Injuries in Fall From Barn

Edward Leeson, concession 4, Minto, suffered painful injuries to his shoulder on Saturday of last week, while helping to roof the barn of Samuel Martin, concession 2, Minto, about a mile and a half from Palmerston. While on the roof of the barn, Mr. Leeson lost his foot-hold anddropped 35 feet to the ground below, landing on his shoulder on a horse rake. To this he attributes the fact that he was not fatally injured. Although his shoulder was badly bruised and cut, there were no other serious effects of his unfortunate mishap.—Mt. Who wouldn't be a small-town merchant?

Buying only small stocks enables the small-town merchant to try out the novelties and new styles people are looking for — on which the margin of profit is greater than on staple lines. Hand-to-mouth buying keeps down the capital investment, and additional quantities or odd sizes can always be ordered by Long Distance.

Thanks to this method of conducting business retailers have never been able to show as many up-to-date styles as now.

By using Long Distance the wide-awake small-town merchant with his low overhead expense can make his store the buying headquarters for a large surrounding territory.

Baseball Commences

The schedule of games in the Centre Grey League was drawn up at a meeting in the town hall on Monday evening and three teams are competing for the silver cup and the championship. Flesherton plays at Kimberley on June 30th for the opening game and the last game will also be in Kimberley when Dundalk plays there on August 31st.

While the Flesherton team is not as strong as that of last year they will give a strong argument to any team. Dow and Alcox were expected to be a tower of strength to the team this year, but their duties in Down's garage prevents them from playing. However, at the game in Eugenia last Thursday a new catcher was brought to light in the person of Ken Betts, who performed brilliantly behind the bat, and his battery mate, Angus Morrison, pitched a real good game, and no doubt will make good on the mound. Then there is Ken Boyd for first, Lloyd Wauchope at second, A. C. Muir at short and F. Betts at third, the infield that won the championship last year. Sparks and Thurston wish to retire this year and new material will have to be broken in for the outfield. A Buchanan of Vandeleur fame will cover the centre garden and there will be plenty of other material to round out the other positions. Amos Bowles, also of the old Vandeleur team, will be able to pitch along with Morrison.

Kimberley will bring out practically the same lineup as last year, as also will Dundalk, and the League promises to be as strong as in other years.

The following players are signed with the Flesherton Club:

T. McDonald, H. Richardson, A. Buchanan, H. McGee, F. Betts, K. Betts, F. R. Oliver, T Currie, A. C. Muir, A. Morrison, F. J. Thurston, W. K. Boyd, M. Sled, A. Sparks, J. Dow, L. Alcox, P. Dow, A. Bowles, R. Clark R. J. Turner, E. Watters, S. Muir, L. Wauchope, G. Wauchope.

TO DONATE GLOVE

"Knotty" Lee of Toronto, famous ball player, is intending to present one of his "Knotty Lee" baseball gloves to the infielder or outfielder, of any team in the Centre Grey League, who makes the best fielding average during the first three weeks of the schedule.

Tennis Courts Ready

A meeting of the executive of the Tennis Club was held at the home of the president on Monday evening when general business of the club was transacted. The courts are now in good shape and ready for play and it is the intention of the club to officially open them with a tea in the near future. The managing committee is anxious to increase the membership and would like if all desirous of playing would pay their fees at once, in order that tournaments may be arranged for as soon as possible.
