The Business of Agriculture

FARMING is more than an occupation; it is a highly commercialized business which requires careful planning and thoughtful execution. Bountiful production is necessary, but much effort is wasted unless the business of disposing of the year's output is properly managed. In conducting the business of the farm the Standard Bank can play a prominent and useful part. Consult the manager and learn how true co-operation between banking and agriculture builds a more prosperous community.

Mr. David Dow of town, who has been ill for some time with what Dr. Bibby diagnoses as sleeping sickness, passed away on Monday evening at the age of 61 years. ADDITIONAL LOCALS

Many residents of this neighborhood will remember Mrs. E. S. Rupert, wife of the late Rev. E. S. Rupert of that name, who, 30 years ago, was pastor of the Methodist church here. Mrs. Rupert has in recent years, since the death of her husband, been residing in Toronto, where she passed away on Sunday last.

Miss Donelda Sloan of Eugenia, who is attending high school here, had the misfortune to sprain her ankle on Monday evening. This is very unfortunate, as the injured member is extremely painful, and examinations are on which give the pupils a standing in their classes. We hope the young lady will not be handicapped by being out of school for any great length of time.

New England weather, as described by Mark Twain, has nothing on Ontario weather, to use a common expression. Wednesday of last week gave us 22 degrees below zero at 8 a.m. From that it graded up until on Friday and Saturday April weather prevailed, with south winds and rain. Saturday night it rained for hours, but Sunday found things frozen up again and streets slippery with ice.

One of the most largely attended sales for some time was held Monday of the farm stock, implements, etc., of Mr. James Ferris, who is moving to Toronto. Prices realized were real good. Cows went around $80, a team of horses at $130 and the implements also went at a fair price. Alfalfa hay reached the high price of $20.50 and $21 per ton, while timothy brought nearly that price. Mr. Wm. Kaitting was the auctioneer.

Our rural readers will be specially interested in learning that Samuel L. Squire, Deputy Minister of Highways, who some time since gave an admirable address in Flesherton on Statute Labor abolition and the extension of government aid to keep up the thoroughfares, has resigned and will enter on private business. Mr. Squire will be succeeded, meantime, by the Chief Engineer of the Department, Mr. R. M. Smith.

Geo. Hammill, B.A., well known to many of our readers as one-time Principal of Collingwood Collegiate Institute, died last week in Victoria, B.C. After he went West he was in business in Carstairs, Alta., but went to the coast some years since.

Mrs. O. Irwin Dies

Mrs. Oliver Irwin of Kimberley passed away in the Toronto General Hospital on Saturday last at the age of 75 years, from blood poisoning, contracted a few days previously. Mrs. Irwin was a native of this township and married the late Oliver Irwin, who predeceased her nine months ago. She leaves one son, Robert Irwin, of Toronto, who attended the funeral, which was held on the arrival of the noon train on Monday, interment taking place in Flesherton cemetery. Some years ago Mr. and Mrs. Irwin managed the Park Hotel in Flesherton, but of late years they resided at Kimberley, where they catered to the travelling public. Mrs. Irwin was an ideal hostess and a woman who was highly respected socially. The funeral on Monday was largely attended by old friends from both Kimberley and Flesherton. The deceased had been on a visit to Toronto at the time of being taken ill and her demise was a great shock to her many friends.

W. I. 25th Anniversary

The Flesehrton branch of the Women's Institute celebrated their 25th anniversary in Chalmer's Church on Friday evening of last week, January 28th. Mrs. O. W. Phillips, the present President, occupied the chair and a short program was given, consisting of solos by Mr. Hardwick and Miss Mitchell, reading by Mrs. H. Down and community singing. Mrs. Robt. Best, the first President of the Institute, read a paper which she had given at the first organization meeting of the W. I. Mrs. W. Stewart gave an interesting synopsis of the first meeting of the Women's Institute, which were then held in Mr. Armstrong's office.

The chartered members were then presented with a bouquet of carnations by the Secretary, Mrs. Ed. Best, on behalf of the Women's Institute. The charter members are:

Pres.—Mrs. Robt. Best.
Vice-Pres.—Mrs. W. Stewart.
Sec.-Treas.—Mrs. A. Stewart.

Mrs Price Teeter, deceased. Her bouquet was sent to Mr. Teeter, who is in Owen Sound hospital at present.

A good time was then spent in games and speech-making, after which lunch was served. The National Anthem brought a very pleasant evening to a close.—Com.

Presented Jas. Ferris With Fountain Pen

A meeting of Ceylon Farmers' Club No. 403 was held in Clayton's hall on Tuesday evening of last week, when the most important item of business was a presentation to Mr. James Ferris, who was the President of the Club, who resigned on his removal to Toronto. On behalf of the members of the Club Mr. W. A. Beaton read a short address to Mr. Ferris and Mr. E. Wickens presented him with a Waterman's fountain pen and pencil in case. The Club regrets losing Mr. Ferris, as he was always a willing helper in the interests of the organization and wish him and his family health and prosperity in the new home. Mr. G. Campbell and W. A. Beaton gave a report of the convention which was held in Toronto. On account of the vacation of the President's chair Mr. Geo. Campbell was appointed to fill that office and Mr. Chas. Stewart was appointed as representative on the Shipping Association.
