S. S. No. 7

The Hallowe'en party and Junior Red Cross meeting held by Mrs. Stewart and her pupils Friday afternoon was well attended by mothers and pre-school children, with George Service as chairman. The business part of the meeting was followed by the parade and judging of costumes. Mrs. Stan. Robinson, Mrs. Walter Freeman and Miss Minnie Frank acted as judges and chose Dom McMillan, a negro as first and Hazel Kennedy, a witch, as second. They remarked on the beauty and originality of all the costumes. Little Donna McMillan as Bo-Peep deserved honorable mention. Games were played and a Hallowe'en trick "Do you want to see the Queen of Sheba?" was played on the guests by the children. A game of soft ball was played while Mrs. Stewart and several mothers prepared hot-dogs for lunch. After these were disposed of, everyone received a few candies, daintily arranged in orange and black color scheme. The mothers always enjoy this afternoon each year with the children and their teacher.

Following a stroke on Monday of last week, Mr. Robert Moore passed away at his home Friday afternoon. Up to the time of his sudden illness he had enjoyed good health, and had been up at his son's farm above the village during the forenoon. His death has cast a gloom over the community where he was so well known. The funeral was held from his late residence Monday, and was largely attended, many coming from a distance. Rev. John Ward conducted the service. A number of floral wreaths bore testimony to the high esteem in which the deceased was held. The pall-bearers were members of the United Church session, of which he was a member and officers of the session were honorary bearers, and the floral wreaths were carried by seven young men, among whom were Harwood and Andy McLeod, nephews. Interment took place in Rockwood Cemetery.

Late Saturday night or early Sunday morning, Hallowe'en pranksters left plain evidence of their depredations about the village, and some very dirty work was done at the Public and Continuation Schools and other damage. A few signs were also disturbed and down Valley Road a number of street lights were put out. If such characters cannot or will not learn to leave private and public property alone they are putting themselves in a bad light before their fellow citizens, and also goes to show the great lack of discipline in the homes of our youths who are supposed to be men of to-morrow. Is it any wonder that religious instruction has to be conducted in schools of the present day, when it should be conducted at home by the parents on behalf of the children?

· Remembrance Day November 11th

The local branch of the Canadian Legion is making its annual Poppy Day appeal to the people of this community Saturday. The Poppy Fund is now a recognized institution wherever the Canadian Legion exists in Canada, and it serves a two-fold purpose of much merit. The money which is raised by the distribution of the Poppy—the symbol of sacrifice—is used entirely to relieve unusual distress among War Veterans of the last War and the present conflict, and their families. At all times it has been found that the Veterans, in view of the fact that many of them have disabilities and handicaps, suffer even more than others who are out of employment, since many of them require special care and attention which they are unable to provide. This is where the Poppy Fund, raised through the sale of Poppies by the local Branch of the Legion, steps in and provides relief for the situation.

There is another reason why every citizen should wear a Poppy for Remembrance Day. These Poppies are manufactured in the Vetcraft shops of Canada, workshops in which handicapped Veterans are given sheltered employment, and in which they manufacture the hundreds of thousands of Poppies which are distributed every year at this time. By wearing a Poppy, citizens can find much satisfaction in knowing that they are helping these handicapped Veterans to obtain a livelihood which they would otherwise lack on account of their special disabilities.

This two-fold appeal should find a ready response in the hearts and minds of the people of this Community, which has always been ready to make the way easier for those of its citizens who served Country and Empire in the Great War, and in this present conflict. We commend it to your sympathetic consideration, in the hope that you will respond generously and thus help to hold the torch flung to you by those who did not come back.
