Character and Individuality in Banks

BANKING FIFTY YEARS

In the course of development of a banking business, policies are formed, habits maintained, and methods practiced, which are peculiarly and intimately connected with the institution that gave them birth. It is these things that give a bank individual character that influences a man in making his financial affiliations. In offering our services, we solicit your enquiries regarding Standard aBnk policies as affecting your own business.

Endorses F. R. Oliver as O. T. A. Candidate

Executive of the Prohibition Union Met in Durahm on Tuesday

The Executive of the Prohibition Union of South East Grey met in the town hall at Durham Tuesday afternoon and fully endorsed F. R. Oliver, the U.F.O. candidate in the riding, as the supporter of the Ontario Temperance Act and called upon all voters to sink their party allegiance and supporta nd use their influence in the election of the U.F.O. candidate. The following is the resolution which was adopted by the Prohibition Union:

Moved by T. R. McKenzie seconded by Dr. F. Martin that "Whereas this executive meeting of the Prohibition Union of South East Grey met in the town of Durham this 16th day of November, 1926, have learned from Premier Ferguson's manifesto that he has adopted as his platform the repeal of the Ontario Temperance Act, and the substitution thereof, the sale of intoxicants under so called government control. Therefore this organization wishes to register an emphatic protest against the proposed change: and express our unalterable allegiance to the Ontario Temperance Act, believing it has been of inestimable value in repressing the traffic in strong drink.

We would therefore call upon all our citizens who have the sobriety and well-being of our province at heart to sink their party allegiance at the coming provincial election and support and use their influence to elect F. R. Oliver, the candidate who is pledged to support the O.T.A. and any other temperance legislation in line with it."

The resolution was carried unanimously by a standing vote.

The Rock Mills hunting party had an unpleasant time with the snow this year. They left here with motors for Deer Lake station on the Canadian National and ran into a foot and a half of snow before arriving at their destination. It was worse coming out than going, and for some miles they made about a mile an hour They also found it necessary to ship the game home by rail. Deer were very plentiful this year, according to all the three parties which went north from this section

Fowl Supper Tuesday

Orangemen and the Orange Ladies Held Fowl Supper in Chalmer's Church

The annual fowl supper of Carnation Lodge, Flesherton, L.O.B.A., and L.O.L. 2855, Flesherton, was held in Chalmer's United church on Tuesday evening of this week when a very good crowd was in attendance to partake of the bountiful banquet of goose and duck that was provided by the two lodges.

At the close of the refreshment end of the evening's entertainment Mr. George Banks, Deputy Master of L.O.L. 2855, proposed a toast to the King and Country which was ably responded to by Rev. Jos. Harrower. Mr. F. W. Duncan, past Master of 2855, then proposed a toast to the L.O.B.A. to which Mrs. E. Tremp, the Worthy Mistress of the L.O.B.A., responded, giving an account of the work accomplished by the Lodge during the past year. Mrs. F. W. Duncan proposed a toast to the L.O.L. and to which Mr. F .J. Thurston responded. Musical numbers were given by Messrs. F. Duncan and C. J. Bellamy, asisted by Wes Armstrong with guitar accompaniment, and Mr. W. Alcox gave two pleasing numbers on the violin. Miss V. Nicholson gave a short account of a visit she had paid to the L.O.B.A. home for children at Richmond Hill and of the work being done there.

At the close of the program a covering for the banner was presented to L.O.L. 2855 by the L.O.B.A., the work of the ladies, and Mr. George Banks received the covering on behalf of the L.O.L.

The tables were beautifully decorated with table lamps and reading lamps were also situated over the room in convenient places, a homey atmosphere pervading the room.

A program of games and other sports were then held and finished up an evening which was enjoyable to all present.

Meaford Mirror Won $25,000 Libel Suit

A legal case of much interest to the people of this part took place in Owen Sound on Thursday last when the libel suit instituted by the Meaford Shoe Co. and W. T. Grimshaw against A. S. Thurston and the Meaford Mirror was heard before His Lordship Mr. Justice Grant, who dismissed the action.

The action was brought as the result of articles published in The Meaford Mirror in December, 1925, and February, 1926, which the company and Mr. Grimshaw alleges were detrimental to the credit of the company, prevented some of the travellers from obtaining orders, and resulted in a measure in the company going out of business.

Fox Breeders Showing at Royal Winter Show

Karstedt Bros. won 4th and 9th Prizes on Two Foxes—Others Not Judged

Jas. Dargavel and Priceville Fox Co. also Showing

Three black fox breeders in this district, Priceville Fox Co., Saugeen River Fox Ranch, Karstedt Bros. of Priceville and Jas. Dargavel of the Rock Mills Fox Ranch, are showing their stock at the Royal Winter Fair being held in Toronto this week. The judging of the foxes had not all been completed Tuesday evening and we have been unable to secure all the winnings. Karstedt Bros. sent down three foxes and secured 4th prize for black adult female, 9th for dark silver male and no return was received on the third fox up to the time we went to press. Mr. Dargavel sent four foxes down, two adults and two pups. The Royal fox show is one of the largest on the continent and foxes are shown all the way from Prince Edward Island the home of most of the original stock. To receive the prizes as mentioned above is quite an accomplishment. About five hundred foxes are being shown at the Royal fair.

Mr. S. E. deCudmore sent down an exhibit of Light Sussex and Silver Grey Dorking fowl.

IN MEMORIAM

JOHNSON — In loving memory of our dear daughter, Nellie Johnston, who departed this life on November 17th, 1925.

We loved her, yes we loved her,
But Jesus loved her more,
And he has sweetly called her
To yonder shining shore.
The golden gates were opened,
A gentle voice said come,
A gentle voice said come,
Lovingly she bade farewell
And calmly entered home.

SLED — McFADDEN

At the parsonage of First Avenue United Church, Orangeville, on Wednesday, November 10th, 1926, by the Rev. E. W. McBrien, Annie Mary McFadden, daughter of Mr. Robert Waller of Flesherton to John Thomas Sled of Flesherton.

During the past year Canada shipped 141,995,286 bushels of wheat to the United Kingdom via United States ports. To other foreign ports Canada shipped 179,000 bushels of wheat via United States ports and 56,406,715 bushels via Canadian ports. Canada will never be contented until a very much larger percentage of her wheat is shipped from her own ports.

Last year only one passenger lost his life as a result of a railway accident in Britain. More than 1,700,000,000 passengers travelled on the trains, so that the risk of fatal accident is almost negligible. And since 1919 British air transports have flown 4,563,000 miles with only four deaths to passengers, although last year 67,329 passengers tempted the air in the flying machines.
