Kimberley Won

After what seemed to be a losing battle the Kimberley ball team emerged victorious in a gruelling contest in the first playoff game held at Kimberley on Wednesday afternoon of last week by the score of 13-12. A beautful home-run wallop from Dillon's bat in the eighth inning with two men on practically won the game for Kimberley, after they had secured four runs in the 7th and were dow[illegible] on Dundalk. Injuries to [illegible] McIntyre in the 8th [illegible] to do w[illegible] errors were [illegible] clout that resulted in Kimberley bringing in three extra runs. Douglas pitched a great game for Dundalk and had thirteen strike-outs to his credit and collected a double and a single at four times to bat. A triple by Mel Thompson double by Douglas and C. Thompson and singles by Montgomery, Sudden, McAllister and single by Douglas resulted seven runs for Dundalk.

The final game is being played in Dundalk this Wednesday, weather permitting, and a big crowd is expected to see the contest. Every contest these two teams have played this year have been heavy hitting affairs and they are anybody's games up to the last inning.

JOHN McLEAN OF DURHAM KILLED IN DINKY CRASH

A fatal accident occurred on Monday morning at Durham when Mr. John McLean, an employee of the Durham Sand and Stone Co., met death while operating the dinky engine. He was the engineer on the engine and was hauling a train from the pit to the crusher with a full load of stone when the engine suddenly jumped the track, and was turned crosswise. The heavily loaded cars, becoming uncoupled, crashed into the crippled engine and McLean was caught between the engine and cars. In the crash the steam pipe of the engine was broken and the escaping steam scalded the unfortunate man to such an extent that it caused his death.

He was alone on the dinky engine at the time, there being no person near him to render assistance, but when he was finally found he was in such a condition that little could be done for him. He was released and being still alive was hurried to the Durham Hospital, where he breathed his last just as he was about to be taken into the institution. An inquest was summoned by Dr. Jamieson, coroner, and it convened at Bell's undertaking parlors at 11.30 o'clock, where the remains were viewed and an adjournment taken.

Deceased was a man a little over 35 years of age, and he leaves a wife and four small children. He had always resided in Durham and had been in the employ of the Durham Sand and Stone Co. for some time.—Sun-Times.

The Softball Tournament at the Fall Fair is going to be another success, as 6 teams have already entered.

Two Stratford youths were each assessed $10 and costs and had their drivers' permits suspended for one month when they appeared in police court on a charge of reckless driving on the Stratford-St. Marys highway.

ORANGEVILLE BUSINESS COLLEGE

Several young people who entered the Orangeville Business College one year ago are now holding successful positions with salaries ranging from $840.00 per annum up, and are thereby independent for life.

If you have education stored away in the back of your head, are desirous of a superior position, and possess the necessary ambition to back it up, a secretarial course in the Orangeville Business College will train you accordingly.

We often hear—and it is very alluring—of students learning shorthand and typing in a couple of months' time, but somehow their names never appear in the Championship Contests. We cannot qualify you in a few days, but we can in a few months.

Are you tired of Greek? Did you fail in Geometry? Does the Normal course look long? Are you doubtful of obtaining a school after you Normal? The business way is the right way. Enter our school and let your doubts vanish.

Do we guarantee positions? Yes. Do we fulfil our contract? Ask our graduates of the [illegible] two years, or find one out of a position and obtain a free course.

Y.P.S. Basket Picnic Field Day and Debate

The Annual Basket Picnic and Field Day also the Final Debate of the Debating series under the auspices of the Young Peoples' Societies of the United Church in Grey Presbytery, which was held in Markdale on Wednesday afternoon and evening, August 24th, was a decided success.

During the afternoon a ladies soft ball tournament for the championship of the Presbytery was held in King Edward Park, and some splendid games resulted. The Presbytery had been divided into four groups and a soft-ball series conducted in each group during the summer. The teams entered in the tournament were the champions of each group, and were as follows: Dundalk, Group No. 1, Durham No. 2, Massie No. 3. The winners in group [illegible] (Meaford) decided not to come and were represented by the Markdale team. In the first game Durham won from Markdale by the score of 11-10. Dundalk then won from Massie 10-6. In the final Durham won from Dundalk in a thrilling game by a two run margin.

The evening programme was held in Annesley Church, the principal feature being the final debate between Markdale and Kemble teams, champions of the northern and southern halves of the Presbytery. The subject was "Resolved that an educational qualification should be demanded of all voters." The debate was exceptionally good, both sides bringing forth strong arguments in splendid form. The Kemble team, upholding the negative, and representetd by Misses Bertha Shier and Eileen Taylor were declared the winners. The Markdale team was Mr. Crosby Bowes and Miss Jean Stewart. The judges were Messrs. R. J. Woods of Corbetton, Chas. Waite of Owen Sound and Rev. Stotesbury of Kimberley. Other features were added to the programme. Mr. Howard Graham, Literary, Social and Recreation convener for Grey Presbytery had charge of the proceedings.
