Character and Individuality in Banks

BANKING FIFTY YEARS

In the course of development of a banking business, policies are formed, habits maintained, and methods practiced, which are peculiarly and intimately connected with the institution that gave them birth. It is these things that give a bank individual character that influences a man in making his financial affiliations. In offering our services, we solicit your enquiries regarding Standard aBnk policies as affecting your own business.

50th Wedding Anniv. for Artemesia Couple

Mr. and Mrs. Geo. Pritchard of Vandeleur Receive the Congratulations From Many Friends

A happy event occurred at Vandeleur on Saturday last, Christmas day, when Mr. and Mrs. George Pritchard celebrated their golden wedding. Fifty years ago Mr. and Mrs. Pritchard were married at Blantyre, Ont., by Rev. Mr. Stevenson, pastor of the Presbyterian church. This esteemed couple have been residents of Vandeleur for over forty years. They have raised a family of three—Rev. R. G. Pritchard of Neepawa, Man., Mrs. R. Richardson of Flesherton, Mrs. Wm. Reed of Lapeer, Michigan. There are also five grandchildren. All were present excepting Rev. R. Pritchard and family, for the family reunion dinner.

In the evening Mr. and Mrs. Pritchard entertained the pioneer neighbors to dinner. After a toast to the bride and groom of fifty years, to which Mr. Pritchard replied very suitably, a pleasant evening was spent in music, singing and readings, and several addresses were given by the old residents who were present, expressing their good wishes and congratulations to Mr. and Mrs. Pritchard. Then all present sang "God be with you 'till we meet again."

Mr. and Mrs. Pritchard were the recipients of some beautiful gifts, among them being a purse of gold from their children. The address and presentation were made by their grandson, Master Billy Reed of Lapeer, Mich. Those present from a distance were: Miss Clarke, Mrs. J. A. Clarke and two daughters, of Thornbury; Mr. and Mrs. Jos. Armstrong, Markdale; also Mr. and Mrs. W. Reed and sons of Lapeer, Mich.

Dr. Jamieson for the Liquor Board

Durham Chronicle

Where there is a lot of smoke there must be some fire, and on this hypothesis there must be something in the persistent rumors that Hon. Dr. Jamieson of Durham, formerly member of the Legislature for South Grey, is to be offered a big position by the Government. Last Saturday's Toronto Globe says that it is stated he is slated for a membership on the Liquor Commission, with the probability of being offered the Chairmanship.

Dr. Jamieson himself is not talking on the matter, but it is the opinion of those who know him best both in South Grey and Toronto, that Premier Ferguson could not make a better choice for this important position, made necessary by the recent voting throughout the province favoring government control. Dr. Jamieson is a man of vast experience and great knowledge is a temperance man in the truest sense of the word, and we know of no one who could handle a position of this size with more credit to himself and the Government. His fitness for the position is recognized by both supporters and opponents in this part of the country, and his experience in business life and in the handling of men would be of great value to any government about to embark on such a new venture as Government Control. The Control policy in the distribution of liquor is to be a strict one, and it will require a pood man at the head of things. To our mind, Dr. Jamieson is the man, and we will be pleased to hear of his appointment.

A PROTEST

We, the balance of the sommittee and oficers of the Flesherton Tennis Club, wish to state to the public that we believe Mr. Findlay, as chairman of the committee, had the work done on the new tennis court in the park as cheaply and wisely as it was possible under existing circumstances.

Signed:

E. C. Murray,
A. Turnbull,
Mrs. E. C. Murray,
Mary I. Patton,
Mrs. A. Turnbull,
Mayme McTavish.

The above protest is in answer to some criticisms offered by Mr. Dan McTavish on nomination night and while not one dollar of the municipality's money was spent on the tennis court, yet this was all Mr. McTavish could bring against Mr. Findlay.

—THOS. W. FINDLAY,
Pres. Tennis Club.

J. M. Mitchell, Manager of the Oro Telephone Company, was found dead sitting at the switchboard by a subscriber who went to see what was the matter. He had evidently been dead about an hour.

The extent of injury to potatoes from rot at Mildmay was felt when a shipper there who recently consigned a car to the United States had the shipment returned on that account.

PROTON TAX DISPUTE

In connecton with the taxes of Proton township for 1924 a difference arose between the treasurer, R. D. Armstrong, and the tax collector, Jno. Aldcorn, as to the amount of money paid by the collector to the treasurer. There was discrepancy of $345 somewhere. The treasurer sued the collector for the amount alleged to have been short and the long-delayed case was heard by Judge Sutherland at Owen Sound on Tuesday. The decision was given against the plaintiff, who will be required to make good the $345 and the costs of the case. C. R. McKeown acted for the plaintiff and W. D. Henry for the defendant.—Dundalk Herald.

Two Toronto men cut 200 evergreen trees from farms near Orangeville and took them to Toronto for sale as Christmas trees. The men were captured and had to make restitution and pay costs. One of the losers got $50 for 70 trees. It was rather a lean Christmas for the two enterprising employees of Santa Claus.
