Social Evening Enjoyed at St. Columba Church

The young people of St. Columba United Church, Priceville to the number of 53, with a goodly number of visitors present, enjoyed a fine elevating program given by the side captained by Miss Marion Muir. After the opening exercises the reading of a chapter by Mr. Elmer Hooper an explanatory paper on the chapter was given by Miss Annie Teeter. The topic "The place of pleasure in life" was taken by Miss Martha Watson in a fine written essay, followed by Mr. Leonard McArthur with a reading on the same subject. A reading by Mr. Elmer Harrison on "Doing the thing worth while" was also a good selection. Current events was given by Mr. Donald Reily. To fill a vacancy on this side Miss Grace Ramage was borrowed from the Gold Group to give a couple of piano solos A short play was given by Messrs. Milton and Gordon Teeter, introducing humorous skits with local celebraties A Bibical contest were thereafter held by the four groups, naming the person from the happening or the deed performed as mentioned in the Bible., a splendid exercise.. The meeting closed by all repeating the Lord's Prayer in unison.

In the meantime "hot dogs" were being dished up in the kitchen by that veteran cook of the old brigade, Mr. C. S. Sheffel. These were handed out by boy waiters—this being the men's treat all through—accompanied by a fine steaming cup of hot cocoa What if one did put in his cocoa a spoonful of onion salad, mistaking it for sugar, it only served literally, to add spice to the occasion. The social intercourse part of the meeting was closed by the usual circle of unity, and declaring musically, We'll drink a cup of cocoa yet for Auld Lang Syne.

Proton Team to Win?

There is much conjecture as to the merits of the Proton Station hockey team and the Flesherton sextette with Dr. Lively off the line-up. Proton says they will win the next game and the locals state it is impossible. However, the merits of both teams will be demonstrated in the rink here next Tuesday night, when the game will be called at 8 p.m. We understand that wagers are being placed by the Proton supporters.

Eugenia Birthday on Leap Year Day

EUGENIA

Every four years Miss Lucy MacDonald has had a birthday anniversary on February 29th. This year she had a most enjoyable event, when she invited her school mates and little friends, about two dozen to help her celebrate the occasion of her 12th birthday. Mrs. Adam Smith took charge of the children, amusing them in games, etc.. After this came sumptuous supper. The table, which was laden with many good things was centred by a three story birthday cake with its twelve candles. Mrs. Len Latimer lit the candles and Lucy had much pleasure in blowing them out. She received many pretty and useful gifts from the children and the grown ups. We join in wishing her many happy returns of the day.

In the evening about 25 young people were entertained at the home of Mr. Jos. Sherwood in the honor of Mrs. Susan Doupe of Saugeen Juct. who has been visiting there. A very congenial time was spent in games and musical numbers were enjoyed. Lunch was served at midnight, the party breaking up about two o'clock.

We have had three weeks of considerable stormy weather. Sunday was one of the stormiest days, there was no church services, the roads being blocked. No mail service on Monday. Mr. Chas. Thompson, our efficient mail carrier from Kimberley to Flesherton tried to get through on Monday, and got as far as Mr. Wm. Duckett's, when he had to return home again. Much credit is due to Mr. Thompson for his untiring efforts in attempting to give good mail service He is one of the most obliging mail carriers.

We are very sorry to report the serious illness of Mrs. Jos. Sherwood who took suddenly ill on Saturday morning. Dr. Lively is in attendance. Her sister, Mrs. Doupe, is also with her. We hope Mrs. Sherwood will soon recover from her critical illness.

Mrs. Jas. Linton of Warehan visited recently with Mrs. Robt. Purvis.

Little Miss Edna Partridge has recovered from her recent attack of tonsilitis.

Miss Mildred Johnston, teacher, spent a couple of days at her home in Kemble last week, while the heating system in the school here was being repaired. However all was in working order soon and school reopened again on Friday.

Mrs. John Campbell, and daughter Bernice visited with her sister, Mrs. Wilfred Magee, 8th line.

May Shoot Dogs

A reader handed in the following taken from the game laws, which would seem to settle the question as to whether dogs found running deer during close season may be killed or not by anyone seeing them:

Section 32—Sub-Sec., 1: No owner of any dog shall permit such dog to run at large during the close season for deer in a locality where deer usually inhabit or are found.

SubSec. 2: Any person harbouring or claiming to be the owner of such hound or dog shall be deemed to be the owner thereof; and any dog found running deer during th close season shall be deemed to be at large with permission of the owner and may be killed on sight by any person and he shall not be liable to any penalty or damage thereof.

Mumps are epidemic in Orillia. Over four hundred pupils and teachers are out of school with the disease. This is the second outbreak this year. It was thought to be over, but a matinee in the Opera House, which the pupils of all schools were permitted to attend spread the disease worse than before.

Owing to the severe storm Sunday our pastor, Mr. Prosser, did not get to his appointment at Inistioge and Proton. The service here was withdrawn.

Miss Margaret Sinclair entertained a number of her friends to a birthday party on Tuesday evening, when a most enjoyable time was spent.

Mr. A. Whittaker has rented Mr. E. Sergant's farm and will take possession the first of April.

The measles have visited all the homes of the school children for the past week and now we believe that this week end will see all recovered from it and able to be out again.

The Ladies' Aid held their regular monthly meting at the home of Mrs. Rutledge on Wednesday afternoon. Although very stormy and disagreeable afternoon there was a good attendance. The President, Mrs. Wm. Gibson, opened the meeting in the regular way and business was proceeded with. Mrs. F. J. Collinson and Miss M. Hemphill each gave very interesting papers, which were received with interest. Mrs. Geo Cairns and Miss M. Hemphill gave a very enjoyable duet. It was decided to have a social about the middle of March, the date of which will be decided later. A contest is to be held for new members so when you are asked to join just hand over your quarter and say "Sure, I'm pleased to." The hostess then served a dainty lunch and the meeting was brought to a close.

Mr. Thos. Irwin, who was recently operated on in Durham hospital, was able to come home on Tuesday.

Mr. A. C. Muir had a car of sweet clover seed arrived the first of the week and unloaded it into the granery.

Fine Returned to Village

In July of last year Constable Johnston arrested two young men from Niagara Falls who were in the town with an automobile load of liquor and a charge was preferred under the Liquor Control Act. Police Magistrate Creasor came from Owen Sound to hear the charge accompanied by Crown Attorney Dyer and Provincial Constable Denton. Before the trial was completed a new charge was preferred and Constable Denton was the prosecutor. A fine of $100 was levied, the liquor confiscated and taken to Owen Sound. The local authorities were not too well pleased with the outcome and as a result took the matter up with the Department in Toronto and now have the satisfaction of having the fine returned to the Village Treasurer. — Markdale Standard.
