New Chevrolet Car Soon To Be Issued

Will Be $50 Cheaper Than the Present Model and Six and Three-quarter Inches Longer.

The General Motors Corporation will introduce early next month a new line of Chevrolet cars, to be priced at slightly less than the present models and to be designed especially to meet the competition offered by the new Ford models.

Officials of the Company have declined to reveal their plans for the new Chevrolet line. They have been in fact, more reticent than the Ford company was about its 1928 cars. It was reported yesterday in Wall Street that the new Chevrolet models, concerniang which there has been a great deal of conjecture, would be ready for exhibition at the automobile show in Toronto in January.

It is reported that the new Chevrolet will have a wheel base of 109¾ inches, or 6¾ inches longer than at present. The three principal types in the new line will be a coupe, sedan and coach, which will sell for about $50 less than the current models.

One of the most important mechanical changes is understood to be the adoption of four-wheel brakes and an especially designed aluminum composition piston. Refinement of body lines and drastic changes in the radiator are also reported.

By the beginning of the new year it is expected that production of the new line will be about 100,000 cars each month.

The local post office was exceptionally busy last week, an immense volume of mail passed through and was deported by Postmaster Trimble and his two assistants. It was one of the heaviest Christmas mails on record and was handled in a thorough manner. During the past few years the public has been educated to mail their Christmas parcels early and was seen this year to bear fruit. The peak of the rush came in the middle of the week and saved the post office employees from a last minute rush. It also insures the parcels of reaching their desination before Christmas.

Coat and Gauntlets Given to Singhampton Doctor

The people of Singhampton were much pleased when it became known that Dr. Kyles had decided to practice and take up residence in that village, having his office in the building formerly used for the bank. It is sometime since Singhampton has had a resident doctor, and while the services of the doctor from Maxwell were much appreciated it is thought that a man in closer proximity will be much better.

Dr. Kyle, who is a young man, is locating at Singhampton well recommended, having graduated from the College of Physicians and surgeons in Toronto University and practiced for a time in Orangeville.

The citizens immediately considered a means of becoming acquainted with the new doctor and in order to do so they gathered in Hammill's Hall on Monday, Dec. 12th. Mr. J. A. Taylor acted as chairman and after the gathering had been called to order, Messrs. Schwantz, W. T. Taylor, Stinson and Rev. McCausland, in eloquent words extended a welcome.

An address was read by Mr. Percy Neff and Master Howard Hammill presented the new doctor with a lovely fur coat and pair of gauntlets.

Dr. Kyle replied in a few well chosen words, thanking the people for their generosity.

Edward McKean Died

The family and wide circle of friends of Mr. Edward McKean of Kolopore were shocked and saddened by the death which occurred in the General Hospital, Toronto on Tuesday evening of last week. He had been suffering from a cancerous trouble and had gone to Toronto three weeks ago to consult a specialist.

Mr. McKean was a member of a widely known family. He was a son of the late Archibald McKean and a brother of Mr. Andrew McKean and the late Albert McKean. He was married twice, first to Ivy Gardner and the second time to Frances Smith of Feversham. One son, Lloyd, by the first marriage is in Riverdale, California, and the eleven children in the second family are all at home, and with their mother mourn his death.

Mr. McKean was about 45 years of age. He was born on the McKean homestead at Kolapore and had grown up with the lumbering and sawmill business. With this he coupled farming.

The remains were taken to Collingwood on Wednesday and taken to the home of Mr. T. J. Gardiner, where the funeral service was held.

We take this opportunity of thanking our friends and customers for their liberal patronage in 1927 and wish them prosperity through 1928.
