COUNCIL BY WARDS

On Saturday afternoon of this week the nomination takes place for the vacancy of the ofifce of councillor in the township of Artemesia, necessitated by the resignation of Mr. T. L. Mercer, who was forced to resign on account of business affairs, which prevented him from giving the attention to Twp. matters through living so far from his division. Mr. Mercer was a good man in the Council and his resignation was much regretted. This brings up the matter of representation of the Township on the council board. At present the councillors are elected from the whole township and in parts there is no representation at all. Last year Mr. Mercer had to travel from his home near Markdale to the Priceville district to look after his division, and many times interferring with his business. Others have had to do the same in years past and others will have to in the future unless the system of representation is changed. No man is going to let council affairs interfere with his business, no matter what it is. The Advance is of the opinion that it would be better to have representation from wards in the township and each man up for nominaion would know what division he would have to look after if elected. That would mean that there would have to be two men nominated in each ward to have an election, if only one there would be an acclamation. We believe that it would be in the best interests of the township if such a course was adopted.

REMARKABLE PHENOMENON.

From the Burks Falls Arrow.

Last Wednesday morning we witnessed one of the queerest sights it has ever been our lot to see. With the thermometer registering about thirty below zero two cedar telephone poles within a few yards of the Arrow office door were gushing forth water from knot holes about a foot above the ground and the volume being exuded would be about that from an ordinary house service faucet when half open. At first we could not believe our own eyes. Then when we tried to account for it we could hardly credit our own conclusions.

What was happening was this: The water service leading into Sharpe's store had burst. The frozen ground was too hard for the water to force its way through so it was following the course of least resistance and flowed up the hollow butts of the telephone poles and found its way out through the knot holes. Before Commissioner Blakeley finally shut the water off the water forced its way ten feet up the inside of one of the telephone poles and flowed out from a knot hole high above one's head.

To wheel 33 miles in winter on a bicycle is an event worth mentioning. Harold Morton of Durham wheeled to Teeswater, a distance of 33 miles. The return trip was made in four hours. He said that the highway from Durham to Walkerton was in good shape.

Mrs. James Carson, Dundalk, is mourning the loss of her father, Mr. M. Wilson, an octogenerian resident of Albion Township, Peel.

Joseph Anderson, an 89 year old resident of Orangeville, fell on a slippery walk and broke his hip.

Alliston has a pair of robins wintering in that town. They add their songs to the cheeriness of sunshiny days.

Mrs. P. W. Webb of Duntroon died last week, leaving five children of tender age. Interment was made at Singhampton.

The Late Nellie Henderson

On Feb. 5, 1927, there passed away at the Western hospital, Toronto, Miss Nellie Henderson, daughter of the late Wm. and Janet Henderson, formerly of Flesherton, Ont.

Miss Henderson, who was born in Eramosa, Ont., sixty-five years ago, had been doing practical nursing in Rochester, N. Y., for some years, but was well known in and around Flesherton, where she lived and has since visited many times. Mrs. Henry Wright of Maxwell, Ont., is a sister, and she is also survived by two brothers—Peter of St. Catherines and George of Hartford, Conn.

Miss Henderson was a faithful member of the Central Presbyterian church, Rochester, N. Y., and also of the Aldridge Bible Class and the Scottish Women's Society.

The funeral was held in Woodstock, Ont., on Monday afternoon, Feb. 7th, to the Presbyterian cemetery, and was conducted by the Rev. R. W. Knowles, D.D., pastor of Central United Church, and was attended by many relatives and friends, who mourn her loss. Many beautiful floral offerings were contributed, showing the high esteem in which she was held.

UNITY U.F.W.O. CLUB.

The February meeting of Unity U.F.W.O. Club was held at the home of Mrs. Frank Genoe, Eugenia, on Wednesday, Feb. 2nd, with a good attendance. The President was in the chair and opened the meeting with singing and repeating the Creed in unison. The roll call was answered by "Do you take the Farmers' Sun? A letter of thanks was read from those who had received treats during illness. A splendid paper entitled, "How to cook a husband," was given by Mrs. Campbell, after which Misses Irene Walker and Eunice Gordon sang a duet, and Mabel Betts gave an instrumental, followed by community singing, and the meeting closed with singing the closing song. The ladies then played old-time games for an hour or so, when everyone enjoyed themselves immensely. A dainty lunch was served by the hostess. A hearty vote of thanks was tendered Mrs. Genoe, and the meeting adjourned to meet at the home of Mrs. A. F. Pedlar, on Wednesday, March 2nd.

CARD OF THANKS

We desire to express our sincere thanks to our many friends and neighbors for their kindness and for floral tributes, during the long illness and death of our beloved wife and mother.
