OFFER FARM BOYS TRIP TO ROYAL FAIR

Will be guests of Ontario Department of Agriculture

Special competition to decide who shall go

Ten fortunate young farmers from this county will spend three days in Toronto at the Royal Agricultural Winter Fair this coming November as the guests of the Ontario Department of Agriculture. According to the Government's plan, which has just been announced in its final form, the boys will be provided, free of charge, with railway fare from the home station to Toronto and return, with sleeper, berth and meals on the train for those from a distance of 200 miles or more, and any further transportation involved in the tour of the stock yards, abattoirs, factories and other commercial concerns and public institutions which have been planned as part of the programme during their visit to the fair. They will also be free of any expense for lodging accomodation for four nights or for their meals while in Toronto. It is the sort of thing that most boys dream about and seldom realize, and in this case the Department of Agriculture is playing part of the fairy godmother.

It is felt that a visit to the Royal Winter Fair, which has in its show ring the finest livestock, poultry and horses that the stables and herds of nine provinces and many States can offer, will be an education in progressive agriculture. The boys will be able to see for themselves what the master breeders of the country have accomplished with their animals and they will have new ideals of live stock perfection to take away with them. They will also be able to make comparisons betwee fruit, grains, and dairy products from different parts of the Dominion. Normal country boys have a keen interest in all live animals and the rabbits, pet stock exhibits will show them the commercial possibilities of these specialties on Canadian farms. They will also have the thrill of seeing the finest amature horsemen and women on the continent taking the jumps in the Royal Horse Show under the eyes of Lord Wellingdon, the Govenor-General, and many other visitors prominent in Canadian public life.

The boys are to be selected by means of special "Royal" junior farmer judging competition to be held during October. Conditions governing these competitions (high mark boys to be selected) are as follows:

Contestants shall judge five rings of live stock and five classes of crop products, such as grain, small seeds, potatoes, roots, fruit and vegetables. Special crops may be included where production is general over the country.

The competition shall be open to all farmers and farmers' sons living on the farm, between the ages of 16 and 23 on October 1, 1927 (must not have reached twenty-third birthday) and who have not previously represented the country as a member of a stock-judging team at the Royal Winter Fair, or are not graduates of an agricultural college or agricultural school.

Prizes shall be awarded on aggregate scores, live stock and crop products shall have a ratio of 2 to 1. The possible score, therefore, will be live stock, 500; crop products 250.

Grey County Contest will be held in Markdale, on Saturday, October 29th at 9 a.m.

The Late Jacob Cook

There passed away early Sunday morning Mr. Jacob Cook at the home of his niece, Mrs. Will McFadden, Orange Valley with whom he has made his home for the past four years and where Mr. and Mrs. McFadden were all kindness to him. He had been in the best of health for some time and death was not expected. He was born in the township of Trafalgar, coming with his parents, the late Mr. and Mrs. Abraham Cook to Glenelg at the age of three years. He spent 25 years in the West. His casket was lovely covered with floweral offerings and sympathy from relatives and neighbors.

Rev. M. StJohn of Markdale United church had charge of the funeral stressing the need while living for preparedness, then death was not to be feared. He leaves to mourn his loss three brothers and one sister: Mr. T. Cook of Markdale, Mr. Robt. Cook of Ceylon, Mr. Wm. Cook on the homestead in Glenelg, Mrs. Edward Embury of Port Perry. He was 73 years old. The body was laid to rest in the family plot in Zion cemetery.

The Late James Hill

Another of the old pioneers of the Beaver Valley passed away on Tuesday, October 11th in the person of James Hill. Deceased was born in Lydford Devonshire, England 84 years ago. In 1876 he was married to Patience Ball. They came to Canada in 1880 and settled on a farm about a mile and a half south of Kimberley. The union was blessed with 4 children Alfred, near Markdale; Amy died in 1915; Maude, Mrs. Hallen Watkins of Winnipeg, Man. and Annie, Mrs. Willmer Turner on the old homestead. On account of ill health Mrs. Watkins was unable to come home.

Mr. Hill was a man of high integrity and honest in all his dealings with his fellow men.

Among the beautiful floral tributes was a pillow from the family; wreath from Ladies' Aid and also one from The Women's Institute; Sprays from Mrs. Carruther's junior room, Miss Betsy Turner and the Ball family.

The remains were interred in the Flesherton cemetery on Thursday last when a large cortage of sorrowing friends paid their last tribute of respect to the deceased.

Much sympathy is being felt for his aged partner in their sad home of affliction.

SOME DOCTOR

Let me kiss those tears away sweetheart. he begged tenderly.

She fell into his arms and he was very busy for a few moments. But the tears flowed on.

Will nothing stop them? he asked breathlessly.

"No" she murmered. It's hay fever, but go on with the treatment.
