County Council Doings

The tax rate for the County of Grey in 1928 will be eight mills on the dollar. Without a dissenting voice, the County Council passed the report of the Financial Committee, which included this clause. As usual, the rate was divided. Five mills will be levied for the general rate and three mills for county roads. The total is slightly higher than this year, when four and a half mills were levied for general purposes, but the Council found that this rate was too low, not being enough to put them through.

With the slightly increased tax rate the various municipalities in the County will pay into the treasury the total sum of $272,480.00. Following is the sum that will be levied and collected in each municipality, providing the by-law passes: Artemesia $14,320.00; Bentick $15,680.00; Collingwood $18,000.00; Derby $12,000.00; Egremont $18,720.00; Euphrasia $17,600.00; Glenelg $10,400.00; Holland $12,200.00; Keppel $10,800.00; Normanby $21,600.00; Osprey $14,400.00; Proton $17,600.00; Sarawak $2,520.00; St. Vincent $18,400.00; Sullivan $19,200.00; Sydenham $20,000.00; Durham $4,200.00; Hanover $7,000.00; Meaford $6,400.00; Thornbury $2,080.00; Chatsworth $1,104.00; Dundalk $1,920.00; Flesherton $1,296.00; Markdale $2,600.00; Neustadt $1,320.00; Shallow Lake $1,120.00.

The outstanding features of the June session of County Council were the handing over to the Suburban Commission of six more miles of highway to connect up the County and Provincial systems; and the settling of the much discussed question of a County highway connecting Meaford with Markdale. The Department of Highways have decided on the 7th line to Rocklyn, thence west to the 11th line and south to Markdale.

A notice was received from Thornbury that damages were asked by two parties there for injury to their property by the erection of the new bridge. It was pointed out that Thornbury had assumed all responsibility in this matter, and notwithstanding Reeve Hutchinson's strenuous efforts to have the County recognize the demand made upon, the mover and seconder were the only ones who supported the contention.

The taking over of the extra six miles by the Suburban Area created much controversy, the action opposing being fathered by Mr. Hogarth of Artemesia. The big majority of the Council, however, and the County's representative on the Commission, Mr. Eaton, thought it good business to get rid of this six miles of road.

A number of deputations waited on the Council with regard to roads.

The Warden changed the order of affairs this year by omitting a banquet and giving the whole Council a motor trip instead, to look at some of the County work in the vicinity of Dundalk and Durham, the trip being made on Thursday afternoon.

Huge Crowd Attended South Grey U.F.O. Picnic

On Friday of last week the first annual South East Grey United Farmers Political Association was held. Lever's bush was thronged with happy picnickers. It is estimated that fully three thousand people were on the grounds. A full varied and interesting programme was offered. In sports the Kimberley boys won from the Dundalk boys. And in softball the Onward team won from the Bunessan nine. There was also a ball, Flesherton losing that from Strathhaven and the girl's softball tournament resulted in Durham winning from Duncan and Shrigley from Flesherton then Shrigley winning from Durham. The horseshoeing contest was won by Mr. T. Phillips and Mr. Fisher, F. Riley and A. McMillan winning second. Markdale Highland Band supplied the music throughout the afternoon.

The afternoon programme was presided over by R. D. Carruthers of Euphrasia. Comic songs were given by Tom Hamilton of Ottawa and his numbers were very much enjoyed. He generously responded to encores. Marie Whitney gave a very good exhibition of clogg dancing, and the crowd enjoyed them very much especially the one with the skipping rope. Miss LaRush sang in costume, even under the handicap of a dressing room she gave some very good numbers. Lilian Butt, the clever accompaniest gave two beautiful rendered piano solos also a monologue. Addresses were given by Miss McPhail and F. R. Oliver. The evening program was presided over by Mr. Atcheson of Sullivan. The Raecher's orchestra provided the music for the dance which followed. The beautiful weather and remarkable fine picnic grounds added to the success of the day. A group of 16 farmers of Wentworth County camped on the grounds over night. The proceeds of the day amounted to $1409.25.

BENEFICIENT ACTION OF ARROW COACH LINES CO.

At the inquest Tuesday, regarding the death of Alex. McDonald, the jury exonerated the driver of the Arrow Coach Lines Ltd. motor coach, and brought in the verdict of accidental death. Barrister Pennington, representing the Arrow Co., however, that evening visited Mrs. McDonald and explained that while they were not held liable, one of their coaches was indirectly responsible for her husband's death which had brought upon her and other relatives much sorrow and suffering. While they could do little to alleviate this, they resired to show some tangible sympathy and enquired as to the amount of expense his death and burial had caused. Mrs. McDonald suggested it might reach $600 or $700, whereupon Mr. Pennington wrote out and presented her with a check of $800, on behalf of the Arrow Coach Lines. —Durham Review.
