The Business of Agricultnre

Farming is more than an occupation; it is a highly commercialized business which requires careful planning and thoughtful execution. Bountiful production is necessary but much effort is wasted unless the business of disposing of the year's output is properly managed. In conducting the business of the farm the Standard Bank can play a prominent and useful part. Consult the manager and learn how true co-operation between banking and agricultue builds a more prosperous community.

THE LATE MRS. HINCKS.

On Wednesday, April 20th, there passed away one of the pioneers of the district in the person of Mary Ann McNea, wife of the late Alfred Hincks. Deceased was born near Belfast, Ireland, Dec. 28th, 1849, coming to Canada with her parents when an infant, being one of a family of eleven, of whom eight are living. They settled on the west backline, Artemesia, and there she grew up, acquainted with all the privations and toil which confront the settler in a new country. On March 7th, 1874, she was married to Alfred Hincks of Egremont township, and to them were born a family of eight children, two of whom are living—David Thomas, of the 2nd concession of Artemesia, and Meada Mabel (Mrs. Donald McKinnon,) Inverma y, Sask. The children who died were: Ida, aged two years, in 1879; Andrew, aged six and a half years, in 1880; and Wm. G., aged ten months, in 1880, and three infants. They lived for some years in Egremont and Nichol townships. In 1883 they moved to the South Line Glenelg (the place now owned by Mr. Hugh McKinnon and son) where they lived for a number of years, later moving to Priceville, where Mr. Hincks passed away eight years ago. The deceased lady remained in her own home for some years, afterwards going to her son's home in Artemesia, where she died.

The funeral was held Friday, April 22, to McNeil's cemetery, Priceville, Rev. Mr. Annan, of Dundalk, assisted by Rev. Mr. Sutherland of Priceville, conducting the service. The pallbearers were Norman McIntyre, Hector McEachern, Thos. Nichol, Hector McLean, Laughie McKinnon, Wm. McLeod.

Cemetery Will Be Completed This Year

A meeting of the plotholders of Flesherton cemetery was held on Friday evening in the town hall, when matters pertaining to the cemetery were thoroughly gone into. It was decided to complete the work of improving and beautifying the cemetery, which was begun last year, and for this purpose a special levy on the plotowners of three dollars will be imposed this year. It is believed that a charge of this amount will complete the good work.

Presentation and Address

A very pleasant evening was spent in the hall of L. O. L. No. 1085, Feversham, on Tuesday, March 29, 1927. The meeting was called for the purpose of presenting Mr. Thos. Conron with a purse of money and address from the subscribers of the Osprey Municipal Telephone System. Mr. Conron has operated the Central switchboard here at Feversham for some six years, aand judging by the crowd that filled the hall to the limit his services had been appreciated, and he is held in the highest esteem by all. Mr. Wm. Kaitting acted as chairman in his usual jolly manner and requested the Feversham orchestra to start the evening with music, and they sure gave some fine music with Mr. Ken Boyd at the organ, Mr. John Robinson on the traps and Mr. Ivan Alexander the banjo, Mr. Clarence Findlay and Mr. John New sang a couple of songs in good style. Mr. James Davidson gave some Scotch songs that sure were fine. Miss Dorothy Robinson assisted at the organ. Mr. A. J. Cameron gave a recitation, Our Flag, which was warmly applauded. Mr. Wm. Esland, guitar; Mr. Ern Brownridge on the violin and Miss Leta Essland at the organ gave several selections which were enjoyed.

The chairman then requested Mr. Conron, Mr. Stewart McMullen and Mr. Clarence Alexander to come on the platform where Mr. McMullen presented Mr. Conron with a well filled purse of money, while Mr. Alexander read the following address:

Dear Mr. Conron,

We the subscribers of the Osprey Municipal Telephone System, have gathered together to enjoy a social evening with you, prior to your leaving us.

You have always proved a good citizen in every way and we regret seeing you go. We have valued your services very highly and we hope that in the future you will have every success as you have had in the past.

We appreciate the fact that we cannot fully repay you for your many kindnesses, but we ask you to accept this small token as a mark of the esteem in which we hold you.

Signed on behalf of the Subscribers of the Osprey Municipal Telephone System. John Weldrick, Kenneth Kaitting.

In a few well chosen words Mr. Conron thanked all for the token of esteem and assured them he would always keep a warm spot in his heart for each and all. All then rose to their feet and sang "For He's a Jolly good fellow. and nobody can deny." After this the ladies passed cake, sandwiches and tea to all.

Buy an Asbestos Roof and save Money

MANY people think Asbestos roofs are expensive. But such is not the case. A roof of Johns-Manville Flexstone Asbestos Shingles, though a trifle higher at first is the most economical roof you can buy, for these reasons:

You are protected against the ever present menace of roof communicated fire; you never will have to spend money on it for—painting, refinishing or sometimes even a whole new roof. That is all eliminated.

Flexstone Asbestos Shingles

They last. The Asbestos, of course, does it. This remarkable mineral, which for untold ages has withstood all the forces of rot and decay, makes the ideal protection against fire, moisture and the wear and tear of the elements.

And with an ornamental surfacing of crushed red, green or blue-black slate, you have a roof that for moderate price, durability, length of service and lasting good looks, cannot be equaled! Insist on Asbestos Shingles for your new house—buy Flexstone.
