Findlay's Baby Special Goes to Eugenia Couple

Mr. and Mrs. Robert Laughlin of Eugenia are the parents of the lucky baby to win Findlay's high chair for the first baby born in this community in April. This is the second year that the Eugenia section has won the prize, Ceylon district winning it last year. Each year the competition is getting keener. The first year the baby was born on the 17th of April, last year it was the 7th and this year on the 3rd. Mr. Findlay is very pleased to see the unselfish spirit manifested by the village people in, as usual, being willing to have the special go to outside points rather than keep them in the village, but he promises to put on something soon just for the village people. Some good natured criticism has been offered in Mr. Findlay only advertising the competition two weeks ahead. In order to clear himself from any blame Mr. Findlay wishes it understood that this is an annual affair, taking place on the first day of April each year, and he now feels sure there will not be any advantage taken on anybody in the future.

Village Council Sends Protest on Power Grab

Flesherton village council met on Monday evening with all the members present. Communications were read from the Hydro Electric Power Commission, re fund retained for stabilization purposes, and from the Municipal Electric Association re Georgian Bay Canal. An account was rendered from J. O. Patton of $17.25 for snow plowing the streets.

It was moved by C. N. Richardson, seconded by G. B. Welton, that the council of the Municipality of Flesherton respectively urges the Parliament of Canada not to renew the charter of the Montreal, Ottawa and Georgian Bay Canal Co., known as Bill No. 78, as in our opinion this Bill is not in the interest of the Province of Ontario, as it is an attempt to deprive the people of this Province of their right to the powers to be developed from the water of the Ottawa river, and further, that this charter has been in existence for 33 years, and no actual construction has taken place, and we believe the renewal of this charter would be contrary and prejudicial to the public interest. Carried unanimously.

Welton — Freeman — That the attention of the Minister of Public Works be called to the condition in which they left the sidewalk at the swamp at the south end of the town, and he be asked to have the sidewalk replaced at an early date.—Carried.

Welton — Phillips — That the account of J. O. Patton for snow plowing and gravel, $17.25, be paid. — Carried.

Welton—Phillips—That two notices be printed to stop people from taking sand and gravel from streets, also a notice in the paper.—Carried.

Richardson — Freeman — That F. H. W. Hickling be refunded $7 on account of overcharge in taxes.—Carried

A deputation was present asking the Council to grant $75 towards decorating the town for a two-day celebration the first and second of July. This was left in abeyance for the next meeting.

Part of the evening was given over to a program arranged by Miss Kate MacMillan. Old-time songs, recitations, duets and a mock marriage to the strains of the Wedding March played by Mrs. Percy Hunt. The bride was attired in white organdie, the train being carried by two flower girls, Misses Bessie Cairns and Janet McLeod. The mothe of the bride, Mrs. Frank Cairns wore black crepe; Mrs. A. E. Haw, a poor relation, brown lustre. The ceremony was performed by the pastor, Mr. Jackson of Toronto, after which Miss Mary Stewart of Ceylon sang "Put on your little grey bonnet." An address was read by Mrs. J. K. McLeod, and the bride and groom were presented with a wicker fern box an smoking set. Mr. I. B. Whittaker, the only member of the family present, made a suitable reply. A cablegram of congratulation from their son, Wellington, of Paris, France, was received. The orchestra, Messrs. A. E. Haw, W. MacMillan, D. McLeod and Geo. Cairns, accompanied at the piano by Mrs. Geo. Cairns and Roy Piper, supplied excellent music. Dancing and games were enjoyed and a bounteous lunch was served. All joined in singing "Auld Lang Syne" and "Home, Sweet Home."

Mrs. Hannah Whewell Passes Away in U.S.

Mrs. L. A. Whewell of Griffin, Saskatchewan, passed away on Friday last, following an operation, at the Mayo Institute, Rochester, Minnesota. Her death comes as a great shock to her many friends in this vicinity, as only a few months ago she visited here with friends and relatives and was apparently in the best of health. The deceaed lady was 49 years of age. She wss born in Artemesia and was the youngest daughter of the late Charles Stafford of the 4th line, Artemesia. For a number of years she taught school in this district and later married Mr. Louis A. Whewell, who survives her, together with a family of two boys and two girls, the eldest 16 years of age, and the youngest 8. Besides her sorrowing family she leaves two sisters and two brothers—Mrs. Wm. Wright of Maxwell, Mrs. (Dr.) Ottewell of Flesherton, Charles and James of Artemesia. Mrs. Ottewell left on Saturday for Griffin, where interment will be made. Mrs. Whewell was a most estimable and lovable character, and her passing will be a heavy blow indeed to the family and friends. The Advance was proud to number her on its list of most esteemed friends, and tenders its warmest sympathy to the grief-stricken family.

Several Buggies Collide

Saturday evening there were a couple of accidents of buggies colliding while travelling in or near the town, that were not serious. On the station road west of town, the buggies driven by Hazzard and Wifred Lever locked wheels and stopped, both horses walking from underneath the harness. Lever's buggy shafts were broken and other minor damage done. Both horses were caught before they went far.

North of town another case occurred when Mr. N. Smith of the Meaford Road was coming into town with produce, when Councillor J. Davis' outfit suddenly loomed up and both struck before they could turn out. Both horses also left their harness behind and the shafts were broken on both buggies. The eggs in Mr. Smith's buggy, we understand resembled a scrambled omelet.

After securing the needed gasoline supplies at McTavish's garage, Ray Genoe of Eugenia turned his car to come up town, and just as he got part way over Mr. J. Dargavel's car struck the front wheel of the car and bent it and the axle out of shape. Mr. Dargavel did not see the car as it started to cross the road and he was right on top, too late to avert the accident. The latter car had a dinged fender, but otherwise the damage was slight.
