TAKES BACK DECISION.

At the last session of Grey County Council on Saturday forenoon last, R. C. Muir of the Department of Highways, Toronto, telegraphed that the Department recommended the 7th line S. Vincent be taken over as a county-provincial road.

The County Clerk has now advised us that the Department has withdrawn that decision and designated the 9th line as the road. The Department has had this matter under consideration for two years, and during the past week has made two different decisions in the matter. It will be interesting to note whether or not the County is willing to be made a football of such as the Department of Highways is making. This road is not in the county system, and the Department now demands that the County pass a by-law including it.

Will it do so?

It looks as though a big stick has been wielded by some one.

PORTLAW

A very agreeable surprise was sprung onto us last week when we received the splendid jubilee number of The Advance. This evidence of enterprise on the part of the publishers is surely worthy of commendation and we offer our congratulations.

The pupils of the public school and the bigger folk of the section united with Rock Mills school in holding a picnic on Wednesday of last week in Mr. Akitt's shady woods, and a thoroughly enjoyable time was spent.

Elsmore, the twelve-year-old son of Mr. and Mrs. Archie Fisher gave a very interesting address on Missions at Mount Zion Sunday school on Sunday. His handling of the subject would have been creditable to a much maturer head, and it is safe to predict that the world will hear later on from this exceptionally bright boy.

Mr. and Mrs. W. J. Jamieson and two sons, accompanied by Mr. Carden, of Toronto were holiday visitors with Mr. and Mrs. W. G. Jamieson.

Mr. Carden, who has been engaged in evangelistic work in Toronto, conducted service in Mount Zion church last Sunday and delighted his hearers with his earnest convincing message.

Mr. and Mr. S. E. Walker, Mr. and and Mrs. Hubert Walker, Mr. Murray Walker and three children, Mr. and Mrs. D. L. Davidson, son and daughter, and Master J. Bell, all of Toronto, were jubilee visitors at the home of T. R. and Mrs. McKenzie.

(Intended for Last Week.)

Rev. New preached his farewell sermon last Sunday. Many regret his removal, especially as the change is on account of his health not being satisfactory. The good wishes of all go with him and his family to their new field of labor at Cobalt.

Mount Zion Sunday school purpose holding their annual picnic on July 6th in Mr. Hopps' grove.

Miss Lizzie Blakey returned to Toronto last week, accompanied by Miss Ina McMullen, who will visit friends there.

Word was received by relatives here of the sudden death of Mrs. John Herchey of Mount Forest. Those who attended the funeral from this part on Monday were Mrs. J. W. Haney, Mrs. S. Wauchope, Mr. John McNevin and Mr. Lewis Sheardown.

Mrs. James Pedlar and two children visited with friends in Toronto last week.

Mr. and Mrs. J. A. Hutchinson of Aberdeen, Sask., are visiting at the home of the latter's brother, Leslie Chard. Mr. Hutchinson taught the school here for five years, and it is twenty years since he removed to the West, where he has been successful and continues to follow the teaching profession. He has a host of friends here who are delighted to meet him again.

Could Not Walk But Was Restored by Natural Herbs

Elmwood, Ont., May 13, 1927.
Mr. B. J. Murfin. Dear Sir,

I must write and let you know how our son, who had Creeping Paralysis, is improving.

He had only taken your medicine about a week when he could walk, and in three weeks had gained 13 lbs.

He helped his father with seeding, and is working every day, and is feeling fine.

Our daughter is also making an improvement, is gaining nicely, but is still taking your medicine.

We certainly cannot praise your medicine too highly for what it has done for us all.

We do not think there is any medicine sold on the market so effective in building up a run-down system as Mr. Murfins Natural Herb Medicine and we highly recomend it to our neighbors andl friends.

Hoping to see you soon, sincerely yours

Mr. and Mr. W. C. Leifso, Elmwood, Ont., R. R. No. 2.

The above is one of the many letters we receive daily from people who have used the Natural Herbs for their complaints, and we are sure that there is a herb for your trouble, which if used, will give the same results as this letter states this boy got, after being carried to Mr Murfin at the hotel in Hanover on January 27, 1927, he got the special herbs for his trouble and used them, and above is the letter from his parents.

If you are troubled with any complaint and wish to get results, call and see Mr. Murfin, the Herbalist of the Canadian Herb Gardens of 110 Dundas St., London Ont., who will be at the Munshaw Hotel, Flesherton, for one day only, hours 8 a.m. to 7 p.m. on Thursday, July 14th, and he will be glad to tell you what herbs to use for your complaints. There are over 1,000 different herbs used for different diseases and Mr. Murfin, being an expert on herbs, will tell you which to use and he will have a supply with him and no matter what the complaint is or how long standing it is, there is a herb that grows for it that will get you the results like the above letter states this boy got. Remember the date and please come early. Nature's Remedy will be there special for your complaint.
