CHRISTIAN SCIENCE CHURCHES
"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 12.
The Golden Text was: "Honour the Lord with thy substance, and with the first fruits of all thine increase" (Proverbs 3:9).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And one of the company said unto him, Master, speak to my brother, that he divide the inheritance with me. And he said unto them, Take heed, and beware of covetousness: for a man's life consisteth not in the abundance of the things which he possesseth. . . . For where your treasure is, there will your heart be also" (Luke 12:13, 15, 34).
The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Hold thought steadfastly to the enduring, the good, and the true, and you will bring these into your experience proportionably to their occupancy of your thoughts" (p. 261).
