What We Have to Offer

NO ONE chartered Bank in Canada has anything greater to offer the business community than its contemporaries unless it be in the character of the service it renders. During the half century of its life, the Standard Bank has developed a distinct individuality through the kind of service maintained in its daily transactions. The commercial aspect of this individuality is found in the many unique services for which the Standard Bank is peculiarly equipped.

In mentioning last week the accident to Miss Marion Stuart we gave the name of the medical attendant as Dr. Turnbull. It was Dr. Bibby who attended the young woman. Her wound is getting along nicely under his care. Her high school studies are also being attended to by her teachers, so that the handicap will not be so great as it was feared.

The landscape on Sunday morning last was like a picture from the Arabian Nights Entertainment, with hoarfrost covering trees and wires. When the sun shone upon it it rivalled anything ever seen in the way of brilliancy. It covered telephone and electric wires so thickly that they appeared to be about an inch in diameter. The effect was very beautiful, but a short time after the sun came upon the scene all the beauty fell to earth in the form of fine snow and the crystal palaces, ropes and festoons were no more. The sun had defaced the dream landscape and the wonderful works of the Genii were destroyed.

First Hockey Game

The first hockey game of the season was played in the local rink on Friday evening last between Proton and Flesherton, the local sextette coming out ahead 3-1. Some good hockey was dished up, considering that it was the first of the season, and at times the passing of the local forward line, McDonald, Nuhn and Boyd, was a treat to watch. McDonald scored the first goal on a beautiful shot that didn't give the Proton goalie a chance to save. Reg. Boyd then counted the other two and played a very capable game. Dick Phillips and J. Dow teamed up well on the defence, and Proton hardly had a good chance to score. With but six minutes to go in the second period, Phillips was cut on the face by a skate while in a mix up, and one stitch was required to close the wound. Thurston played his first game in goal for several years and gave a good account of himself, although the easy shot from Wyville's stick at the close of the period eluded him.

The Markdale Juniors came down the same night for a practice game, and also played two periods, the first with Proton and the second with Flesherton. The first ended in their favor three to one, and the second with the locals two to one, Flesherton's lone goal coming on a nice individual effort of John Nuhn when he stick-handled his way through the whole Markdale team to tally.

The Flesherton team was composed of: Goal, Thurston; Defence, Phillips and Dow; Centre, Nuhn; Left wing, McDonald; Right Wing, Boyd; Sub, Armstrong.

Hockey Next Week

The Markdale high school will play the local juniors Tuesday evening, Jan.18. Game called at 8 p.m. Do not fail to see this. Admission 25 and 15 cents, including tax.
