Save Money *and* Paint

WHEN you paint this year, save money by buying the paint that gives the greatest value.

The real cost of paint is measured, not by the price per gallon, but by the service rendered.

FLINT NEW PROCESS PAINT is made from a combination of pigments and processed oils that are practically unaffected by atmospheric or climatic conditions.

Think of having your house finished with a paint that will preserve its freshness for years and years, a glossy finish that will not be affected by sun, rain or snow.

This superior paint is made by the makers of DUCO and is equally good for outside and inside use.

Centre Grey Softball League is Organized

Enthusiasts have been working on the organization of a soft ball league among the different communities around Flesherton and a meeting was held on Saturday night and final arrangements were made to organize a league known as the Centre Grey Softball league. The following officers were elected, Secretary and General Manager, T. W. Findlay, Treas. Bert Sparks and a committe of one representative from each club entering the league. The league is assured of six teams entering and possibly eight. The names of those entering up until the present time: Maxwell, Rock Mills, Flesherton Ceylon and Onwards, and it is not sure whether Victoria Corners and Proton will enter separately or join together for one team. Any other teams who would like to enter kindly get in touch with Mr. Findlay right away so the league can be started as soon as conditions will allow. Each team will consist of 9 players, 5 men and 4 ladies, and it is not compulsory for either pitcher or catcher to be a lady. All games are to be played in the Memorial Park Flesherton on Wednesday and Saturday nights, unless postponed games make it necessary to play some other night.

A collection of 15 cents will be taken up at each game. Should a garden party or any other line of sports be held during the summer in any locality want a game, arrangements can be made with the manager to have one of the games that week pulled off at said place of sports at a charge of $5 and free supper. It was decided to use the Ontario Softball rules and the inseam ball. The league will be divided into two sections, the winner of each section to play off for championshi.
