Mr. Jack Neilson of Proton Station brought into The Advance office on Tuesday a very fine specimen of the arctic owl. It measured five feet, three inches from tip to tip of its wings and was shot after it had succeeded in carrying off a full grown Plymouth Rock hen. Mr. Emerson Thompson of town also shot one last week which measured four feet, eleven inches in width. No doubt in part the scarcity of rabbits and partridge can be attributed to these white marauders.

WATSON BROS. SUFFERED BIG LOSS — NO INSURANCE

Fire broke out in the planing and chopping mill of Watson Bros., at Priceville early Saturday morning, and the building was completely burned to the ground with all the contents. The loss will be very heavy to the young men, as there was no insurance on the building or contents.j

During the past year considerable improvements had been made and several hundred dollars had been spent on new machinery and tools. The machinery included a complete choppling outfit, a saw mill and planer. We understand that Watson Bros. Will commence at once to rebuild and instal a chopper to care for the big business they had enjoyed. In the meantime most of the chopping is being done at the Flesherton mill for the farmers east of Priceville.

CHARACTER BUILDERS' CLUB

The basement of Chalmer's church was the scene of a lively and energetic meeting on Monday night, when forty boys of the village and community met under the supervision of Mr. T. W. Findlay and formed for the winter months what wil be known as the character builders' club. Mr. Findlay has received the permission of the board of stewards of St. John's United Church for the use of the basement of Chalmer's church one night a week to hold meetings such as this. The idea of the club is to improve both the physical as well as the moral side of the boys' character by gymnasium work and games and community singing from time to time. Two captains were chosen and the boys were divided into blues and reds and a contest formed which lasts until the end of January. The winners purpose challenging the young girls of the village to a progressive crokinole contest. The boys have also taken on a baseball game and have formed a league and purpose playing one game each week. There will no doubt be some small expenses in running this club and Mr. Findlay wishes to give an opportunity to any person who feels like helping the building up of chaarcter in our boys, the chance to contribute a small amount toward it. Charles Haw, secertary.

SENT MOOSE HAM HOME

Mr. and Mrs. L. A. Fisher had a nice little present sent them from the north country last week by their son, Clarence, of Gogama. This was in the form of fine quarter of moose, which he had shot. Mr. and Mrs. Fisher generously provided their neighbors, and The Advance man also came in for some nice steak. It was certainly a treat, and we thank the donors.

Big Crowd at Concert

The Flesherton high school pupils held their annual concert on Friday evening last, Nov. 26. Although the night was stormy, the auditorium was packed. Some of the main features of the program were: An instrumental duet by Misses Jean and Marion Stuart, a dance by Form 1 girls, dumbbell exercises by the boys, a song by Form 1, sung in French; a ballad dance by sixteen girls; Form 1 gave a play which was very amusing, entitled, "The Amateur." Then followed the play entitled "A Perplexing Situation," in which the moral was that a woman could, if she tried very hard, hold her tongue for half a day.

We must congratulate the pupils, teachers and all who helped in this concert, to make it a success. The proceeds amounted to $90. Dr. Murray acted as chairman.

WON MISS MacPHAIL'S PRIZE.

The prize of a beautiful large landscape picture awarded by Miss Agnes MacPhail, M.P., to the public school winning the largest number of credits at the school fairs went this year to Union School Section Number 2, Holland and Euphrasia. This was in competition with all schools of Grey County, U.S No. 2 and its energetic young teacher, Miss Ray Stewart of Markdale, is justly proud of its success. This school also won the group prize of the two books, also awarded by Miss MacPhail to the school winning the greatest number of points at the school fair held at Markdale in connection with the fall fair held there.

IN MEMORIAM

BEST—In loving memory of my dear husband, Allie Best, who departed this life December 3rd, 1925.

God is good; He gives us strength
To bear our heavy cross;
He is the only one who knows
How bitter is our loss.
I miss you at a thousand turns
Along lifes' weary way,
For life is not the same to me
Since you were called away.
You do not know the sorrow
To be left alone,
Until God sends a message
To your own home.
Sadly missed by —WIFE.
