"I never knew it was so easy"

It was a red-letter day in old Mrs. Jones' life — the day she made her first Long Distance call. But she simply had to speak to her son before he went abroad!

The operator was sympathetic and helpful. She asked Mrs. Jones her telephone number, name, the city and the telephone number of the party she wished to reach. Mrs. Jones didn't know the number, so the operator looked it up for her.

After the pleasant experience was over, Mrs. Jones exclaimed, "I never knew it was so easy! Why didn't I do it before?"

There is nothing complicated about it. Just say, "Long Distance."
