When a woman suffers from depressing weakness, she then keenly realizes how helpless—how thoroughly worthless she is. Dr. Shoop has brought relief to thousands of such women. He reaches diseases peculiar to women in two, direct, specific ways—a local treatment known by druggists everywhere as Dr. Shoop's Night Cure, and a constitutional or internal prescription called Dr. Shoop's Restorative. Dr. Shoop's Night Cure is applied locally, and at night. It works while you sleep. It reduces inflammation, it stops discharges, it heals, it soothes, it comforts, it cures.

Dr Shoop's Restorative (tablet or liquid form) is a constitutional, nerve tissue tonic. It brings renewed strength, lasting ambition and vigor to weak, lifeless women.

These two remedies, singly, or used together, have an irresistible, positive helpful power. Try them a month and see. Sold by Red Cross Drug Store.

NOW IS THE TIME.

Summer is Best Season to Cure Catarrh. Hyomei Sold Under Guarantee.

Summer is the best time in the whole year for the treatment of catarrhal troubles, and we urge every reader of the Champion to use Hyomei now and be permanently cured.

Unlike the ordinary treatment for catarrh, there is no stomach dosing when using Hyomei. The remedy is breathed through a neat pocket inhaler that comes in every outfit, and its balsamic healing air penetrates to the most remote parts of the nose, throat and lungs, searches out and kills the catarrh germs, in all parts of the respiratory organs and soothes and heals any irritation there may be in the mucous membrane.

Hyomei is not alone the only natural treatment for catarrh, but it is the only one sold under an absolute guarantee to refund the money unless it gives satisfaction. It kills all disease germs and restores the mucous membrane of the throat, nose and lungs to perfectly healthy condition.

The complete Hyomei outfit costs but $1.00, extra bottles, 50c. For sale by all dealers. The R. T. Booth Co., Buffalo, N. Y.

P. D. Crerar, K.C., has offered to build a recreation hall for the use of the patients at the Consumptive's Sanitarium.

While bathing and paddling in a boat in Niagara River Martin Kane and H. L. McGrath drifted out into the current. Kane was carried into the Whirlpool Rapids and drowned, but McGrath managed to save himself by stong swimming.

General Store.

For many years we sold goods on 25 per cent. profit. Two years ago we commenced selling at 15 per cent. Since then we have doubled our trade. Others charge 30 to 40 p. c. profit; consider the difference. We carry a large stock of Boots & Shoes, in leather and rubber, suitable for the largest man or smallest child, Readymade Clothing, Gents' Furnishings, Ladies' Costumes, Skirts, Blouses, Underwear, Hosiery, and many other lines usually kept in a general store.

We deal extensively in mis-mated Boots & Shoes, in leather and rubber goods. We buy them all over the Dominion, mate them and sell them for about one-third the price of mated goods of same quality.

We carry a large stock of odds and ends of cloth. We buy these remnants for less than half price. We sell them for half price; they are suitable for Ladies' and Children's Clothing.

Men's, Boys', Youths' and Children's Suits we sell at 10 per cent. profit, on all other goods we carry 15 p.c. profit.
