commence. The Kimberley team fought hard this year for their victory and are to be congratulated in their perseverance.

The judges of the debate were: W. D. Henry and Mr. Donaldson of Markdale and Rev. McCormack of Priceville, while the timekeepers were Mr. Weller of Duncan and Miss E. Burritt of Kimberley. Mr. Howard Graham, convenor of the Literary department of the county, presided at the debate and Rev. F. N. Bowes presented the shield to the winning team. During the evening Messrs. Dundas, Bowes and McFadden gave a well rendered trio.

Liberal Candidate Retires From Field

R. H. Fortune Decides Not to Split the Dry Vote and Leaves Field to Oliver

Following is His Letter

To the Electors of South Grey:

Ladies and Gentlemen,— In June last I was nominated at a convention of the Liberals of South Grey, and after consideration I accepted the nomination as an Independent Liberal candidate, with the understanding that I would be a supporter of the O. T. A.

Some time later Mr. F. Oliver was nominated as the U. F. O. candidate, and as I understand, also a supporter of the O. T. A.

Mr. Ferguson has now announced a general election and a policy which means the destruction of the O. T. A., and in doing so has set at naught the will of the people and betrayed the confidence of a large majority of the Ontario electorate as expressed at the polls in a plebiscite.

As I am informed Mr. Oliver has refused to consider the question of a fusion candidate in the interests of the O. T. A., and though I was first in the field, I have decided to put principle before party and retire from the contest, as I deem it inadvisable to split the votes of those opposed to the return of the Ferguson government.

In thus announcing that I will not be a candidate in South Grey in the general election on Dec. 1st, next, I wish to sincerely thank all my friends in the riding who had given me warm assurance of support.

Very truly yours,
—R. H. FORTUNE.

Ayton, Nov. 2nd, 1926.

HALLOWE'EN SOCIAL

A very successful Hallowe'en social was held in Stone's School, 4th line, under the direction of Mr. Alf Hincks, teacher. The school was tastefully decorated for the occasion with pumpkins, Jack o' Lanterns, etc. The chair was ably filled by Mr. Bill Campbell. The pupils rendered several readings, songs and recitations, and all joined in the games and pranks. Mr. and Mrs. Geo. Cairns renderd a duet "Whispering Hope", and also won the prize for the best costume as Mr. and Mrs. Jiggs. Other costumes worthy of mention were The Ghost, the Black Cat; Queen Victoria, The Fortune Teller, Society Girl, Colored Minstrels, The Obscure Man. A recitation was given by Mrs. R. Whittaker and a reading by Mrs. J. K. McLeod. Messrs Brady Irwin and W. McKenzie played on the guitar and mouth organ and gained much applause. Refreshments were served; fortune telling was engaged in and the evening closed with the National Anthem.
