EDITORIAL NOTES

Most of the towns and villages are using stop signs at their main street intersections. We believe that Toronto is the only city in Ontario that doesn't use this system of traffic control.

The $50,000 swimming race will be off the Toronto exhibition grounds during the world famous exhibition this fall. Owen Sound failed to secure the race, but they benefited considerably from the advertising in connection with the affair.

A Los Angeles man found a $5 bill while turing over the leaves of the family Bible, and it would seem that wives require warning that the old hiding place can no longer be depended upon.

A new paper made its appearance in Grey County last week, the Chatsworth Banner with Mr. G. W. Collins of Chatsworth as editor and A. E. Colgan and Son as publishers. Since The News ceased publication at Chatsworth the citizens there have felt the need of a newspaper, and now that it has been started we wish the Banner success along the thorny paths of journalism.

Motorists who own closed cars should warn their passengers not to lean against the doors. In a number of occasions people have fallen out of automobiles with more or less serious results because they leaned too heavily against the doors. One young lady was hurt very badly when her friend took a sudden turn. The door against which she was leaning flew open and she was thrown into the road. The motorist should remember that he is responsible for the safety of his passengers.

The stone and sand plant at Durham commenced operations last week, and the prospects for a profitable yr. are bright for that firm.

New headquarters for salesmen

In many of our offices, Customers' Rooms like the one indicated above,, are placed at the disposal of the Long Distance user. Writing material, maps, rate schedules, directories, timetables, calendars,etc., are provided. Here, in privacy and comfort, the salesman receives his calls as the operator completes them, writes up his orders, or makes reports.

Where customers' rooms do not exist, the Manager offers the visiting salesman the use of his office, and is ready to give him advice about surrounding territory, class of service to use, etc.

We hope that these additional facilities will make our service more valuable to the large body of travelling salesmen who use it so intelligently.

The Late J. J. Kaitting

On Wednesday, April 27th, there passed away at Feversham a well-known and highly respected citizen in the person of J. J. Kaitting. His death came suddenly, he having contracted pneumonia, and despite the best care and attention passed to the Great Beyond in a very few days.

Mr. Kaitting was a carpenter and was very well known. He took great interest in municipal affairs and will be greatly missed by all who knew him.

His father, William Kaitting, who was of United Empire Loyalist stock, died when Mr. Kaitting was 4 years of age, and his mother, Susannah Shore, later married Andrew McGirr of Feversham. The deceased was born near Thistleton in York township on March 22nd, 1848, but spent the most of his life in the United States. In 1874 he was married to Agnes Davidson, who pre-deceased him by one year and eight months. About five years after their marriage the couple moved to Forestville, Mich., later moving to Minden City and then to Port Huron. Thirty-five years ago they returned to Canada, and settled on their farm on the 12th of Osprey. Some years ago they moved to Feversham, where they have lived since.

There are left to mourn their loss two daughters, (Ada) Mrs. G. H. Burke, and Qneenie of Riverview, also two sons, William of Feversham, and Guy of Calgary. One daughter (Alberta) Mrs. Irvine McKeown, died four years ago.

The funeral took place from the residence of his son, William, Feversham, on Friday afternoon, April 29, at 2 o'clock, the service being held in the Presbyterian church. Interment took place in the church cemetery. Rev. Mr. Smith of Toronto officiated, assisted by Rev. Mr. Dean of Feversham.

Floral tributes were as follows: a pillow from the family; spray, Mr. and Mrs. G. Mitchell, Flesherton; a wreath, Irvine McKeown and family, Duncan; spray, Tom and Hugh Davidson, Detroit; spray, Gaylord Kaitting, Detroit; wreath, the family of the late William Davidson; spray, Misses Frankie and Ella Shore, Caledon East; wreath, Mr. and Mrs. R. Dewsbury, Toronto; spray, Mrs. Wm. Poole and Miss Izard; and a spray from the Feversham boys.

Those attending the funeral from a distance were: Gaylord Kaitting of Detroit; Mr. and Mrs. R. Dewsbury, Toronto; Wm. Davidson, Collingwood; John Thompson, Agincourt; Mr. and Mrs. McDougall, Nottawa, and Mr. Chris. Thomsonof Stayner.

LONG—PRIESTLY

A pretty but quiet wedding was solemized at the home of Mr. and Mrs. Robert Priestly, Maxwell on Wednesday April 20th at 4 p. m. when their daughter Pearl Isabelle became the bride of Mr. George Havelock Long, only son of Mr. and Mrs Chas. Long, Maxwell. Rev. D. J. New officiated at the ceremony. The bride entered the room on the arm of her brother to the train of Mendelssohn's Bridal Chorus, played by Mrs. Robt. Priestly Jr. of Dundalk, and took her place beside the groom beneath wedding bells and streamers. The bride was gowned in empire blue flat crepe with sand georgette trimmings and shoes and stockings to match. The bridesmaid, Miss Alice Long wore Russian blue crepe de chine trimmed with brilliants. Little May Linley, niece of the bride made a very dainty flower girl in Empire blue crepe, and carried a bouquet of roses, carnations and sweet peas. Mr. John Priestly assisted the groom.

After the wedding ceremony Julia Marie, little daughter of Mr. and Mr. Robt. Priestly Jr. was christened.

A sumptuous wedding supper was served to about thirty-five guests, the table being centered with the bride's cake and trimmed with bouquets of sweet peas. The young couple left amid showers of rice and confetti for a short motor trip, the bride wearing an Empire blue hat, navy velour coat with squirrel trimming and sand gloves.

The evening was spent in music and dancing.

The young couple were the recipients of many numerous and costly present.

The best wishes of the community go with the happy couple to their new home in Flesherton.

Durham will oil its streets using an oiling machine.

Neptunite Varnishes

Lowe Brothers Neptunite Varnishes are ideal for either exterior or interior use.

They have the distinction of being the only varnishes that have successfully withstood the heat from a Hot Iron on their surface. They will not turn white, crack under the hammer test or show heel marks. Ice and snow or rain have no effect on them.

They produce a remarkably beautiful finish; they wear longer and cost less than most good varnish.

Neptunite Varnish-Stain

Is a high grade varnish stain. It varnishes and stains in one easy operation. The stain colors are non-fading. Neptunite Varnish Stain has splendid wearing qualities and gives a fine mirror-like gloss. Easy to use. Dries quick—has a surface like glass that is free from stickiness and dusts off easily.

Mellotone Flat Wall Paint

For interior decoration; it is a liquid paint, ready for use. Mellotone combines the delicacy of a water paint with all the durable elements of a lead and oil paint.

It is very economical and easy to apply. It can be washed with soap and water; is color fast and covers 900 square feet to the gallon.

House Paint

Lowe Brothers "High Standard" Liquid Paint covers fully half as much more than a so-called cheap paint. More than this, "High Standard" is so easy to apply and lasts so long that it is conceded by hundreds of users to be the most economical paint per square foot sold.

It comes in a splendid range of beautiful colors and produces a high gloss finish that wears off evenly, leaving the surface in splendid condition for repainting. Try it when next you paint.

Auto-Gloss

There is no need to drive a shabby car when any amateur can refinish his car in a few hours with Lowe Brothers Auto-Gloss.

Auto-Gloss produces a finish of remarkable beauty and depth. It flows out evenly and leaves no brush marks or overlappings. It is permanent and impervious to the weather.

We will be very glad to supply you with literature telling you how to restore the finish to your car. You will be surprised to learn how easy it is.

What do you get for the price you pay?

VALUE is not a matter of price alone. It is simply *what you get for the price you pay.* Chevrolet is low in price—but not at the expense of quality. It is economical—because it is not cheaply built. It is supreme in value because it gives more of the things you want for the price you pay.

First and always, quality counts with Chevrolet. There is quality in the distinctive Fisher bodies; in the long, low lines; in the rich, lustrous Duco colors; in the smooth, powerful valve-in-head engine; in the scores of refinements, such as air cleaner, oil filter, gas strainer; in the luxury of its appointments and upholstery; in the long, resilient springs; in the easy, three-speed transmission.

The Most Beautiful Chevrolet in Chevrolet History is now selling at new and lower prices—the lowest for which Chevrolet has ever beeen sold in Canada.
