Holloway's

WORM LOZENGES

ARE a certain and safe remedy for worms in children and adults. It is a well known and melancholy fact that one great cause of death among children is from worms alone. It cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves.—SYMPTOMS OF WORMS.—The following are a few of the very numerous symptoms and diseases which are caused by Worms: deranged appetite, emanciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, and sometimes convulsive fits, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frigatful dreams, and a gradual wasting away of flesh. They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor oil or other unpleasant cathartics.—Each box contains the fac simile signature of Northop & Lyman, Newcastle, C.W., who are the sole proprietors. N. B. Ask for Holloway's Worm Lozenges, and take no other. Sold by all the Druggists in Milton and medicine dealers everywhere. 22
