EUGENIA

The Late Douglass Wilson

Last Week's Items

This vicinity was sorry to learn of the untimely death of Mr. Douglass Irving Wilson of Toronto, who was a frequent visitor to our village and was a staunch friend of Mr. W. E. Morgan, who keenly feels the pangs of sorrow. He was the younger son of Col. Robt. S. Wilson of the 48th Highlanders and the late Mrs. Wilson, who pased to her reward about five years ago.

"Doug" appeared to be a fine specimen of robust manhood, yet he was troubled with high blood pressure which affected his heart considerably. He was very economical yet generous, and took great pleasure in hunting and fishing and was a member of the High Falls Hunt Club of this locality. He was well liked by all whom he came in contact with. He was just in the prime of life; would have been 28 years old on Armistice Day, November 11, 1927. His hopes for the future seemed bright as he had planned to retire to some village when his income sufficed, in all probability Eugenia was the village he had in view. But his hopes were cut short when he suddenly collapsed at his desk on Tuesday evening and death occurred at his home at one o'clock on Wednesday morning, Oct. 12th, although everything was done that could be done to restore the young life.

He held the responsible position as treasurer of his father's firm,—the Canadian Interlocking Tile Co. He was a veteran of the Russian expedition, going at the age of 18, after his immature age had kept him from France. He was well educated, having graduated from the Upper Canada College at 18. Last year he took a night course in stenography and this year he was taking up architectural designing.

Many and beautiful were the floral tributes which witnessed high respect and love for the deceased. He is survived by his sorrowing father and one brother, Stuart of Detroit. Rev. Dr. G. C. Pidgeon officiated at the home on Friday. Mr. W. E. Morgan and family attended the funeral. We extend our sympathy to those left in bereavement.

He had a nature you could not help loving
A heart that was purer than gold;
And to those who knew him and loved him
His memory will never grow cold.

Wedding bells are ringing loudly;
Pealing forth its merry strains.
Telling tales of fond affection
While King Cupid o'er them reigns.
