To Answer Two Charges

Mr. G. B. Welton appeared before Magistrate Creasor at Owen Sound on Monday afternoon to answer to two charges against the Liquor Control Act. The charges were of having liquor in a place without having a permit and the other of having liquor in a place other than a private guest room. The case was adjourned and will be tried in Flesherton this Wednesday afternoon at 1.30 o'clock. The charges were laid when Provincial Constables Denton of Owen Sound and Widmeyer of Walkerton and Inspector M. C. Beckett paid a visit to the hotel a week ago.

Euphrasia Man Killed

An automobile accident which resulted in the instant death of Mr. Wm. Fothergill, respected young farmer living on the 9th line of Euphrasia, about four miles from Markdale, occurred about 7.30 on Saturday evening.

Mr. Fothergill was on his way home from Markdale in his Ford touring car and was accompanied by his brother-in-law, Mr. Cecil Brett. He was driving at a moderate rate of speed on a straight piece of road when the car suddenly skidded one way and then another, finally turning over. Brett, who was only slightly injured after crawling from under the car, tried to life the car off Mr. Fothergill, but was unable to do so alone. Procuring help from a house near by he managed to lift the car, when it was found that Mr. Fothergill had been thrown backward, his head striking the road with such force as to cause instant death. It is believed that the accident was caused by a frozen steering gear. The deceased was about 28 years of age and married, but had no children. He had the misfortune to lose all of his season's crop by fire last year.

Santa Claus Will Have Big Day December 17th

Santa is again coming to Flesherton and would like to meet all the children. It's expected that he will arrive about two o'clock in the afternoon with his usual supply of nuts and candies and will give each child a bag. Besides the candy there will be 100 Special Prizes and 100 children will find a slip of paper in their bag of candy, which will entitle them to a special prize. In order to show that the event is run fair and square we must state that out of 75 prizes given last year only 11 of them stayed in the village each child has an equal chance to secure a special prize. There were six hundred youngsters attended on Santa Claus day last year and the promoters are looking for eight hundred on his visit this year. Haw Bros.' pipe band of Swinton Park has been invited to attend and if the weather is favorable will supply music that afternoon.

In addition to the above T. W. Findlay is offering prizes for sleigh dogs and all the different kinds of cats for the children. Prizes for the dogs will be $2 and $1 and for the cats $1.50 and $1. All cats are to be enclosed in boxes and the exhibit will be held in the rear of the Clayton Block, where a nice warm fire will be kept on. Entries for the cat show will close at 1.30 o'clock. For further information call at Findlay's store.

Let us make a real day's fun for the children and everybody is requested to let everybody else know of the big time in Flesherton on the 17th day of December

GEORGE WRIGHT OF PROTON DIED ON MONDAY MORNING

There passed away at his home on the 17th Concession of Proton Monday morning George Wright, a prominent resident of that township. Besides his wife five sons and two daughters survive. What makes his death more lamentable is the fact that his youngest daughter died at her father's home about two weeks ago. Mr. Howard Wright of town is a son and is attending the funeral of his father today, interment being made in Salem cemetery. Mrs. A. McCauley of town is a sister of the deceased.

NEW RESIDENTS IN TOWN

Mr. Chris Thompson of the gravel road east of Maxwell moved his household effects to his farm in the south end of the village, which he recently purchased from Mr. D. McTavish. Mr. and Mrs. Thompson are welcomed to town as very desirable citizens, both being very highly respected.

A Real Buy-at-Home Story

Rusel T. Kelly of Hamilton, in introducing the subject of buying Canadian goods at home, at the Junior Farmer's Banquet at Guelph recently told the following story: A man went home one night and told his wife that he was in financial difficulties and if he could not raise $1,200 by the following noon, the bank would force him into an assignment The following morning his wife presented him with bonds sufficient in value to meet the demands of the bank. On being questioned where she obtained them, she told her husband that, after hearing him declare shortly after their marriage that her kiss was worth $1, she had kept track of the number of times her husband had kissed her and extracted a dollar from his pocket for each one. She had invested wisely and was now able to help her husband in his financial difficulty. The husband was delighted, though for a time and then exclaimed to himself: "Gee, I would now be a millionaire if I had done all my kissing at home!"

A recent summary of the dairy industry in Western Canada shows that the provinces of Alberta, Saskatchewan and Manitoba, which a comparatively short time ago did not provide enough for their own requirements, now account for nearly 30 per cent. of the butter output of the Dominion.
