Dear Mr. Maynes:

Just received the clipping & picture of
you from Mother and do want to add
my congratulations to you on being chosen
"Citizen of the year". This is really a great
honour and you must be justly proud!

Everything is fine with us and
we like Barrie more all the time. Just
a change from Ottawa but it's great

being so close to all the winter
and summer sports.

Again ~ congratulations, Mr.
Citizen of the year!

Sincerely,

Ellen McBrien Heikkila.
