Kawartha Lakes - In order to provide the highest level of protection to residents, effective today, Victoria Manor in Lindsay will be implementing limited visiting to the home as directed by the Government of Ontario. Essential visitors are those who have a resident who is very ill or dying.

These visitors must continue to be actively screened into these settings. Those who fail screening will not be permitted to enter. No other visitors should be permitted to enter these premises, instead they should be asked to keep in touch with loved ones by phone or other technologies, as available.

Anyone who enters Victoria Manor will continue to go through active screening. That includes team members, essential visitors, physicians, essential contractor providers.

For questions or concerns, please contact:
