Catarrh Can Be Cured.

Japanese Catarrh Cure

has successfully coped with this most dangerous disease, and cured to stay cured.

Miss A. Knott, of Beachville, Ont., writes: "If we had only known of Japanese Catarrh Cure years ago, my father would have been saved from spending hundreds of dollars and I would have been free from the constant pain and annoyance of this most disgusting disease. I have had catarrh for years. My head was stuffed up so that I could not breathe through my nostrils. My breath was very impure. I had almost a constant pain in my head and over my eyes. Nothing I could get gave me any permanent relief, until using Japanese Catarrh Cure. From the very first it gave me relief, and in a short time had removed the accumulation so that I could breathe freely through the nostrils. The pain left my head and eyes. Its effect upon my breath was truly wonderful, purifying and removing every vestige of the unpleasant odor, and during the past year since using this remedy have not felt the least sign of my former trouble. I can highly recommend it, and know of several others in our neighborhood whom it has cured."

Sold by all druggists. 50 cents. Six boxes, with cure guaranteed, for $2.50. A free sample sent to any address. Enclose 5 cent stamp. Address The Griffiths & Macpherson Co., 121 Church Street, Toronto. 1145

Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. ON SUSPENDED SENTENCE.—On Monday Police Magistrate Dice tried his first case since his appointment. It was that of Bert Graham and Wm. Nichol, the two Toronto men arrested on Wednesday night of last week at the C. P. R. station, as reported last week. They were charged with trespassing on the property of the C. P. R. and with using profane language. Evidence as to the trespass was given and also of lurid language which they used on the way to jail in their indignation at their arrest. The men explained that, being out of work at Toronto, they were on their way to London when arrested, that they had walked from Streetsville to Milton, had arrived here too late to get meals at any hotel and were at the station because they hadn't money to pay for accommodation down town. Nichol had left his wife at Toronto and was anxious to get work so as to be able to provide for her. A letter from a prominent Toronto man testified to the good character of the young men. They were convicted, but released on suspended sentence.

Great Benefit to Farmers.

It is the unanimous opinion of successful up-to-date farmers that the Family Herald and Weekly Star, of Montreal, is of more practical benefit to them than any purely agricultural journal. In addition to its splendid agricultural section it is also a weekly newspaper and magazine that no family can well afford to be without. At the small price of one dollar a year it is the marvel of the newspaper world. Any person wanting the best dollar's worth they ever got should give the Family Herald and Weekly Star a trial for 1908. The enormous demand for it at this season of the year makes it necessary to remit early to ensure getting the paper promptly.

The Irish Nationalists have decided to drop their quarrels and concentrate their strength in an attempt to secure home rule.

SOMETHING SHOULD BE DONE.

What is Causing the Increase of Catarrh in Milton?

In spite of the best efforts of medical men, catarrhal troubles are increasing not only in Milton, but all over the country.

Catarrh is a germ disease, and to cure it germ life in the breathing organs should be destroyed, and to do this, no other treatment has such positive and beneficial action as Hyomei.

When the mucous membrane is irritated and raw and the tissues weakened, there is an ideal lodging place for catarrhal germs. Breathe Hyomei and see how quickly it soothes the membranes, vitalizes the tissues and destroys all the disease germs, rendering catarrh no longer possible.

There is no dangerous stomach drugging when Hyomei is used; no tablets or liquid mixtures, whereby the digestion is often destroyed and intestinal troubles added to the horrors of catarrh.

Breathed through the neat pocket inhaler that comes with every Hyomei outfit, the healing balsams penetrate to the most remote air cells of the throat, nose and lungs, destroying the catarrhal germs so that quick recovery follows.

We positively guarantee Hyomei, for should you buy a complete outfit, price $1.00, and be dissatisfied with results your money will be refunded. Hyomei is sold by druggists everywhere. Write for literature. Booth's Hyomei Co., Buffalo N. Y.
