WE SERVICE ALL MAKES AND MODELS

Finally a Service Centre that walks the walk!!

We have all been there before: You bring your vehicle in for service and get a call saying that your vehicle needs a raft of service work. That's fine if you are told in simple words what is wrong with your car. All too often the person on the phone fills you full of technical terms that confuse rather than educate you on the service work required to fix your car.

We at Georgetown KIA promise that we will fully explain to you what we have found and why it is important to complete the work we suggest. We will not complete any work on your vehicle until you fully understand why the work is necessary and what benefit it will have to you and your vehicle.

From a simple oil and filter change to intricate diagnostic work we will treat your vehicle like it was our own.

Anyone can make promises.

Rather than talk the talk, we walk the walk.

Give us a try; we promise you'll be pleasantly surprised that the word "service" still means quality work at a competitive price.

You have our guarantee.
