Cougars and Red Men Tie In 2 All Game

The strongest line-up the Markdale Red Men could muster up, with the exception of H. Beard, who was unable to be present, displayed their ability against the local Cougars on Friday night of last week. The game was not quite up to the mark as others here this winter, but just the same some real hockey was presented by both teams.

Markdale made the first counter, when McCutcheon, the fastest man Markdale had, counted one against Batchelor, after ten minutes of play. Armstrong evened up the first period with one for the Cougars, shortly after his wicked shot beating Hand, the new man in the nets.

The second period saw no scoring for either team, but shot after shot was fired at both goalies. Nuhn and Chercotte playing stellar hockey the whole game and shooting hard and as often as possible. Boyd and Thurston played their usual game on the defence, making and stopping spectacular rushes. Batchelor, the Proton net minder substituted for Gracey, the regular, who is resting with the mumps.

In the third period Markdale again secured the first goal and after that there wasn't much hockey displayed. Markdale trying to hold their lead caused the game to lag, but Geo. McTavish, the veteran of the game, secured one on a close-in shot. Both teams tried their hardest to secure a solo to make it their victory. The York bros. played a hard game on the wings and with McCutcheon at centre made a snappy foreward line. Henry and Phil Kelly were very efective on the defence, making brilliant rushes and using their body to much effect. Hand, the new man in the nets, certainly clears his shots, and was on the job the whole game through. The substitutes on both teams took the place of the ones resting to good advantage. Merf. Mercer handled the bell to the satisfaction of everyone. Kelly securing 3 penalties, Nuhn 2 and Thurston 1.

It is hoped that Markdale will play their return game here this Thursday night, when Beard, who was unable to be present at their last effort is expected to be on hand. The Cougars hope to have Doc back on their line-up this week. This will see Flesherton's and Mardale's best teams in action for likely the last game of the season.

Markdale — Goal, Hand; Defence. Henry and Kelly, Wings P. York and H. York, Centre, McCutcheon, subs. Johnston and Perkins.

Flesherton — Goal, Batchelor Defence Boyd and Thurston; Wings, Armstrong and Chercotte, Centre Nuhn; subs. Dow and McTavish.

Referee — M. Mercer, Markdale.

BROOMBALL LEAGUE

The game of broomball, which was somewhat unknown until this winter, has been brought to the front by the league formed by T. W. Findlay, and comprised five teams. Mr. Findlay has given considerable time and thought to the working out of this league of broomball, and it has been a decided success, as it has been played down until only the finals remain. As will be seen by the score sheet, the Red School team won first place quite easily, but it was a good race for second place, and the chance to play off with the Red School for who wins the league. This was won by Proton. There has been a lot of fun and during the playing off of the whole league a good fellowship feeling has prevailed, which alone makes any sport worth while. There have been twenty games played in all, and the first game of the finals between the Red School and Proton was played on Friday night and resulted in a tie—1-1. The second game is to be played this Tuesday night and the third game on Thursday night before the hockey game. This will be the final game unless a deadlock arises out of the last game, when it may be necessary to play the 4th game. Following is the standing of the different teams:

Red School	33 points
Proton	24 points
Findlay's	23 points
Phillips'	19 points
Ceylon	14 points

Killed in Gravel Pit

Mr. Isaac Carter of Sunnidale Township met with a fatal accident Tuesday afternoon while working in his gravel pit on the 5th concession, when an overhanging bank of frozen gravel broke, crushing him with its weight. Help was at hand and he was rushed to his residence where medical aid was quickly procured but it was of no avail as his hip and chest were almost completely crushed. He lived about three hours, and, although suffering intense pain, retained consciousness until the end.

Mr. Carter was a lifelong resident of Sunnidale and was held in high esteem by all who knew him. His sudden death has cast a gloom over the entire community.

A woman considers her new dress a mighty sorry frock if it fails to excite the envy of other women.

There was a time when "Always" was an appropriate song at weddings, but "Just for to-day" seems more appropriate to the present age.
