It is a well attested fact confirmed by the experience of thousands that "Darley's Condition Powders and Arabian Heave Remedy" for horses is superior to anything of the kind now or ever known. We know that it has been used in many cases where the horse has been considered almost worthless, with the most satisfactory result, the horse having been restored to perfect soundness or so much benefitted that the complaint would scarcely be observed. Many such horses have afterwards been sold for from $50 to $100 more than they would have previously brought, and were well worth the difference; let all interested consider this. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

Forty years' experience have tested the virtues of *Dr. Wistar's Balsam of Wild Cherry*, and it is now generally acknowledged to be the best remedy extant for pulmonary and lung diseases; embracing the whole range from a slight cold to a settled consumption. Were it not for its *merits*, it would long since have "died, and made no sign."

NORTH HAVEN, KNOX COUNTY, ME., June 12th, 1871.

MR. JAMES I FELLOWS, Chemist, St. John, N. B.

DEAR SIR: Having used your chemical preparation of Hypophosphites, which was recommended to me by Mr. Blagdon, Apothecary of Rockland, I am truly surprised with its wonderful effects, because for several years my health has been declining, notwithstanding every means possible, which offered encouragement, was used by me. Several alarming symptoms appeared, amongst which were dyspepsia, palpitation of the heart, impoverished blood, and great prostration. Since January, when I began the use of your Syrup, my health has steadily and amazingly improved, so that now it gives me great pleasure to recommend it to others, and in this way to show my gratitude for return of health. To all who require a remedy for debility, I would say they will find your Compound Syrup of Hypophosphites just what you say it is. I believe it is the best preparation in use. I am, sir, &c.

APPLE TREES FOR SALE.

From 5 to 10 000 Apple Trees for sale at $15 per hundred, grown on Lot No. 26, Middle Road, Trafalgar, both of low and high tops. There is some misunderstanding about the low topped trees. They suppose they are grown on some foreign stock, that is not the case, but grown the same as the high top, minus the trunk. Trees will produce one barrel of apples from two to four years sooner than on the high top system. We have Spies five years from planting bearing fruit. Parties about planting largely would do well to examine our stock before purchasing from others, as we have a large young orchard just coming into bearing, grown on the low top principle. We will furnish plans to parties that deal with us if required, so that an orchard will be something of beauty and profit, and not an haphazard, unsightly, unprofitable enterprise. Parties ordering by mail address to Oakville P. O. H. & C. E. HILTON 31-3m.

ELECTRICITY! THOMAS' ECLECTRIC OIL!—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures Catarrh, Asthma and Croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical. J. Collard, of Sparta, Ont. writes "send me 6 doz. Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now; its cures are truly wonderful." Wm. Magnire, of Franklin, writes, "I have sold all the agents left, it acts like a charm—it was slow at first but takes splendidly now." H. Cole, of Iona, writes, "please forward 6 dozen Thomas' Eclectric Oil, I am nearly out; nothing equals it. It is highly recomended by those who have used it." J. Bedford, Thamesville, writes—"Send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes—"Send me some more Eclectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reed, Ulverton, P.Q., write—"The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., Buckingham, P.Q., write "Send us one gross Eclectric Oil. We find it to take well"

IRON IN THE BLOOD

DYSPEPSIA — DEBILITY — PERUVIAN — AN IRON TONIC — SYRUP — DROPSY — HUMORS

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
