wenty-five persons were killed, nine drowned, and 120 injured.

A large portion of San Francisco was destroyed in 1851. On the 1st of May a fire broke out which consumed nearly 2,500 buildings, causing a loss of $3,500,000 and several lives. A little over a month later, on the 22nd of June, 500 more buildings were burned, valued at $3,000,000 or more.

Twelve acres of land in Syracuse were burned over on the 8th of November, 1856. About 100 buildings were destroyed, and the loss of property amounted to $1,000,000.

The scene most naturally recalled by this fearful disaster in Chicago is the terrible celebration of the Fourth of July in Portland, Me., 1866. The leading facts of that great event are still fresh in the public mind. The fire, beginning in a boot shop on High street, swept north, and destroyed in its course nearly one-half of the city. The pecuniary loss was about $15,000,000, and one fourth of the population were rendered houseless.

EUREKA This wonderful medicine is prepared from Roots and Herbs, and entirely free from minerals.

EUREKA It is the foremost remedy of the age. The specific of every species of debility, general or local, constitutional or casual.

EUREKA I find nothing so good for headache and languor.

EUREKA If you want pure, rich and electrical blood—blood that gives tone to the system, the "rose tint of health to the cheek"—try it.

EUREKA Will restore the vital energy, repair indigestion, and correct the sluggish circulation of the blood.

EUREKA Is unsurpassed for weak and delicate persons on their requiring a gentle stimulant.

EUREKA Is an unequalled invigorating cordial for the aged, as well as for the young.

EUREKA Of all the appetizers it is the most infallible, and the impulse which it imparts to the digestive functions soon puts dyspepsia to flight.

PURIFY THE BLOOD.

In the spring and summer months the system undergoes a change. This is the time to use good blood-renewing, purifying and invigorating medicines, and the EUREKA is the medicine to do it.

To those suffering from

Bad Blood, Poor Complexion, Headache, Nervousness, Wakefulness at Night, Costiveness and Irregularities,

And to those suffering from broken and delicate constitutions, it will give

NEW BLOOD, NEW VIGOR, NEW LIFE.

TRY IT! TRY IT!

Recommended by physicians, clergymen, and others who have used it.

LYN, April 21, 1871.—I am acquainted with the preparation called *Eureka*, and believe it to be purely vegetable, and composed of ingredients of good therapeutic qualities, and effectual in diseases of the stomach and digestive organs, and have therefore no hesitation in recommending it to all who require a medicine of the kind.

R. B. CLARK, M.D.

LYN, Oct. 3, 1870.—Mr. H. E. Rowe—Dear Sir—Having used three bottles of your valuable medicine in my family with good effect, I feel safe in recommending the Eureka for general debility, inaction of the liver, loss of appetite, etc., it having been used for the above complaints in my family.

PROCLAIM

THE GLAD TIDINGS!

That the GREAT SHOSHONEES REMEDY AND PILLS of the eminent Indian *Medicine-Man*, Doctor Lewis Josephus, of the Great Tribe of Shoshonees, British Columbia, is working the most marvellous and astonishing cures the world ever heard of. Never in the annals of Canadian Medical History has such success attended the introduction of any medicine heretofore.

WHY.

Simply because the numerous valuable active medicinal vegetable ingredients (some of which we will mention, such as the Extracts of Wild Cherry Bark, Podophyllum, Juniper, Quassia, Smartweed, Dandelion, Hyoscyamus, Compound Extract of Colocynth, Jalap, Socotrine Aloes, Capsicum, etc., etc.) which enter into the composition of the combined medicine, are such and so harmoniously classified and compounded, that it is made the most searching curative in the known world, and cannot help but act on the system in a very satisfactory and desirable manner. No matter what your ailment may be, or of how long standing, it will find the spot and astonish you by the rapid manner in which you are restored to perfect health and full vigor.

This medicine is pleasant and safe to take, and is warranted, and may positively be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, etc., as well as Scrofula, the various skin diseases, Humors, and all diseases arising from impurity of the blood, excepting the third stage of Consumption. Further information, with full directions for using the Great Shoshonees Remedy and Pills, and containing testimonials and certificates of cures, can be obtained by securing the Treatise, the Hand-book, or the Almanac and Circulars from any respectable Druggist in the Dominion—free.

Price of Remedy in large glass bottles, $1 Pills per box 25 cts.

IRON IN THE BLOOD

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

CURE OF BRONCHITIS.

SMITHFIELD.

J. C. CHAMBERLAIN, ESQ.—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year without receiving any benefit. In fact I continued getting worse all the time. At last I was advised to try the Great Shoshonees Remedy. I bought a bottle and took it, and when it was finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness, and have been so ever since.

WONDERFUL CURE OF LUNG DISEASE.

BROOKLYN, April 5th, 1870.

J. C. CHAMBERLAIN, ESQ., SIR,—This is to certify that my wife was very low with Lung Disease. The doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort, I purchased a bottle of the Great Shoshonees Remedy. At the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.

You may publish the facts for the benefit of those similarly afflicted.

Thomas' Eclectric Oil! Worth ten times its weight in Gold. Do you know anything of it? If not, it is time you did.

Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common Sore Throat. One bottle has cured Bronchitis. Fifty cents' worth has cured an old Standing Cough. One or two bottles cure bad cases of Piles and Kidney troubles. Six to eight applications cure any case of Excoriated Nipples or Inflamed Breast. One bottle has cured Lame Back of eight years' standing. Daniel Plank, of Brookfield, Tioga Bounty, Pa., says: "I went thirty miles for a bottle of your Oil, which effected a wonderful cure of a crooked limb by six applications." Another, who has had Asthma for years, says: "I have half of a 50 cent bottle left, and $100 would not buy it if I could get no more."

Rufus Robinson, of Nunda, N. Y., writes: "One small bottle of your Eclectric Oil restored the voice where the person had not spoken above a whisper in five years." Rev. J. Mallory, of Wyoming, N. Y., writes: "Your Eclectric Oil cured me of Bronchitis in one week." Dealers all over the country say: "We have never sold a medicine that has given such complete satisfaction as this."

It is composed of six of the best oils that are known. Has good to take as for external use, and is believed to be immeasurably superior to anything ever made. Will save you much suffering and many dollars of expense. Is sold by one or more dealers in every place. Price 25 cents.
