[illegible] by successfully [illegible] the proprietors of Ayer's Cherry Pectoral. [illegible] "Some time in the fall of 1890, I was taken down with a severe cough, followed by pain in the lungs, which became so severe I was compelled to give up my practice. This condition lasted for nearly two years, during which time I had a constant, hard, tight cough, which would keep me awake nights, and greatly reduced my flesh. I was finally induced to try Ayer's Cherry Pectoral. After taking this medicine for three months I was entirely well, and have remained good to this day." — James Ireland, Darien, Conn.

"Three years ago, on a passage home from California, by stage, I contracted a severe cold that for some days I was confined to my state room, and a physician pronounced my life in danger. Happening to have a bottle of Ayer's Cherry Pectoral, I used it freely, and my lungs were soon restored to a healthy condition. Since then I have invariably recommended this preparation." — J. H. THE POET'S CORNER.

Young Scribbler is full of wonderment
To know the reason why
The poem he sent so hopefully
Brought back each curt reply.

The editor wrote, with brevity,
And with a touch of scorn:
"It's fellows like you that make a man
Regret he's ever been born."

But here is the cause—the poem read
"An Ode to gentle Spring,"
And it chanced the day it was received
To snow like everything.

HORSE YALK.

Don't ask me to "back" with blinds on. I am afraid to.

Don't lend me to some blockhead that has less sense than I have.

Don't think because I am a horse that iron weeds and briers won't hurt my hay.

Don't be so careless of my harness as to find a great sore on me before you attend to it.

Don't run me down a steep hill, for if anything should give away I might break your neck.

Don't think because I go free under the whip I don't get tired. You would move up if under the whip.

Don't put on my blind bridle so that it irritates my eyes, or so leave my forelock that it will be in my eyes.

Don't whip me when I get frightened along the road, or I will expect it next time and may be make trouble.

Don't hitch me to an iron post or railing when the mercury is below freezing. I need the skin on my tongue.

Don't keep my stable very dark, for when I go out into the light my eyes are injured, especially if snow be on the ground.

Don't leave me hitched in my stall at night with a big cob right where I must lie down. I am tired and can't select a smooth place.

Don't forget to file my teeth when they get jagged as I cannot chew my food. When I get lean it is a sign my teeth are falling.

You've tried Dr. Pierce's Favorite Prescription have you and you're disappointed. The results are not immediate.

And did you expect the disease of years to disappear in a week? Put a pinch of time in every dose. You would not call the milk poor because the milk doesn't rise in an hour? If there's no water in it the cream is sure to rise. If there's a possible cure, Dr. Pierce's Favorite Prescription is sure to effect it, if given a fair trial. You get the one dollar it costs back again if it don't benefit or cure you. We wish we could give you the makers' confidence. They show it by giving the money back again, in all cases not benefited, and it'd surprise you to know how few dollars are needed to keep up the refund.

Mild, gentle, soothing and healing is Dr. Sage's Catarrh Remedy. Cures the worst cases permanently. No experimenting. It's "Old Reliable." Twenty-five years of success.

"August Flower"

The Hon. J. W. Pennimore is the Sheriff of Kent Co., Del., and lives at Dover, the County Seat and Capital of the State. The sheriff is a gentleman fifty-nine years of age, and this is what he says: "I have "used your August Flower for several years in my family and for my "own use, and found it does me "more good than any other remedy. "I have been troubled with what I "call Sick Headache. A pain comes "in the back part of my head first, "and then soon a general headache "until I become sick and vomit. "At times, too, I have a fullness "after eating, a pressure after eating "at the pit of the stomach, and "sourness, when food seemed to rise "up in my throat and mouth. When "I feel this coming on if I take a "little August Flower it relieves "me, and is the best remedy I have "ever taken for it. For this reason "I take it and recommend it to "others as a great remedy for Dyspepsia, &c."

BY LEADS THE LEADERS.

The foremost medicine of the day, Burdock Blood Bitters, is a purely vegetable compound possessing perfect regulating over all the organs of the system and controlling their secretions. It so purifies the blood that it cures all blood humors and diseases from a common pimple to the worst scrofulous sore, and this combined with its unrivalled regulating, cleansing and purifying influence on the secretions of the liver, kidneys, bowels and skin, render it unequalled as a cure for all diseases of the skin. From one to two bottles will cure boils, pimples, blotches, nettle rash, scurf, tetter, and all the simple forms of skin disease. From two to four bottles will cure salt rheum or eczema, shingles, erysipelas, ulcers, abscesses, running sores, and all skin eruptions. It is noticeable that sufferers from skin diseases are nearly always aggravated by intolerable itching, but this quickly subsides on the removal of the disease by B. B. B. Passing on to graver yet prevalent diseases such as scrofulous swellings, humors and scrofula, we have undoubted proof that from three to six bottles used internally and by outward application (diluted if the skin is broken) to affected parts, will effect a cure. The great mission of B. B. B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action of the stomach and to open the sluice-ways of the system to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail bad blood, liver complint, biliousness, dyspepsia, sick headache, dropsy, rheumatism, and every species of disease arising from disorder of the liver, kidneys, bowels, stomach and blood.

We guarantee every bottle of B. B. B. Should any person be dissatisfied after using the first bottle we will refund the money on application, personally or by letter. We [illegible] pamphlets and information [illegible] the [illegible] testimonials on application to T. Milburn & Co., Toronto, Ont.
