...GIRLS AND WOMEN.

S... ...ep Their Blood Supply ...ich, Red and Pure.

On every hand you see women and growing girls in the deadly clutches of anaemia. Slowly but surely a pallor as of death settles on their cheeks; their eyes grow dull; their appetite fickle; their steps languid. Daily they are being robbed of all vitality and brightness. The trouble, if neglected, becomes more acute until the signs of early consumption become apparent. What women and young girls in this condition need is new, rich, red blood, and there is no other medicine can do the work of Dr. Williams' Pink Pills in making this new, good blood. These Pills make girls and women well, and bring back the charm and brightness of perfect, regular health. Here is a bit of proof. Miss Lillie Orandi, Norwood, Ont., says:

"About two years ago my health began to fail. I was weak, run down and had no ambition for anything. I had frequent headaches, would be completely tired out after the least exertion, and had little or no appetite. A doctor who was giving me medicine finally told me he feared I was going into consumption, which, of course, made me very much downhearted. As the medicine I was taking was not doing me any good I decided to try Dr. Williams' Pink Pills, and I should ever feel grateful that I did so. My story may be summed up in the words that boxes of the Pills fully restored my health, perhaps saved me later, and I am now as strong and healthy as any girl."

Every anaemic sufferer can obtain equally good results through a fair use of Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

Town Council.

The council met on Tuesday evening, the mayor in the chair. Minutes of last meeting read and confirmed.

The committee on light and police reported as follows: We would recommend that the tender for equipment for distribution system be accepted by Hydro-Electric Commission, be accepted, transformers, $2000; switching and protective equipment, $2000; rent P. L. Robertson building, satisfactory arrangement can be made; staggering light on Main Street, two lights on each pole from McGibbon's Hotel to Commercial Street, the placing of the poles to be under the supervision of streets and walks committee; all work to be done by contract as far as possible; that a by-law be prepared and submitted to council to raise by debentures a sum sufficient to meet cost of installing Hydro-Electric power and light; that light committee be instructed to visit Brampton for the purpose of getting information re Hydro matters; also that the following accounts be paid:

Freight on poles	$130.50
Chas. Ellis, unloading poles	10.00
S. B. Andrew	33.75

Provisions For the Future

is wise economy. Nothing like being well supplied with choice Tea and Coffee, for example. These are two articles upon the excellence of which we have reason to be proud of ourselves. Our Teas are carefully selected and correctly blended to yield a pure, strong aromatic flavor much appreciated by tea drinkers, and our Coffees are matchless in aroma and taste. We solicit a trial of both and are sure they will give a new satisfaction.
