Chatsworth 5, Flesherton 1

The Chatsworth lads came down on Tuesday evening and decamped with the long end of a 5 to 1 score, the first defeat being registered to the local clan on home ice this year. The ice was in good shape and the game was fast from the beginning. Chatsworth tallied their first goal fifteen seconds after the commencement of the game in a long that was difficult to see. Reg Boyd broke the jinx that has been following him since the initial game of the season and made Flesherton even, also by a long shot. Shortly afterward Lively scored a nice one but the goal was not allowed Chatsworth secured two more in each of the second and third periods. Gracey was off color and ordinary shots which he generaly smothers, escaped his eagle eye. The return game with Chatsworth will be played shortly.

Chatsworth — Goal, Cook; Defence, Myles and C. Dudgeon; Centre, A. Dudgeon; Wings, Woods, McFarlane; Subs., Merriam and Alex. Dudgeon.

Flesherton— Goal, Gracey; Defence, Thurston and Boyd; Centre, Nuhn; Wings, McDonald, Lively; Subs., Dow and Armstrong.

Referee—W. Galbraith, Chatsworth.

Markdale Here This Friday

The Markdale High School have challenged the local High School here on Friday night of this week to a fast and classy game of hockey. There are some real players on the Flesherton team, and Markdale boost of a very fast team, so why not see the boys have it out on Friday night of this week. Admision 20 and 15c.

PROTON DEFEATED

The Proton boys journeyed through the storm on Thursday night of last week and after getting the better of Red School in a game of broomball by the small score of 2-1, were then defeated by the Flesherton Cougars by the score of 11-4. The Flesherton boys had the better part of the play, as the score indicates, but owing to Proton having no rink they excelled themselves wonderfully.

Proton — Goal, Batchelor, Defence, Hodgson and G. Acheson; Centre, H. White; Wings, Wyville and E. White.

Flesherton— Goal, Gracey; Defence, Armstrong and Thurston; Centre, J. Nuhn; Wings, McDonald and Lively; subs., Chercotte and Dow.

BACON HOG CLUB HAD A SUCCESSFUL YEAR

The officers of the Flesherton Bacon Hog Club have made their annual statement to the government and the report shows a very successful year. The hog used is a Yorkshirt, Orchard Valley Emperor No. 120,233, and is kept by Mr. Chas. Stewart on his farm, Toronto Line North. Eighty sows were served during the year, 52 of which classed as good bacon type, 26 as medium and 2 fair. Receipts were $120, from the service charge of $1.50 and the caretaker received $100 for his work, leaving a balance on hand of $20.

Mr. Chas. Stewart is the President of the Club, while Mr. Reg Boyd is Sec.-Treas. and Messrs. Wm. Irwin and Harold Lever are the Directors.

Farmers of the Dominion are finding the bacon hog clubs more profitable. This is particularly so in the Province of Ontario, where the hog is bringing both fame and money to the farmers.

There are now 350 bacon hog clubs throughout Ontario, all doing everything possible to promote improvement in the breeding of hogs, which are regarded as sure profit producers for farmers.

The increase in the number of swine on the farms of Canada in the last year totals 800,000, while the value of the Canadian exports of bacon and ham last year amounted to $22,768,782.

VILLAGE COUNCIL

Flesherton village Council met on Mondayevening with all members present and talked over matters for an hour or so. Three or four small accounts were passed. It was decided to place another light at the cemetery swamp this spring. A communication was read from Mr. Pringle, chairman of the Good Roads Committee, stating that he knew no reason why this village could not care for its own county highway this year and receive the money as in the past, nothwithstanding that the County Council had agreed to take it over. The council was unanimously of the opinion that the street would be properly looked after in the hands of the county officials, and favored spending the money themselves, which they believed could done to better advantage by local men.

The Council also decided to purchase a gravel screen, which has been a need in the past and will save much labor in putting down gravel.

Richardson — Phillips — That the Council ask for tenders for dragging the streets during the coming summer. —Carried.

Freeman — Phillips — That C. N. Richardson and G. B. Welton be a committee to wait on Dr. E. C. Murray with a view to having him set a price on the property known as Chalmer's Church, or if he wishes to sell it to the village for a community hall or town hall.—Carried.

The Broomball League

The broomball League is drawing to a finish with everybody conceding the Red School team the top rung. A real fight is on for second place as the standing below will show:

	Won	Lost	Tie	Pts.
Red School	5	1	1	28
Proton	2	1	2	16
Findlay	2	3	1	13
Phillips	1	3	2	11
Ceylon	1	3	2	11

In order to get the race completed before the breakup of the ice, the games will be called as fast as possibl and to-night (Wed.) Findlay's and Phillips' teams will meet at 7 p.m., so as to get in an extra game before skating. Then on Thursday before the hockey game Proton and Ceylon will play at 7.30 and on Friday night the Phillips and Proton teams will meet for their postponed game of last Friday and also play off the time game of a couple of weeks ago. It is expected that the last game between Findlay's and Proton will be played on Monday night, March 12th.

DUNDALK HERE THURSDAY

Dundalk seniors will be in Flesherton this Thursday evening for the return game. This should be one of the best games in years on the local rink, as both teams are evenly matched and good hockey should result. The rink should be packed that night with fans, and by advance notices it will be. Don't miss this one.

PUBLIC SCHOOL WON AGAIN

The Public School won their second hockey game from Forms 1 and 2 of the High School on Friday night by the score of 12-6. In a few more years of experience these boys will certainly put a team on the ice that will be hard to beat.

PROTON STATION

The proverbial March lion has been very much in evidence during the early days of March.

Our hockey team met their Waterloo last Thursday night when they had the nerve to line up against the fast Flesherton Cougars, and were defeated in a 10-4 score. The Cougars are rather too Lively for our rinkless boys.

The broom ball game the same night between Spring Hill and Proton resulted in a 2-1 score in favor of the Proton boys.

Mr. A. Blakey, and family, who have been living for a term of years on the Binnie farm, near the Juct. have moved to the third line, Artemesia, and Mr. Jno. Pattison and family are moving to the Binnie property.

Miss Roberta Acheson is the recipient of a beautiful brown leather club bag, a gift from the United Church through their board of managers, in kindly recognition of her services as organist.

Mr. and Mrs. Earnest Lyons have gone to Toronto. Mrs. Lyons will remain for a few days to visit friends.

Mrs. Storey of Toronto has been visiting her aunt, Mrs. Vause, and on Monday evening Mrs. Vause accompanied her home and will visit for a while in the city.

Mrs. Frank Pringle (nee Ethel Consley) has been seriously ill at a Toronto hospital, having had an operation for appendicitis, and Mrs. Wilson has also been under the doctor's care.

Owing to the terrible storm last Sunday the ministers did not reach the Proton Station appointments.
