Profit Lies in the Finish

It pays to market cattle with the proper degree of finish. A quality product always commands a premium and is readily saleable at a profitable price. If you have stock which needs a little ore time for finishing, and the feed is scarce, see the local manager of the Standard Bank. It is a simple matter to arrange a loan to carry the stock until a favorable market warrants a profitable sale.

Flesherton Won 6-5 From O. S. Sun Times

The opening hockey game of the season here was played in town on Monday afternoon, when the Owen Sound Sun-Times team came down and lost out to the local sextette 6-5. In places the game was real fast and at other times was lagging, but good hockey was played considering that very little practice had been indulged in. Reg Boyd was Flesherton's best man and was also the fastest man on the ice. He played defence and scored four goals, Dr. Lively securing the other two. Owen Sound was bottled up in their own end of the rink the first period and they failed even to secure one shot on the Flesherton citadel. Akins was kept busy, busier than he ever was when he starred for the local team two years ago, and had scores of shots to handle and only allowed three to go past him in the first period, two of them by Boyd and the odd one by Lively. The second period was even scoring, both securing one and in the third stanza the Sounders came in fast and brought their score up to five, with four nice goals that were well earned. Boyd and Lively again registered, the latter on a pretty effort by drawing Akins out and shooting at an open net.

The teams' line-up was:

Owen Sound—Goal, Akins; defence McCarthy and Moon; centre, Puckett; left wing, Robertson; right wing, Bowerman; sub., Follis.

Flesherton—Goal, Thurston; defence Armstrong and Boyd; centre, Nuhn; left wing, McDonald; right wing, Lively; subs., McTavish and Crossley

BOTH LEGS BROKEN

Large tree falls on Orangeville man with serious results.

Shortly after two o'clock Saturday afternoon, Rance Overland of Orangeville met with an accident while felling a large basswood tree on the farm of Thos. McClennan, fourth line, west Caledon.

As Mr. Overland cut through the tree, which was nearly two feet in thickness at the butt, it began to fall and in moving out of the way he tripped on a root and fell on the the ground. He was all alone at the time but his cries brought Mr. McClennan to the spot and the unfortunate man was rushed to Lord Dufferin hospital in his employer's car. It was found that Mr. Overland's injuries consisted of a compound fracture of both bones of the left leg and both bones on the right leg were broken above the ankle. Orangeville Sun.

A MISTAKE IN CITIZENSHIP.

It is interesting to note that many of those who are nominated for public office and who withdraw from the field, state that they do so because they have no desire to force an election upon the citizens. They apparently have the idea that they are conferring a benefit on the electors by debarring them from the opportunity of voting on the day set aside for the municipal elections. This is a very mistaken idea. By dropping out of the field and allowing other nominees to be elected by acclamation, these citizens are actually depriving their fellow ratepayers of what is their right and privilege under a democratic form of government, the right to say who shall be their representatives on the elective public bodies.

CARD OF THANKS

The annual Sabath school concert in St. John's United church on Monday was quite sucessful, there being a large attendance. An outstanding feature of the program was a cantata by a number of young people, who displayed considerable dramatic and musical ability. Miss Helen Heard presided very pleasingly at the piano for this part of the program. The proceeds amounted to $85.

Recently Mr. Mark Murphy of the 8th line, Osprey, came into The Advance office and informed us that last July he had lost a valuable buggy robe, but had neglected to advertise it. After being lost for five months the advertisement was inserted in The Advance, appearing on Wednesday, and Mr. Murphy was in possession of his robe Thursday night. Needless to say Mr. Murphy was delighted with the power of the "Small Advt."

Mr. Fred Pinder, of town, last week received a letter from his sister, Mrs. Sam Wragg of Sheffield, England, in which she stated that she heard the Prince of Wales' speech given at the opening of the Peace Bridge at Bridgeburg last August. His voice came over the great distance of air very clearly and was heard quite distinctly. She also stated that the Prince of Wales is giving a glowing picture of Canada in his speeches delivered in England.

Close Fight for Offices in Artemesia

The Municipal election in Artemesia Township on Monday resulted in the election of Mr. Alex. Cameron as Reeve, by the small majority of 24. Last year Mr. Cameron was defeated by Mr. Hogarth by exactly the same number of votes—24. The new Reeve is not a novice at the job, either, he having been a member of the County Council for five years and a member of the Township Council for seven years. Mr. Cameron and Mr. Hogarth have been running what might be called a neck-and-neck race. Both are good men. The other members of the Artemesia Council are: Messrs. Herbert Corbett, Deputy-Reeve, who had three opponents, J. A. Davis, R. D. Purvis, both of last year's Council, and I. B. Whittaker, a new comer. The representation is almost perfectly spread over the township. Following is the complete vote by divisions:

Next year Artemesia Council will abolish statute labor and will have a road superintendent, and considerable work will have to be done by the new council to get the new system working smoothly.

MARKDALE

There was no election for the reeveship in Markdale, T. H. Reburn, having secured the office by acclamation, succeeding A. E. Colgan, who retired to go back into the council. The chief interest centred in the election of Councillors, there being six candidates for the four positions: W. Foster lowing were the results: W. Foster 183, A. E. Colgan 175, E. Tuck 175, A. W. Sproule 150, J. H. Johnston 131 and J. E England 61 The first four were elected.

A vote was also taken on the question of the erection of a new skating rink and community hall combined, a proposition involving the expenditure of between $10,000 and $12,000. The vote was favorable to the scheme, the figures being 104 to 47. An effort will be made to secure government aid for this project.

DUNDALK

H. C. Moody was returned as reeve over Geo. Stocks, the vote being 181 to 94. The first four of the following were elected to the Council: R. J. Russell 174, J. H. Spanhouse 165, Jas. Carson 158, R. K. Robinson 148, Jos. Duff with 108 and C. K. Armstrong with 69 were the defeated candidates for council.

EGREMONT

Reeve Neil Calder of Egremont township was returned to office at the municipal elections Monday, obtaining a majority of 10 votes over his rival Noble Wilson. The battle for the reeveship was one of the closest ever held in the township. The 1927 Deputy-Reeve, John A. Ferguson, was defeated by William Hunter, the latter having a majority of 96.

EUPHRASIA

A new reeve was elected in Euphrasia township on Monday when H. H. Thompson defeated W. H. Erskine in the contest for reeve. The council elected was G. A. Gilchrist, J. A. Cook, J. A. Halburt and E. Kirkpatrick A fairly large vote was cast.

The Diamond Need Never be Old-Fashioned

PRECIOUS STONES never wear out. Their immortality is assured. But the stones richest in associations are often found in settings which seem unlovely to modern eyes.

For surprisingly little money, you may have the precious stones from an old-fashioned jewel mounted in an exquisite new setting that will enhance the beauty of the gem many times.

Let us show you the lovely modern settings for rings, bar-pins, etc., in white or green gold and platinum.
