MUNICIPALITY OF NEPEAN.

NOTICE.

PUBLIC NOTICE is hereby given by the Municipal Corporation of the Township of Nepean, pursuant to Chap. 54, Consolidated Statutes of Upper Canada, Sec. 321, that the council of the said corporation have resolved to stop up a certain portion of an old road crossing the rear end of Lot Number 7, in the 5th concession, Rideau Front, of the township of Nepean; and to open up a new road in the boundary line [in rear thereof,] between Lot Number 6, and the said Lot Number 7, in lieu of the said old road, so stopped up. That,

Whereas, a petition from John Bennet, Henry Bennet and others, and another petition in amendment to said petition, from Peter Harvie and nineteen others, were laid before the corporation of the township of Nepean in council assembled, praying that the said portion of road be stopped up, and a new road in the boundary line in the rear, between Lots Nos. 6 and 7, in the 5th concession, R. F., of the Township of Nepean, to connect with the old, to be opened up and established in lieu of the said old road so stopped up; and

Whereas the said Henry Bennet and Philip Green, owners of the said rear end of Lots Nos. 6 and 7, in the 5th concession, Rideau Front, Township of Nepean, have preferred and virtually agreed to give, grant and transfer to the Municipality of Nepean, sufficient land in length and width, in, through, and along the boundary line in the rear end, between Lots Nos. 6 and 7, in the 5th concession, R.F., Nepean, until it shall meet the Eastern boundary of the Western 30 acres of Lot Number 7 aforesaid, now owned and occupied by the said Henry Bennet, as shall be required to open up and establish a new road, which shall connect the said old road with the allowance or road running between the 5th and 6th concessions of the Rideau Front, of the Township of Nepean, for and in lieu of the said old road so as to be stopped and closed up, as aforesaid; and

Whereas certain members of the said corporation of Nepean, under authority of a resolution passed in council, have examined the sites of the said old road, and the said new road, so to be stopped up, and opened and established, as hereinaforesaid, and have, by their report, shown to the said corporation, that no person whomsoever will be excluded from ingress and egress to and from his or their lands and place of residence, and a public thoroughfare whatsoever, by the closing up the said old road, and opening up and establishing the new road, as hereinaforesaid, pursuant to law;

Therefore, the municipal corporation of the municipality of Nepean intends, at some future and legal sessions of their council, to confirm the prayer of their petitioners aforesaid, by passing a by-law, or by-laws, for closing and stopping up the old road, and opening up and establishing the new road, as hereinaforesaid, according to law.

Arguments, pro. and con., why such by-law or by-laws should or should not be passed, will be admitted and heard from any person or persons by the council of the said corporation of Nepean, on the day of the sessions of said council, to be held on the 24th day of FEBRUARY, A.D., 1866, or any other sessions of council to be held prior to the passage of such by-law or by-laws.

All persons concerned will therefore take notice and act accordingly.

By order of the corporation.

THOMAS STAPLETON,
Town Clerk.

DISTILLING APPARATUS,

TO BE USED ON BOARD

PASSENGER SHIPS

DOWNING STREET,
18th December, 1865.

SIR,—

I have the honor to transmit, for your information, and for insertion in the public papers, the accompanying Copy of an Order of Her Majesty in Council, dated the 5th instant, allowing the Distilling Apparatus of Messrs. Chaplin and company, as well as those of Dr. Normanby and Messrs. Winchester and Graveley, to be used on board Passenger Ships.

I have the honor to be,
Sir,
Your most obedient
Humble servant,
EDWARD CARDWELL.

[Signed.]
The Officer Administering the Government of Canada.

[L. S.]

AT THE COURT OF WINDSOR,
The 5th day of December, 1865.

