VANDELEUR

Mr. and Mrs. Ross Alcox moved to their new home north of Flesherton. Mr. and Mrs. Alcox were good neighbors and we are sorry to lose them from the community.

A wedding of interest to the people of this community took place on Wednesday last when Miss Leta Sewell was married to Mr. Jim Kirkpatrick of Euphrasia.

Congratulations are being extended to Mr. Norman Summers, who recently took a partner for life. A shower is being given the young couple this Monday evening.

Vandeleur Farmers Club held their regular meeting on Thursday evening of last week. The meeting was very largely attended, a good programme provided, considerable business was transacted. The principal item on the program was a debate on the subject, "Resolved that the Inventor has contributed more to the happiness of humanity that the Legislature." The affirmative was taken by Mrs. F. R. Boland and Mrs. S. Wyville, and the negative by Messrs Chas. McLean and Norman Genoe. The judges were Messrs. Howard Graham, Elmer Warling and Otto Baker. They decided in favor of the affirmative by a very narrow margin. It was an interesting debate and all the speakers did well. An interesting letter from Miss McPhail was read and Mr. Howard Graham outlined the program put on at the Better Seed Train. Another debate will be put on on Monday evening of next week, when six ladies will debate with six men, and two weeks later the Club will put on a play.

It is not generally known that if a cheque is issued and goes into the bank without a proper revenue stamp on, that the issuer of the cheque is liable to a fine. Many people think that the bank receives the money paid for the stamps. This is wrong, as the Government imposes the tax and receives the revenue. It would be a wise order for everyone in future when issuing a cheque to either affix a stamp or write "Add stamps to the face of the cheque." All cheques of over $10 are subject to a two-cent revenue stamp being affixed.
