I.O.D.E. to Nursing Sisters.

The following is the address from the I.O.D.E. to the Nursing Sisters, read by Mrs. Palmer Book at the veterans' celebration on 15th inst.

To Nursing Sisters Mrs. Eric Robertson, Miss Kathleen Panton, R.R.C., Miss Evelyn Galloway, Miss Elizabeth Scott and Miss Helen Lawson.

Dear friends,—

When the war broke out and there was a call for volunteers, grand and noble indeed was the response of our men and boys. Nothing could be more splendid than the way in which the manhood and youth of our Dominion hurried to recruiting stations and offered themselves in defense of home and native land.

Along with this call for men, there was a call for women specially trained, to care for the wounded, the sick and the dying. And if the response of the men was splendid, no less splendid was the response of the women. From ocean to ocean they offered themselves, and in such numbers that in many places there were long waiting lists, ready to brave submarine menace, air-raid and any and every other danger in order that they might serve.

Never before has patriotic pride had such a splendid inspiration. Ample proof has been given to show that the chief traits in our national character are as strong to-day as ever. The spirit of self-sacrifice is not extinct, and the quality of courage is not decadent. Every class and rank has shown a spirit which makes us proud. All parts of our country have responded nobly in the hour of national need, and it is intensely gratifying to the citizens of Milton that the sons and daughters of our little town, have not been one whit behind the best.

Now the war is over and we are engaged in a three days' celebration of the close of the war and the return of our boys and girls, we are trying to show our appreciation of the self sacrificing devotion to duty, and our admiration for the splendid heroism of both the boys and the girls who represented us at the front.

As a very slight expression of both appreciation and admiration will you accept from us this little pin which represents life-membership in the Imperial Order of Daughters of The Empire, an organization which has played an honourable and no small part in the Great War.

We cannot pass without offering our sincere sympathy to the friends of those who have fallen and expressing our earnest prayer that Never Again will it be necessary for either boys or girls to leave home in such an enterprise.

On behalf of the John Milton Chapter I.O.D.E.

Margaret L. Book, Regent,
Mabel Yates, Secretary.

They quickly relieved him and now he is in the best of health."

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

VETERANS' THANKS.

To Editor of the Champion:

Toronto, Sept. 16, 1919.

Dear Sir.—Kindly allow us to thank the ladies, Mayor, Reeve, town council, "our member," and all the good people of Milton, including the bands, for the magnificent reception accorded us by our home town, and for the beautiful and valuable watches, which we shall always use and treasure as heirlooms of your faith in us, and in gladsome remembrance of the part we were privileged to take in representing Milton in the Front Line, shoulder to shoulder, comrades all, with the rest of the Empire's soldiers, sailors and nurses. This magnificent reception was a climax to Milton's share in the Great War for freedom and although we miss many a gallant and heroic comrade, as in the beautiful words of the Scroll

"He was numbered among those who at the call of King and country left all that was dear to them, endured hardships, faced dangers, and finally passed out of the sight of men by the path of duty and self-sacrifice, giving up their lives that others might live in freedom."

As far as our knowledge, no one single soldier to leave Milton, disgraced her fair name, or oath to King and country.

Before concluding, we must again voice our deepest appreciation to all the women of Milton for their loyal and magnificent support to us at all times, which was our greatest incentive and inspiration to play a part worthy of a place we were happy and proud to call our home town. Long may Milton flourish; as loyal she began, so ioyal she remains.

HYDRO Gas Filled Lamps are as great an improvement over vacuum lamps, for factory light, as the tungsten is over the carbon filament lamp. That's why factory hands work so efficiently by the light of HYDRO.

"A Joan of Arc Machine"

"SHE withstood everything in the field and above all was, and still is, the last and only car to survive until the cessation of hostilities"—Extract from letter received by Ford Motor Company from a British Soldier, in Africa.

Over shell-torn roads, through water soaked fields, second only to the tanks in its power to climb debris and crater holes, the Ford car made a world famous record in the fighting area of the great war. In press despatches, in field reports, in letters, in rhyme and song the praises of the Ford were sounded.

In France -	700 cars out of 1,000 were Fords
In Italy - -	850 cars out of 1,000 were Fords
In Egypt -	996 cars out of 1,000 were Fords
In Mesopotamia	999 cars out of 1,000 were Fords

The Ford power plant that established this world-wide record in every theatre of the war remains the same. It will be in the Ford you buy.

Booze Costs Years of Life

Insurance Records Prove Moderate Drinking Increases Death-rate 35%

LIFE Insurance figures prove that the excess of deaths among moderate drinkers over abstainers runs from 11% to 74%. It is the business of Life Insurance Companies to know the risks a man takes when he uses liquor. These Insurance men have no theories to prove and no doctrine to preach. Their figures are as cold as ice, and they make you pay for the risks you run. To them it is simply business—a matter of dollars and cents. But to you it is a matter of life and death.

Actuarial Comparison of Death Records

Ages	Total Abstainers	Moderate Drinkers	Excess Deaths Among Moderate Drinkers
	4,221	4,617	11%
20-30	4,201	7,041	68%
30-40	6,246	10,861	74%
40-50	13,056	18,524	42%
50-60	29,078	34,568	19%
60-70			

From tables prepared by R. H. Moore, Actuary of the United Kingdom Temperance and General Insurance Company, based on Records of over 60 years' experience.

Are You Willing to Die Before Your Time for Sake of Booze?

THE number of deaths among moderate drinkers averages 35% higher than among abstainers.

If you have habitually taken two glasses of whiskey per day or the alcoholic equivalent in beer, your chances of dying before your time are double those of total abstainers.

It has been costing total abstainers yearly millions of dollars in premiums to help to pay for excessive deaths among drinkers! Can we afford such waste of life and money in the face of the war losses of money and men?

Vote "No" to repealing the Ontario Temperance Act, and "No" to rendering it practically worthless by the proposed amendments.

"No!"—Four Times—"No!"

Answer every question on the Referendum Ballot with an X under the heading "No," and herein fail not, or your vote is lost to Temperance Progress.

Those Who Fought

Endorse the Citizens' Liberty League

The Citizens' Liberty League is proud to state that the following Organizations of Veterans have signified their approval of the League's objects and are supporting it in the endeavour to obtain sane, moderate temperance legislation.

Great War Veterans' Association—Toronto Branches:
Parkdale Central Riverdale West Toronto Earlscourt.
The Grand Army of Canada. His Majesty's Army and Navy Veterans' Association. The Naval Veterans' Association.
75th Battalion Association. 75th Battalion Officers' Association.
The Originals' Club. 83rd Battalion Association.

These great Organizations of men who were the first to answer the call in the fight for liberty are endorsing the platform of the Citizens' Liberty League because they know, with the League, that the Ontario Temperance Act unduly restricts the liberties of the citizens of the Province.

These men ask,—and what men in the Province have such a right to ask?—that you vote "YES" on questions two and three on the Referendum Ballot—and so assure to the citizens a beer containing 2.51 per cent. alcohol by weight, absolutely non-intoxicating—the Beer of the Ballot.

Vote "YES" on all Four Questions

Remember, every voter must vote on every question or his ballot will be spoiled.
