TYPHOID FEVER

Typhoid fever is usually caused by using contaminated water or milk. The most effective and practical way to prevent Typhoid Fever is, therefore, to safeguard milk and water supplies. To do this, is, without question, the responsibility of every municipal government. To do this is also the common-sense procedure of the families who have their own water and milk supply.

If this care is taken, there is but little danger of contracting typhoid fever as long as no other water or milk is used. During the summer many go out into the country on short and long trips. It is at such tims that water and milk, which are not safeguarded as to their safety, are frequently used.

Amongst those recovering from typhoid fever are some cases who continue to pass out the germs of the disease. Such persons are known as "disease carriers." As to whether or not these carriers are dangerous depends largely on their occupation Carriers should not be employed in the preparation, serving or handling of food.

It was demonstrated beyond question during the Great War, amongst Canadian soldiers and those of other countries, that the use of typhoid vaccine gives practically a sure protection against this disease.

Because of these facts we advse inoculation aganist typhoid fever for anyone who is at all likely to use water and milk from sources he does not know and who is not prepared to boil, or otherwise make safe, the water and milk before using.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College St., Toronto, will be answered by letter. Questions as to diagnosis and treatment will not be answered.

Softball Season Opens

Centre Grey Softball League is away to a start. The first game of the season was played last Wednesday night between Flesherton and Rock Mills and resulted in a score of 14-10 in favor of Flesherton. Saturday night games were postponed on account of the weather conditions and will be played this Wednesday evening, so the line up for this week is: Wednesday night, at 6 o'clock, Ceylon vs. Victoria Corners, followed by the Onwards and Flesherton. Then on Saturday night at 6 o'clock Maxwell vs. Flesherton, followed by Vandeleur vs. Kimberley. The merchants of the town are standing behind the league and already quite a number have offered to donate prizes during the summer. It is expected to take three months to run the league off and the prizes will be mostly run for a month at a time.

Mr. Farquhar Oliver, M. P. P. is donating a photo to each player of the team, winning the league. This will be a real good prize and be much appreciated by the members of the winning team. Mr. T. W. Findlay is donating to the team showing the best sportmanlike manner during season a free admission ticket to the Fall Fair concert. Judges will be watching the actions of the players during the sason and award a decision at the end of the season.

The following are the prizse for the month of June and different of the other merchants will follow in July and August:

F. H. W. Hickling will donate a pair of hose, value at $1, to the lady making the most home runs during the month, also a pair of hose valued at $1 to the man making the most 3-base hits.

Ken Kennedy will donate a tie valued at $1 for the man making the most home runs; also a box of chocolates, value of $1 to the lady making the most 3-base hite.

W. A. Armstrong & Son will donate a string of pearls, valued at $1 to the lady making the most 3-base hits, also flashlight to the man making the most 2-base hits.

Admission to games 15 cents.

Following are the teams who have entered the league:- Ceylon, Onwards, Victoria Corners, Vandeleur, Rock Mills, Maxwell, Flesherton and Kimberley.

Newspapers Praised By Publicity Man

Supreme Factor in Advertising C. N. E., Says Elwood Hughes

Elwood A. Hughes, Publicity Director of the Canadian National Exhibition, was the speaker at the luncheon of the Kiwanis Club of Toronto at the King Edward Hotel last week. In the course of an interesting and informative address he emphasized the fact that, although there was issued through his department in the neighborhood of 5,000-000 pieces of literature of different kinds advertising the Canadian National Exhibition, newspaper advertising was still the supreme factor in attracting the vast crowds of people, which annually attend the big fair. He paid a high tribute to the manner in which newspapers not only in Toronto, but throughout the Province, carry on the publicity work in connection with the C. N. E. Reference was made by Mr. Hughes to the many schemes which are advanced from time to time for increasing the attendance, and the good was always selected from the bad in the matter of attractions.

Concert at Priceville

A play, entitled, "A Southern Cinderella" was given in the basement of the United Church here on Thursday evening last, to a delighted full sized audience, requiring 9 benches from the Agricultural Hall in addition to the 106 chairs to accommodate all, with many standing.

The play was given by the C.G.I.T. girls from Wesley Church, Shelburne. Rev. J. A. Leece, one time much appreciated Methodist minister here, gave a descriptive synopsis of the play at the commencement, and also renewed many old acquaintances. Mrs. Leece was chaperon to the party of fine looking girls. Between acts Miss Grace Ramage and Mrs. Harold Karstedt entertained the audience with piano solos and duets. The best of order prevailed throughout. The sweet old grandmother of the play was the lucky young lady who won the prize over some thousand competitors for the best essay on the advantages of using Alberta coal, or something of that sort. We were glad to meet her.

Flesherton plays an exhibition game of baseball in Markdale on Thursday evening.
