## Successful Fox Farm by Karstedt Bros., Priceville

It will be of interest to many people to know that Karstedt Bros. of Priceville have made a success of silver Black Fox ranching. Five years ago they began with three registered foxes and have developed until they have now thirteen pairs of registered stock with an increase of forty-eight pups as this year's crop. Among their foxes are found prize winning stock and offspring of winners at the Royal Winter Fair. A couple of weeks ago they purchased a small farm of twenty-three acres at the edge of Priceville and have begun the erection of a ranch on a large scale, where they will move their present stock. They will have one of the best equipped fox ranches in this section of the country. In the fall when these Silver Black Foxes have developed their full coat of fur, it will be well worth going to see them; you will be welcomed.

## Some Plan That Will Make Fair a Success

Plans for the making of the East Grey Fall Fair the banner fair in South Grey are proceeding and already the efforts of the officers are bringing forth fruit. This year the number of special prizes offered have been doubled, each class receiving their share of attention. One of the specials which is attracting considerable attention is the fine large silver cup donated by the T. Eaton Co., Toronto, for the family of one house winning the highest number of points at the fair. This cup will be on display in the window of the Armstrong Jewellery Store.

Another item of interest to exhibitors is that the Society has raised the prize money $100, especially in Ladies' Work, Horses and Cattle and Roots and Vegetables. Many new additions have been made to the list, including a class for silver grey and black foxes, there being several in this district who have consented to exhibit.

The exhibitors of cattle and sheep will be pleased to know that the cattle sheds are to be moved to the front of the grounds in the near future and will be in a better place for those attending the fair to view the stock.

The enthusiasm of the directors is a good omen for the success of the fair to be held on September 22-23 this year. If you are not already a member of the society secure a ticket from Secretary Findlay or any of the directors and boost for the East Grey Fall Fair.

Miss Mildred Phillips of Palmerston, daughter of Mr. and Mrs. Wilfred Phillips, gave a beautifully-rendered soprano solo "My Task" that received much favorable comment. The choir also sang an anthem number.

## Make your store "Hers"!

There are a lot of women in small towns surrounding your store who can be persuaded to look on your store as their own.

Calling them by Long Distance at the very low rates for Interurban Service, to offer them some special bargain or to invite them to a sale will help them form the habit of coming to you for anything.

It doesn't require a large stock. Wholesaler's and manufacturers' warehouses are at your elbow. By Long Distance you can order and promptly receive anything your customers may have seen advertised in magazines or newspapers.

This trade can be yours, if you will go after it.
