Big Fire at Eugenia

EUGENIA

About 10:30 o'clock Saturday night a fire mysteriously appeared in Mr. Thos. Genoe's barn behind Mr. H. Forrester's house. It was not long before the fiery fiend had devoured the barn. People from far and near were summoned to the scene to try to extuinguish the blaze, but on account of scarcity of ladders, and other conveniences the fire soon played havoc with Mr. Harry Forester's residence, which was soon a smouldering heap. Almost all of Mr. Forester's house furnishings were saved. The loss in both cases is partially covered with insurance. We extend our smypathy to Mr. and Mrs. Forester in the loss of their home, but hope they may re-build again, and still be citizens of our village. Luckily the wind was not blowing in any other direction or else the fire might have proved more serious.

This vicinity certainly welcomed the long steady rain on Monday night. This will help the crops and gardens considerably; they seemed to be at a standstill for want of rain.

Mr. Stanley Campbell has purchased a New Ford touring car from Mr. H. Down, Flesherton. We wish him and his family much pleasure with it.

In last week's items we mentioned Mr. Herb Haney as visitor at Mr. Robt. Haney's, but we were mistaken. It was Messrs Gordon, Joseph and Robt. Haney of Paisley that visited with Mr. and Mrs. Robt. Haney instead.

We are sorry to report Mrs. Wm. Fawcett's health impaired at present but hope she may be soon well again.

Mr. and Mrs. Ray Wood and children, accompanied by Mr. and Mrs. David Heathers of Markdale were visitors in our little village on Sunday.

Our teacher, Miss Mildred Johnston has resigned her school here and accepted Port Law school for the next term at $1000. We are sorry to lose her, but wish her success in her new school.

Two of our school trustees, Messrs. J. Campbell and W. Walker attended the trustees and ratepayers convention at Chatsworth last week.

We are very sorry to hear of the death of Mr. Robt. Graham, a highly respected resident on the Valley Road. We extend our sympathy to the sorrowing ones.

Mrs. Hary Tate, and two children Donald and Jack of Hillsburg spent a few days last week with Mr. and Mrs. A. F. Pedlar.

Mr. R. J. W. Johnston, Watkins dealer was in our vicinity on Monday.

Mr. Sam McDonald is home from Toronto Normal. We hope Sam was one of the successful students and wish him success in his new undertakin, as a school master.

this is no fairy story

Bill Smith had faulty brakes .... he knew it too! They were always going to be relined "to-morrow" .... but one day a street car couldn't dodge him .. Bill is still on the crutches.

Bad brakes have caused more motor accidents than any other one thing.

If you value your safety — your car and the safety of others, you will not neglect your brakes.

Have them relined with genuine Raybestos Brake Lining, and then you are confident of quick, sure stops in traffic, on the hills or the open road.
