NO LIQUOR BY MAIL

When Ontario's new lguor act comes into actual effect, the degree of freedom with respect to liquor will not be so extensive as in the province of Quebec. In that province liquor may be sent by mail, but not in Ontario. There is provincial autonomy with respect to this phase of commerce. The federal policy is to prohibit the shipment of liquor by mail. Should any province however, pass an act providing for such shipment by mail, or include a clause in its liquor act then the post office must comply and cannot prohibit the shipment by mail within that province. Quebec has such a clause in its liquor act, but there is no such law the Ontario Act. D. B. Hanna, chairman of the Ontario liquor commission said that the board had no intention of shipping liquor by mail but would use only the express for such purpose.

KEEPING THINGS NEAT

You plant a rosebush by your door, and morning glories three or four; you mow the lawn when whiskers green upon its countenance are seen; you take the dead cats to the dump, and fix the fence and paint the pump, and trim the pear tree and the vine, and make the doorknob fairly shine. And neighbors who have gone to seed, whose lands are grown to grass and weeds, will soon or late observe your game, and feel a burning sense of shame. They'll say, "That fellow's place, so neat, is quite the smoothest on the road; it makes our look like also-rans, so we'll adopt that smarty's plans and prove to him that other jays can well deserve the public praise." I've seen a neighborhood that lay all ragged, gone to brush and hay, brace up and bloom to beat the band because some pilgrim, tool in hand, cleaned up his lawn and pruned his trees, and bought some flowers and bumble bees. Thus good examples spur the souls of men who've crawled into their holes, content to let the whole world slide, the tail connected with the hide.—Walt Mason.

ST. COLUMBA ACTIVITIES.

The W.M.S. of St. Columba church Priceville, held their May meeting on the 25th inst., in the school room of church. The President. Mrs. (Rev.) McCormack, presided and opened the meeting with the singing of a hymn, followed by the Scripture lesson from Mark 2. Mrs. Robt. Parslow led in prayer and Mrs John Williamson read a devotional leaflet, "This is the victory that overcometh the world, even our faith." After the minutes of the last meeting had been read by the Secretary, the president called for the reports of the delegates to the Grey Presbyterial, which met in Owen Sound on May 3rd. Mrs. F. Reiley gave a fine account of the morning session and Mrs. A. S. Muir of the afternoon session. Mrs. McCormack gave an interesting report of the Toronto Branch conference, held recently in Toronto. A vote of thanks was tendered all the delegates. A very pleasing feature was a solo by Mrs. Herman McLean, "There were Ninety and Nine," after which the meeting closed with the singing of a hymn.

The Ladies' Aid then held a short meeting with the President, Mrs. L. McArthur, in the chair. The matter of holding a garden party during the summer was discussed, but not decided. Work for the coming bazaar was given out, after which the meeting closed.

In defence of an exorbitant lawyer's fee it was pleaded that "lawyers have to live," but so has every one else. They should "have a heart," at times.

ENDORSE MISS MCPHAIL'S STAND

At a meeting of the executive of the South-east Grey United Farmers Political Association, held in Flesherton on Monday, May 23, the following resolution was moved by W. H. Hunter and seconded by Mrs. E. C. Pedler and unanimously carried: Whereas, widespread comment and criticism has been made in reference to a certain letter written by our Federal member of parliament to the schools throughout this riding, said comment including charges of unpatriotism, disloyalty and what not; Resolved therefore that we, as an executive committee, representative of every township in the riding do hereby re-affirm our entire confidence in our member-elect and do endorse the defense of her motive in writing said letter as given by her in the House of Commons and contained in Hansard of April 11; And further, that we express our entire approval of the work she has been endeavoring to do through the schools of her constituency since first being elected to Federal parliament; That a copy of this resolution be published.—M. E. Murray, secretary.

A tenor at Rio de Janeira sang for two hours without stopping, but fortunately Brazil is a long ways from here.

A report from Windsor says "City Continues to Cart Away Ashes." Much simpler way is just to dump them on the road.

A nine-year-old boy, living in Aurora, Ill., plunged into water in an abandoned stone quarry to save a mogrel pup withh ad fallen in. The bodies of the lad an the dog were recovered from the water one hour later. The dog was firmly clasped in the boy's arms. "Foolish boy," someone says. But that someone fails to understand boys and knows nothing about dogs.

"Stop" signs have been placed at the more dangerous corners in the village so that there will be fewer chances of accidents. The signs haven't been planted in order to make it inconvenient for any person, but in order to make it safer for all. We notice that some are so important that they feel too big to obey the signs. No individual has any right to endanger others because of their own selfishness.—Markdale Standard.

MAY ESTABLISH LODGE

Mrs. Munroe and Mrs. Carson of Owen Sound were in Markdale on Monday interviewing some prospective members with the idea of establishing a lodge of Rebekahs in Markdale.—Coll. Enterprise.

Inspector Reevely caught a notoriously brazen flouter of the O. T. A. in Brampton on a recent Sunday. Walking into the man's office he found a whiskey bottle standing on the desk. Caught red-handed this boastful wet, who defied two previous inspectors to catch him, hastened before the P. M. and pleaded guilty to having liquor in an illegal place, and paid a fine of $50 and $12 costs.

Four men drove out from Toronto on Wednesday night, May 4th, and entered the garage of Hartley Sanderson, Caledon East, taking away a radio valued at $250. They also broke a pump in another garage in the village and helped themselves to gasoline. A watch was set and a patrol established on the nearby roads with the result that the men were captured and taken tn Brampton jail.
