Banking Service and Prosperity

Prosperity on the farm is largely dependant on factors beyond the realm of the farmer's control. There must be a god market demand for products and the production costs must be kept in proper relation with market returns. Our Branch Manager is thoroughly familiar with the business of farming and ready to assist in carrying your farm program to a successful conclusion.

A Fine Motor Trip

The Advance man took a little motor trip last week by way of Hanover, Neustadt, Clifford, Harriston, Fordwich, Arthur, Grand Valley and Orangeville, back home. The season is very backward over this whole route, and down in West and East Luther much water is still lying on the land, while no spring work has been done. The trip covered eleven townships—Glenelg, Bentinck, Normanby, Minto, Howick, Arthur, West and East Luther, Amaranth and Melancthon and Proton. In this round we saw no finer country than our own here at home, and nothing quite so advanced with spring work. At Harriston we had the pleasure of calling on old Flesherton friends, Mr. and Mrs. H. Quigg, and Clifford Blakely; at Grand Valley we found Mr. and Mrs. Frank Tate (nee Christine Richardson), who are quite happy and prosperous, being owners of two fine farms. It brought back many happy memories to meet these old friends again.

For the benefit of Bre'er Landsborough of the Grand Valley Star, who was out when we called, presumably fishing for suckers (human or otherwise we do not know), we wish to say that Grand Valley is one of the most picturesque and charming little towns that we have encountered in our travels, and the only place (outside of Flesherton) that we have ever felt we could spend a lifetime without regret.

In Arthur we met the wonderfully gifted editor of the Enterprise, Mr. Rafter, who has been totally blind since he was three years of age, yet publishes as spicy and cleverly edited sheet which is really a credit to the town; and the people of Arthur are probably the most loyal subjects to their home paper that can be found in Ontario. There is no sending out of town for work over there. Mr. Rafter carries a cane, but few people who meet him on the street would know he was blind if they were not acquainted with him. He goes all over town and does business by himself. On the return he even knows the touch of his own door step and always makes unmistakable connection. Dr. McFarlane is doing a splendid business since going from Priceville a few years ago. We only succeeded in getting in touch with him by telephone.

Arthur has a very handsome memorial situated on a central public square — one of the finest we have seen. It is a great credit to the people of Arthur.

Mrs. G. Swanton Passed Peacefully on Thursday

There passed away at her home on the Toronto Line, north, Artemesia, on Thursday of last week, April 28th, one of Artemesia's oldest residents in the person of Mary Ann Caldbeck, beloved wife of the late George Swanton. The deceased had been ill for the past year and a half, but retained a keen mind up to the last few days of her ilness. On Sunday April 24th she became unconscious and passed peacefully away on Thursday evening after only regaining consciousness once during that period. The late Mrs. Swanton was eighty-nine years of age in February last.

The late Mrs. Swanton was born in Ireland in 1838 and came to Canada with her parents, the late Mr. and Mrs. George Caldback, when only a year and a half old. They settled at Innisfil, staying there for six years then moving to what is now Artemesia township when she was seven years of age. The late George Caldback was one of the first settlers in Artemesia township and built his home one and a half miles north of Flesherton, the part now standing being the fire place, which is in a good state of preservation.

On February 22nd, 1864, she was married in Flesherton to Mr. George Swanton by Rev. T. J. Jackson and the union was blessed with five children, four of whom are now living: Lidzie, (Mrs. W. J. Davis) of Donald, Wash.; Minnie (Mrs. J. W. Davis) of Artemesia Township; Robert on the old home and William of the east back line, Artemesia. Her mother passed away on September 18th, 1918 in her 101st year, while her husband predeceased her on the 12th of March, 1908.

The funeral took place on Monday, May 2nd to Flesherton cemetery, her pastor, Rev. Jos. Harrower, of the United church, conducting the service at the house and grave.

The pallbearers were five grandsons, John, Earl, Clare, Chas. and Ed. Davis and J. W. Wright.

Change in Railroad Time

A new change of time came into force on Monday, May 2nd, on this line of the C.P.R that cuts down the running time of the morning train south toToronto and the evening train north to Owen Sound. The train bound morning train will arrive at Flesherton station at 8.08 a.m. and will arrive at the Toronto Union station at the same time as at present, 11.35. The train leaving Toronto at 5.20 in the afternoon for Owen Sound will arrive at Flesherton at 8.53, thus saving 15 minutes of time on the trip. The north bound Walkerton train will arrive at the same time as present 4.33 p.m., but the same train south bound comes in ten minutes earlier, at 8.31 p.m. These changes will be greatly appreciated by the travelling public.

Prince Arthur Lodge Receives D.D.G.M. Visit

An interesting event took place on Thursday evening of last week in Masonic circles in town when R. W. Bro. A. E. Colgan, District Deputy Grand Master, paid his official visit to Prince Arthur Lodge No. 333. A large gathering of local members and visitors from Durham, Dundalk, Owen Sound, Meaford and Markdale and other places were in attendance. A first degree was put on by W. M. Robt. Down, assisted by several past Masters and were favorably commented upon by the R. W. Bro. Colgan in his address. Bro. J. F. Hay, P.D.D.G.M., and E. A. Hay, of Durham, gave short addresses, as also did Bro. L. G. Campbell of Markdale.

The banquet at the close was held in Chalmer's United Church and the tables were nicely decorated with flowers and heavily laden with the eatables. A unique departure from the usual custom was the invitation extended by the lodge to the ladies to partake of the banquet along with their husbands, an innovation not observed by other lodges in the district.

The program consisted of solos by Miss Stewart and Mr. Hardwick, a reading by Dr. L. G. Campbell, toasts to the King, the Craft, etc., and an address by R. W. Bro. Colgan. The Feversham orchestra supplied music during the course of the banquet and also assisted in the program.

The evening was much enjoyed by the large crowd present, some one hundred and seventy-five persons sitting down to the banquet.
