Her death is sincerely mourned by many friends and general sympathy goes out to the bereaved husband and family. Her remains were interred on Monday at Evergreen Cemetery.

POSSIBLE PROSECUTION.—About last Christmas, a son of a prominent Trafalgar farmer married the daughter of another. The young people have been persecuted since by certain lawless youths who have chiravaried them repeatedly. A very pretty house wedding was solemnized at the residence of Mrs. Osborne, Martin-st., yesterday evening, when F. M. Chapman was united in marriage to Miss Kate Mackenzie, late of Dundee, Scotland. The bride was gowned in cream nun's veiling and carried a spray of pink and white carnations. After a sumptuous repast, a pleasant evening was spent in music and games.

Willmott read a most practical paper on "The Influence of Literature on Our Lives," making a strong plea for solid, substantial reading. A paper on "Serving the Dinner" was read by Mrs. Lawrence. An instrumental solo was well rendered by Miss Lisle Campbell, and Miss Kathleen Panton favored the audience with a beautiful vocal solo.—Com.

Opening of Milton Men's Club.

At the invitation of the executive committee, a large number of friends assembled in the reading room of the town hall on Saturday evening last to take part in the opening of the Milton Men's Club. The first hour was spent in recreation, while some of the ladies discoursed sweet music; after which all the guests gathered in the reading room to listen with pleasure to the programme. This was an impromptu one, but was very much appreciated. Mrs. Zimmerman, Miss Dewar and Miss Pearl Ramshaw gave several instrumental selections, which were much enjoyed, while Miss Rose Lewis delighted the audience with her rendering of the beautiful song, "Spring is Coming." E. Syer, who officiated as chairman for the evening, opened with an address of welcome to those present, and expressed pleasure that so many had accepted the invitation extended to them. Interesting speeches were also given by some of our most prominent townsmen, among whom must be mentioned the Rev. A. J. Belt, Mayor Higginbotham, Dr. Robertson and J. S. Deacon. Dr. Robertson, who has been treasurer of the Library Board for over 30 years, has had over $16,000 of library funds pass through his hands during that time.

After the foregoing programme, an exceedingly dainty luncheon was served, which had been provided by the ladies' committee, Mesdames Robertson, Syer, Panton, Belt, Barnett, Parkes and Irving.

The reading room, which has been quite recently refloored and decorated by the town council, will be thrown open every evening to anyone who wishes to take advantage of it; but the reading room in the rear is reserved for members of the Men's Club only. In this room games of different kinds are provided. Mr. Landsboro' will be in charge every evening from 7.30 until 11 p.m., and any member wishing to exchange books may do so at any time between those hours. Ladies are invited to make use of the reading room whenever they feel disposed to while away a short time with the daily papers, or one of the many magazines with which reading room is so well provided. Everyone is welcome, so please come and do your share towards making our Men's Club and Public Library a complete success.

Mr. Dice objected to the town hall accounts on the ground that work was not let by tender, and asked for yeas and nays, which were—Yea, Bews, Waldie, Somerville, Higginbotham—4. Nay, Dewar, Dice—2.

It was explained that the work, which was that done in the reading room lately, was given to the only parties who could undertake it, and that there was no use advertising for tenders.

Raymond's Record.

Michael Biggar is again on the street. With a wonderful vitality, he is now convalescent after a trying illness. They say you can't keep a good man down, and you certainly cannot keep Mr. Biggar down, for he spent Tuesday morning up in the limbs of his trees at home, cutting and pruning. He celebrated his 80th birthday on the 27th of January. He is Canadian born, first seeing the light of day at Fruitland, near Beamsville. Mr. Biggar was a schoolmate of Stafford Marlatt, both going to a school at Winona under the shadow of the mountain. He is slightly older that Mr. Marlatt, and both are fine old gentlemen.

Two Belleville ladies were the victims of a daring hold-up on Saturday evening.

General Booth at London stated that the Salvation Army would send 10,000 emigrants to Canada this year.

STOMACH CURE.

An Easy Way from the Standpoint of Convenience.

The so-called cures for indigestion are almost as numerous as the victims themselves, and scarcely a day passes without the hopes of thousands of sufferers being raised by the discovery of some novel method of cure for this prevalent disease.

Until a combination of unusual remedies, heretofore but little known in this country, was made in Mi-o-na tablets, no certain cure for indigestion had been found, and it is therefore hardly to be wondered at that our leading druggists who have the Milton agency are selling large quantities of Mi-o-na.

Mi-o-na is a guaranteed cure for all diseases of the stomach excepting cancer. If you have pains or distress after eating, headache, belching of gases, sour taste in the mouth, dizziness, heartburn, specks before the eyes, furred tongue, sleeplessness, backache, debility or weakness, it shows that the stomach needs to be strengthened with Mi-o-na.

Just one little tablet out of a 50 cent box before meals for a few days and you will soon regain perfect health and strength.

If you cannot obtain Mi-o-na of your druggist, it will be sent by mail, postpaid, on receipt of price. Write us for advice on your case from a leading stomach specialist which will be sent free. The R. T. Booth Company, Ithaca, N.Y.

White House Wedding.

Washington, Feb. 17.—In the beautiful white and gold east room of the White House, a few minutes after noon to-day, the Venerable Right Rev. Henry Y. Satterlee, bishop of Washington, of the Protestant Episcopal church, pronounced the fateful words which united in marriage Alice Lee Roosevelt, eldest daughter of the president of the United States, and Nicholas Longworth, the representative in congress from the first district of Ohio. The ceremony—the simple, beautiful and impressive ring service of the Episcopal church—was witnessed by one of the most brilliant and distinguished assemblages ever gathered in the White House. Approximately one thousand persons were invited, but no list of the guests was furnished for publication.

Thomas Urquhart, Liberal; Wm. K. McNaught, Conservative, and James Simpson, Socialist, were the nominations for North Toronto.

The Whitney Government has collected $1,960 from the Bole bondsmen and $1,900 on account of bonds given for the appearance of Lott. Bole, it will be remembered, was one of the chief actors in the frauds by which the verdict of West Elgin was falsified. Lott was the chief in the attempt to introduce automatic ballot switchers to Hastings and Frontenac. The Government has not been able to reach the offenders, because they had skipped out before Mr. Whitney obtained power; but it has done its full duty by forfeiture of the bonds given for the appearance of the criminals.
