PREPARE FOR SCHOOL

The summer vacation should be used to prepare children for school. Any parents who have been advised by the school physician or the family physician that their child is in need of medical care, and who have not acted upon the advice should attend to it without further delay.

The parent of a child who will enter school for the first time in the autumn would be well advised to have the child examined by the family physician, in order to find out whether or not he is in need of any treatment.

Now is the time to have any physical defects corrected. The child then has the summer in which to build up his vitality, and will enter school physically fit. There is no question that the child who is physically fit, to begin with, and who leads a regular hygenic life is the one who develops best both mentally and physically .

Children with diseased tonsils, adenoids, diseased teeth, or who require glasses are very definitely handicapped. Children who do not receive proper food, who have not sufficient rest, who do not play out of doors are stunted physically and dulled mentally compared with what they should be.

Children should be vaccinated This should be done in the first year diphtheria before starting to school. This should be done in the first year of life, but if it has been neglected, it should be done — NOW.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College St., Toronto, will be answered by letter. Questions as to diagnosis and treatment will not be answered.

Died From Diphtheria

A very sad occurrence took place at Feversham on Thursday evening of last week when the fifteen months old daughter of Mr. and Mrs. Gideon Eby of that place passed away after a short illness of diphtheria. The funeral was held privately on Friday, interment taking place in Tara cemetery. Much sympathy is extended to Mr. and Mrs. Eby in the great loss they have sustained in the sudden passing of a little life that was sweet and dear to them.

Flesherton Subdued 1927 Champions

The Centre Grey League schedule opened at Flesherton on Thursday of last week when Kimberley, champions of 1927 attempted to take the local team under their fold for a win, but only failed doing so by two runs, the score being 9-7. Bowles appeared on the mound for Flesherton and did good work, only allowing one run to Kimberley in the first inning. The locals evened up the score in the 4th frame, but in the 5th Kimberley pulled away out in front with five runs, Myles, Dillon Belfry, Gilbert and F. Ellis accoutning for these, and one man was left on third when the side was retired. It looked as though at this point Flesherton's chances were not very brilliant, but by steady pecking with one run in the fifth, two in the sixth and the lucky 7th brought in four to take the lead for the first time Another was added in the 8th but was not needed, Kimberley getting their other run in the 9th.

The line-up was:

Kimberley — Ted Myles 1st, E. Dillon s.s., A. Belfry c., W. Gilbert 2nd, H. Cornfield l.f., R. Ellis, c.f., C. Fawcett 3rd, F. Ellis r.f., E. Ellis p., R. Stafford and D. Graham sub.

Flesherton — F. Thurston l.f., C. McTavish s.s., C. Betts 2nd, J. Dow c., Chercott c.f., A. Sparks r.f., A. Bowles p., G. Wauchope 3rd, T. McDonald 1st, H. Richardson sub.

Umpire — Geo. Dundas, Markdale.

Elmer Ells pitched a good game for Kimberley with his left hand and held control of affairs very good until the seventh and Dave Graham came in to pitch in the 8th.

Cecil McTavish hit a sceeching two-bagger in the ninth inning that hit the right field fence and bounded back, but Thurston was able to score from 1st base on the hit.

Thurston, McTavish, Betts, and J. Daw came out even in the run scoring honors and McDonald with one. For Kimbeley Dillon has the lead all to himself with two runs, and Myles, Belfy, Gilbert, Cornfield and Fred Ellis had one each to their credit.

Flesherton goes to Markale to play this Wednesday afternoon when the Redmen hope to take a fall out of the leaders of the league.

There was a very poor turnout of supporters from town, but those there surely make abundant noise when Flesherton pulled ahead in the 7th with the four runs.

Markdale gave Dundalk a decisive trimming on the latter's diamond on Wednesday afternoon of last week, the score being 25-10.