PRESENT:

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS, by "The Passengers' Act, 1855," it is amongst other things enacted, that before any Passenger Ship shall be cleared out, the Emigration Officer at the port of clearance shall satisfy himself that there is on board a sufficient quantity of pure water, carried in tanks or casks, to secure throughout the intended voyage the issue of three quartdaily to each statute adult, for the use of the passengers, exclusive of the quantity required for cooking:

And whereas, it is also enacted, that it shall be lawful for Her Majesty, by any Order in Council, to prescribe such rules and regulations as to Her Majesty may seem fit, for permitting the use on board passenger ships of an apparatus for distilling water, and for defining in such case the quantity of fresh water to be carried in tanks or casks for the passengers, and such order in council from time to time to alter, amend and revoke, as occasion may require:

And whereas, Her Majesty, by an order in council, dated the ninth day of January, one thousand eight hundred and sixty-three, prescribed certain rules for permitting the use on board passenger ships, propelled by steam engines of less than a certain power, and on board passenger ships propelled by sails, of a certain apparatus for distilling fresh water from salt water;

And whereas, it is expedient to repeal the said order in council, and to issue in lieu thereof the order hereinafter contained:

Now, therefore, Her Majesty doth, by and with the advice of Her Privy Council, and in pursuance and in exercise of the authority vested in Her by the said "Passengers' Act, 1855," hereby repeal the said order in council of the ninth day of January, one thousand eight hundred and sixty-three, except in so far as the same repeals a certain order in council of the thirteenth day of May, one thousand eight hundred and fifty-nine, and doth hereby order as follows:

Any passenger ship propelled by sails only, or by steam engines of less power than is sufficient, without the aid of sails, to propel the ship at the rate of five statute miles an hour, may be cleared out and proceed on her voyage, having on board, in tanks or casks, only half of the quantity of pure water required by the said Act to be carried for the use of the passengers, provided the following conditions be observed, that is to say:

1. That there be on board such ship an efficient apparatus for distilling fresh water from salt water, of the description commonly known either as Normandy's patent, as Winchester and Graveley's patent, or as Chaplin and company's patent.

2. That the owners, charterers, or master of such ship, before clearance, lodge with such Emigration Officer a certificate from the engineer or surveyor of the Board of Trade, or from some other competent person to be named by such Emigration Officer, declaring that within seven days immediately preceding the date of such certificate, the apparatus has been examined by him, and is then in good working condition, and stating the number of imperial gallons of pure fresh water which it is capable of producing in every twenty-four hours, and further declaring that the apparatus on board is either Normandy's, Winchester and Graveley's, or Chaplin and company's patent, as the case may be.

3. That in every case such Emigration Officer shall be satisfied that the number of gallons of pure water which the apparatus is so certified to be capable of producing is not less than the whole number of persons about to proceed on the intended voyage of such ship, that is to say, the whole number of cabin passengers, passengers and crew.

4. That there is rated on the ship's articles, and that there is on board the ship, some person or persons who, to the satisfaction of the said Emigration Officer, shall be competent for the proper management and repair of such distilling apparatus:

And to prevent all doubts on the construction of this order in council, it is hereby further ordered, that the terms "Passenger Ship," "Emigration Officer," "Statute Adult," and "Master," shall herein have the same significations as are assigned to them respectively in the said "Passengers' Act, 1855:"

And the Right Honorable Edward Cardwell, one of Her Majesty's principal Secretaries of State, is to give the necessary directions herein accordingly.

[Signed.]

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR OF THE GOVERNMENT IN COUNCIL.

HIS EXCELLENCY was pleased to lay before the Council a Report from the Commissioner of Customs, dated 15th December, 1865, and approved by the Hon. the Minister of Finance, stating that under authority of chapter 17 of the Con. Stat., Can., Sec. 24, an Order in Council was passed on 28th April, 1853, directing "that Goods *bona fide* exported to this Province from any country, but passing in *transitu* through another country and under Bonds shall be, until it shall be otherwise ordered, valued for duty as if such Goods were imported direct from such first mentioned country into this Province," and submitting that it would be desirable to extend said Order in Council to *free* as well as dutiable Goods.

Whereupon His Excellency in Council was pleased to order, and it is hereby ordered, that free Goods passing through a foreign country consigned directly to Importers in Canada, shall hereafter be put on the same footing as dutiable Goods.

Signed,
WM. H. LEE,
