Presbyterian S. S. Entertainment

Knox Church Sunday School held their annual Christmas entertainment on Friday, Dec. 18th. Supper was served to the children at 6.30 and a good programme followed of songs, recitations, drills, dialogues and a tableau. Mr. Harrison, Superintendent of the Sunday School acted as chairman for the evening and Rev. Mr. Davidson presented the banner to Miss Emma Baird's class for the highest average attendance at both church and Sunday school during the year. A visit from Santa Claus closed a most enjoyable evening.

The regular meeting of the B.Y.P.U. held on Monday evening, December 21st, took the form of a White Gift service. After the opening exercises were over, the service commission had charge of the program, with Mr. Wm. Chaplin acting as chairman. The prelude "O Come All Ye Faithful," by the pianist was followed by the 'Call to Worship' read by Wm. Chaplin. Several members dressed as shepherds, and another as Mary, posed as the scripture Luke 2: 1-30 was read by Miss Eva Harding, while Miss Lenore Wood played a musical accompaniment. Mrs. Blair and Miss Jean Blair sang a duet, accompanied by Mrs. P. R. Watson. Another portion of scripture was read from Matthew 25: 31-46 by Mr. David Ganton. An interesting topic on "Ye do it unto Me," was given by Mrs. W. Peck; followed by a short reading "The Christmas List" by Mrs. Watson. Santa Visits Georgetown

On Saturday afternoon last, the young members of Georgetown population and vicinity awaited the arrival of Santa at the Christmas Tree. For several hours the shouts and clamour of the young people filled the centre of the town and when at last the Lorne Rifles (Scottish) Band marched down Main Street, followed by the jolly old fellow himself, cries of joy made his welcome warm. To the delight of all present, from the youngest toddler to the fathers and mothers, Mickey Mouse, Krazy Kat and many of our prime favorites, some fifteen in all, lended the occasion. Not even Santa's stern policeman could restrain the overjoyed children, and Santa received a greeting that has never before been equalled. Thanks to the generosity of our Lions Club there were many satisfied little folk in Georgetown on Saturday afternoon.

Thanks is to be extended to our Ex-Mayor Mackenzie for donating the beautiful Christmas Tree, the Superintendent of the Hydro for the effective decorations, to the Lorne Rifles (Scottish) Band for supplying the music and to all others who so generously assisted. Santa's bag was heavily loaded this year as it required sixty-five dozen oranges, and two hundred and seventy-five pounds of candy to enable him to go the rounds.

Santa drew the lucky numbers for the Christmas raffle and the winners were as follows: turkeys—Reta Doyle, A. H. Feller, Ruth Goldham, Ed. Hicken, N. B. Hill, Bobby Lucas, Frank Petch, Mrs. Thos. Sykes, Mrs. Annie Watkins, all of Georgetown; Mrs. L. Wyles, 118 Concord St., Toronto; Joe McInerney and Mary Wheeler, both of Glen Williams, and W. Louth, Norval. Chickens—A. H. Feller, Mary E. Hicken, John Murphy, Margaret McLintock, Mary Paul, Bert Scott, Frank Tout, all of Georgetown and Bob Patterson of Stewarttown. Geese—Sol. Dewhurst, Ruth Goldham, Mrs. H. J. Heldman, Ed. Hicken, N. B. Hill, J. Leavitt, Bobby Lucas, A. Maclaren, Alan McDonald, Laurence Rayner, Chic Scott, all of Georgetown and J. M. Bergin of Ferguson.

THANKS

The members of the Georgetown Lions Club wish to thank all the citizens who so kindly contributed to the Community Christmas Tree draw which proved quite successful.

THE MEANING OF CHRISTMAS

What does Christmas mean to me,
A stocking full, or a Christmas tree;
A table set with choicest food,
A merry crowd in merry mood?

No; Christmas Day brings thoughts to me
Of the Christ the shepherds went to see,
The first of Christmas gifts to men,
The little Babe of Bethlehem.

Then as each Christmas Day draws near
His love within brings peace and cheer,
My heart is filled with thanks to God
For the blessed Saviour's cleansing blood.

For summer rain and winter snows,
And all the gifts His hand bestows,
For the knowledge now of sins forgiven
And eternal Christmas with Him in heaven.

REACHING THE GOAL

Consumption, as tuberculosis of the lungs is commonly called, is a wasting ailment; stubborn to master, requiring treatment and care over a long period of time. It can seldom be cured at home. Then, too, it is a communicable disease, especially dangerous to young children.

This was fully realized by the founders of the National Sanitarium Association, when forty years ago they erected the first hospital in Canada for the treatment of this disease.

This venture met with much opposition and even ridicule, for at that time it was firmly believed that tuberculosis was incurable. It was just one of those things which had to be, so why bother about it.

However, it was not long before the regimen of this small hospital began to show results—people were actually being cured—going home and talking about it.

Such was the small beginning of the Muskoka, the Toronto and the Queen Mary Hospitals for Consumptives, which now provide for more than one thousand patients.

The progress made and the change in outlook is reflected by these and the many other fine sanatoria throughout the Dominion, and by the large number of public and private organizations which today are sparing no effort to overcome tuberculosis.

The results have been that thousands upon thousands have been given a chance to get well, who but for hospital treatment, would have been left without hope, and the mortality from this disease has been reduced by 75%.

With tuberculosis ousted from the premier position to seventh place as the cause of death, there is cause for congratulation, but there is also the danger of the feeling of self complacency and the slackening of effort. With the goal in sight, this would indeed be a calamity, for tuberculosis will not halt its advance unless it is forced to do so. This can only be accomplished with the continued cooperation of the public at large.

The Trustees of the Muskoka, The Toronto and the Queen Mary Hospitals for Consumptives are determined that, so far as lies within their power, no one who suffers from tuberculosis shall be denied a chance to get well. If you would help in this great life-saving work, please send a gift to National Sanitarium Association, 223 College Street, Toronto
