AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be arrested by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the functions of the body once more be invigorated to health again. Thus stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, opposed by the disorganizers, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the desperate and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

*From a Forwarding Merchant of St. Louis, Feb. 4, 1856.*

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

**As a Family Physic.**

*From Dr. E. W. Cartwright, New Orleans.*

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

**Headache, Sick Headache, Foul Stomach.**

*From Dr. Edward Bogel, Baltimore.*

DEAR SIR, AYER: I cannot express to you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

DR. J. C. AYER. PITTSBURG, PA., May 1, 1855.

Sir: I have been remarkably cured of the worst headache by which I have for a disease or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PRENLE,
*Clerk of Steamer Clarion.*

**Bilious Disorders—Liver Complaints.**

*From Dr. Theodore Bell, of New York City.*

Not only are your Pills admirably adapted to their purposes as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely hope that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1855.

SIR: I have used your pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALEX. BALL, M. D.,
*Physician of the Marine Hospital.*

**Dysentery, Diarrhœa, Relax, Worms.**

*From Rev. A. A. Gates, of Chicago.*

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhœa. Their superior coming makes them very acceptable and convenient for the use of women and children.

**Dyspepsia, Impurity of the Blood.**

*From Rev. A. V. Hoople, Editor of Advent Church, Boston.*

DR. AYER: I have good reason to speak your Pills with extraordinary success in my family and among those I am called to visit in sickness. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the blood.

JOHN G. MEACHAM, M. D.

**Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.**

*From Dr. J. P. Vaughn, Montreal, Canada.*

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as effectual as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the procreator of others that are worse. I believe it serves to originate in the liver, but your Pills affect that organ and cure the disease.

*From Mrs. E. Stuart, Physician and Midwife, Boston.*

I find one or two large doses of your Pills taken at the proper time, are excellent preventives of the natural sorrows when wholly or partially suppressed, such they certainly are so much the best physic we have that I recommend no other to my patients.

*From the Rev. Dr. Hawkes, of the Methodist Episc. Church.*

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and I thought an excruciating neuralgic pain, which ended in chronic rheumatism. Notwithstanding I had the best of physicians the case grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT BLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its improper use. These contain no mercury or mineral substance whatever. ☜

Price, 25 cents per Box, or 5 Boxes for $1.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS IT HAS BEEN REPRESENTED to the Governor General in Council that much inconvenience has been, and is experienced by certain of the inhabitants of this Province residing in the vicinity of the Canadian Frontier line, by reason of their being deprived of the privilege heretofore enjoyed by them of having their grain produce ground at Mills situate on the American side of the Frontier, and re-importing the same into Canada free of Customs duty, in cases where the closer proximity of such Mills to the residences of such inhabitants, or their greater capacity made it expedient to resort to them:—

Whereupon, and on the recommendation of the Honorable the Acting Minister of Finance and under the provisions of the seventeenth chapter of the Consolidated Statutes of Canada, His Excellency in Council has been pleased to order, and it is hereby ordered that any flour or meal, or other produce of any wheat or grain grown in and taken out of this Province into the United States to be ground, and brought back into this Province within one week after such wheat or grain has been so taken out to be ground, shall be, and the same is hereby exempted from the payment of Customs duties; provided always that such grain be first duly reported outwards at the nearest Custom House before exportation for the special purpose herein referred to, and that the identity of the flour or meal, the produce thereof, be sworn to on its importation into this Province.

Notice is hereby given that under the provisions of the Statute of 27 and 28 Vic., Cap. 3, Section 11 the said license to act as a Brewer, granted by me to the said Thomas Bourke has, in consequence of such default, become and the same is hereby declared to be forfeited and void.
